Palace urged to resolved continuing PEZA leadership mess

MEMBERS of the Federation of Media Associations (FMAs) were urging anew the Office of the President (OP) to settle a long-standing dispute on the Philippine Economic Zone Authority's (PEZA) leadership mess.

The chaos was brought about by different interpretations of the two memoranda issued regarding the leadership of agencies under the OP.

These media associations include the Publishers Association of the Philippines, Inc. (PAPI), the Boracay Global Press Corps (BPC), Kapisanan ng mga Brodkaster sa Pilipinas (KBP) Laguna Chapter and Federation of Provincial Press Corps, Inc. (FPRCI).

Memorandum 1 and Memo 3 involve the Government-Owned and Controlled Corporations (GOCCs) and government instrumentalities.

The Director General of the PEZA is a presidential appointee hence, only the President can appoint and assign an OIC, PEZA rules indicated.

Memo 3 however, provided the exemption of GOCCs, govt. instrumentalities mandating a hold-over capacity to ensure unhampered and continuous services.

The leadership confusion stemmed from the incident when then Deputy Director General Tereso Panga appointed himself as PEZA OIC without the sanction of then incumbent Director General Charito Plaza nor of the Department of Trade and Industry (DTI) Secretary Alfredo Pascual.

Memo 3 provided that DTI attached agencies like the head of PEZA, could stay on a hold-over capacity.

The self-appointed OIC Panga reportedly sought the assistance of

Presidential appointee DG Charito Plaza

his fraternity brother, Sec. Pascual, to issue a midnight DTI Department Order recognizing him as the OIC.

He also ordered the separation from the service of the sitting DG Plaza.

To further aggravate the matter, Panga ordered the padlocking of the DG Plaza's office, the pull-out of the ODG staff and employees, including the office computers, telephone lines so communications at the ODG will stop.

On that same day, Aug 3, 2022, Panga further

Palace urged... *from page 1*

ordered the PEZA police and the security guards to watch and prevent the entry of DG Plaza and the DG staff invited media to enter the PEZA office.

Tensions and commotions occurred when DG Plaza insisted going to her office for the press conference she called but decided to transfer the venue instead at Conrad Hotel.

The mess continued when Panga got another authority from Sec Pascual for him to fully exercise the powers and authority of the PEZA DG.

The former was given the authority to reorganize the employees and so he started to terminate, demote, transfer to far away economic zones staff and employees identified as supporters of DG Plaza and hired new ones, promoted and occupied economic zones (EZs) preferred by his staff and supporters.

These actions of Panga as authorized by Pascual, are contrary to Civil Service laws and even OPs Memos 1,3,10 which put on a hold-over capacity staffs even contractual employees as the country is not yet off from the threats of the pandemic, inflation and world recession.

The oppressed employees have no other recourse when their appeal was not considered but go to the Civil Service Commission (CSC).

They consequently withdrew their appeal at the CSC and transferred this to the Ombudsman Visayas to address all issues on administrative and alleged criminal abuse of authority.

Further, Panga is utilizing the PEZA Employees Association to support him in connivance with present and past presidents, who are his direct staff allegedly without the approval of the general membership, made public statements of support and conducted a survey, further pressuring and harassing the employees to stand by him.

Reports said that industry associations are now being dragged to give endorsements for his retention.

hose employees identified with Plaza said that Panga must stop his media propaganda and instead answer the protest of the former DG now lodged with new Executive Secretary Lucas Bersamin and the Office of the Ombudsman.

Meanwhile, industries allegedly endorsing Panga vehemently denied their supposed gesture as they agreed that their organizations must play neutral in the PEZA leadership rift "as this is the power of the President..."

Naic: POC-ADAC awardee

Payo sa taxpayer: Umiwas sa multa, mahabang pila

ni GENE TAPARAN TAN – Pinayuhan ni Naic Mayor Raffy Dualan ang mga may-ari ng negosyo at establisimyento na sikaping makapagbayad nang maago ng buwis at iba pang bayarin upang makaiwas sa multa at mahabang pila.

Pinansin ng alkalde ang ugali na sa mga huling araw ng pagbabayad ng buwis nagkukumahog ang taxpayers sa pagbabayad ng amilyar, business taxes, mayor's permit at iba pang bayarin sa negosyo.

Kasunod nito, sinabi ni Mayor Dualan na makasisiguro ang mamamayan na gugulin ang bawat sentimo ng buwis para sa makabuluhang proyekto at serbisyo para sa mamamayang Naicquenos.

Inatasan na niya ang kinauukulang departamento sa munisipyo na may tungkulin at pananagutan sa pag-aayos, pagtanggap ng mga dokumento at ibinayad na buwis na pagsilbihang mabuti ang mga taxpayer.

Samantala nitong nakaraang Disyembre 9, 2022, tinanggap ni Mayor Dualan ang dalawang karangalan at pagkilala ng Peace and Order Council-Anti-Drug Abuse Council (POC-ADAC) ng Region 4-A (Calabarzon) ang matagumpay na kampanya ng pamahalaang lokal laban sa kriminalidad at ilegal na droga.

Pinasalamatan ng alkalde ang lokal na pulisya ng Naic at ang mga samahang sibiko na naging katuwang laban sa bisyong droga at kriminalidad.

Nitong nakalipas na Pasko at Bagong Taon, walang hinto ang pamahalaang lokal sa pagkakaloob ng mga tulong pinansiyal sa mga senior citizens, PWDs, iba-ibang sektor ng maliliit na manggagawa at katuwang ang DSWD sa pamimigay ng relief goods sa mga pininsala ng kalamidad at ayudang 4Ps sa mahihirap na residente ng munisipalidad.

China renews... *from page 1*

"The malicious support for Taiwan independence among anti-China elements in a few foreign countries is a deliberate provocation," Ma Xiaoguang told a biweekly news conference.

China views Taiwan as a Chinese territory that must be brought under Beijing's control, by force if necessary.

A string of visits in recent months by foreign politicians to Taiwan, including by then-United States House speaker Nancy Pelosi and numerous politicians from the European Union, spurred displays of military might from both sides.

This week, Taiwan's military is staging drills intended to reassure the public of its ability to counter China's threats ahead of this month's Lunar New Year holiday.

"The most important thing is to maintain the safety of our airspace and national security," Air Force Lt. Col. Wu Bong-yeng told reporters at Hsinchu Air Base, just south of the capital Taipei.

The drills coincide with a visit from German and Lithuanian lawmakers — the latter a Baltic state being a particular target of Chinese ire for upgrading its ties with Taiwan.

"We call on the relevant countries to ... cease sending the wrong signals to Taiwan independence separatist forces and cease playing with fire on the question of Taiwan," Ma said.

China has responded to foreign visits by holding large-scale military exercises seen by some as a rehearsal for a blockade or invasion.

Beijing sends airplanes and warships toward the island nearly daily, often crossing the midline of the 160-kilometer (100-mile) Taiwan Strait dividing the sides.

Tigilan ang ang privatization!

PAKIUSAP po, mahal na Presidente Bongbong Marcos, 'wag po kayong makinig sa mga bulong-bulong ng inyong 'kaibigan' na mabuting isa-pribado ang operasyon ng Ninoy Aquino International Airport (NAIA).

Pahirap lamang po yan sa taumbayan na pinangakuan po nyo na ibabangon sa hirap, at nabasa na ba nyo ang survey ng SWS na nadagdagan na naman ng 8 porsiyento ang kababayan nyong 'dugyot' ang buhay! (see news item elsewhere in this issue.)

Nang itayo ng tatay po nyo, Prez Ferdinand 'Apo Lakay' Marcos ang LRT 1, Cavite Coastal Road, North Expressway; nang isagobyerno ang Meralco, MWSS (dating Nawasa) at iba pang government infrastructure and public utilities, ang gaan ng buhay ng mga pamilyang Pilipino.

Bata pa ako noong panahon ni Apo Lakay pero ang mga senior citizens ang nagsasabi, maganda ang programa ng inyong tatay na sana ay inyo lamang sundan, gaganda na, aangat na ang buhay natin ngayon.

Nang isapribado ang MWSS, ang kumita lamang ay ang mga Lopez, Pangilinan, Ayala at mga dayuhang partner nila at kaming mga isang kahig, isang tuka ang napeperwisyo.

Bilyon-bilyong piso ang kinkita ng mga government utilities na ito, pero pinalabas na nalulugi, kaya isinapribado para raw mas maging mahusay at mas mura ang bayad sa serbisyo.

Parang kinukuryente tayo tuwing magbabayad ng electric bill -- na kahit madalas ang brown/blackout, parang buong barangay na ang nakakabit sa ating kuntador.

'Yung tubig Maynilad at Manila Water Services ng mga Lopez, Pangilinan at ng mga Ayala, ay inakupo, minsan ay malabo na, ang mahal pa ang bayad natin.

E sabi potable water daw ang tutulo sa ating gripo, meaning inuming tubig, pero hindi po, at sobrang mahal na, madalas daig pa ang ihi ng matandang lalaki na patak-patak sa pagtulo.

'Yang tollgate na dati e libre, at kung may bayad man ay kaymura nang ibigay sa foreigner, makapagmumura ka sa galit kasi ang mga expressway na 'yan ay pera ng taumbayan ang ipinagpagawa pero ang mga dayuhan ang nakikinabang.

Ganyan din ang mangyayari sa NAIA pag ibinigay sa mga oligarchs na sasali sa bidding at teka, nag-iimbita ang ating Pangulong Bongbong ng investor sa ibang bansa at ipagyayabang niya ang Maharlika Investment Fund niya, e bakit hindi na lang pagandahin ang NAIA at wag nang isapribado.

Nalulugi raw kasi ang mga government utilities kaya ibebenta at ibibigay sa pribadong negosyante, hooooy.

Ang gobyerno po ay wala sa negosyo kundi serbisyo publiko at e ano kung nalulugi sa pagsasilbi sa taumbayan.

Malugi man, kaming mga dugyot ang makikinabang at giginhawa.

Kaya nga ang mga taga-gobyerno ang tawag ay "public servant", hindi po, "public businessman."

Nakabili na ba kayo ng itlog (egg) sa palengke ngayon, e magkano na ang presyo ng isang itlog?

P6, P8, P10 o P15 depende sa laki ng itlog?

Sa totoo lang, daming poultry farms sa atin na over production pa nga ng layers na manok.

Daming itlog sa mga poultry ng Robinsons, San Miguel, Foremost at iba pa, bakit tumataas na naman ang presyo ng eggs?

Ay naku po, DTI, Agri officials ano ba ang ginagawa nyo, e ang sobrang malalaki na ang mga "itlog" nyo sa kamomonitor at kape-praise release na aayusin nyo ang presyo ng mga bilihin.

Pangulong Bongbong, sana po, sa June ay i-appoint nyo si dating Agri Sec. Manny Pinol, magaling ang mamang ito na napolitika lamang noong panahon ni Tatay Digong.

Magaling siya at alam ang solusyon sa problema ng pagkain natin; alam ang mga teknolohiyang gagamitin sa pagdami ng ani sa bukid at palaisdaan.

Pwede po ba, Mr. President, si Manny Pinol na ang inyong i-appoint at yung pakulong privatization ng NAIA at ng LRT 1, wag na po.

Sana mapakinggan nyo po ang hibik ng maliit na publisher na tulad namin.

At magtagumpay po sana ang inyong mga official trip sa ibang bansa.

Mabuhay po tayong lahat.

Manny Pinol: Kayo na po sana uli maging Agri Sec.

Toots Ople acts on unpaid salaries of 10K OFWs in Saudi Arabia

by JUNEX DORONIO – Just like her late father Ka Blas Ople who was a champion of the Filipino working class, Department of Migrant Workers (DMW) Secretary Susan 'Toot' Ople on Tuesday, January 10 vowed to act swiftly on the reported unpaid salaries of some 10,000 overseas Filipino workers in the Kingdom of Saudi Arabia.

"'Yung sa unpaid salaries, dapat sana December kami tutuloy, but upon the request of the Ministry of Human Resources and Social Development o MHRSD, 'yun ang aming counterpart sa Saudi Arabia, they requested for more time to arrange our visit dahil 'yung sa unpaid claims, hindi pala sa kanila 'yun nakaatang. So they wanted time for... certain arrangements to be made so when I go there I will be able to meet with the right person in the Office of the Crown Prince," Ople said at a press briefing in Malacañang.

The DMW chief disclosed that she was supposed to go to KSA last December but officials in Saudi Arabia requested more time to arrange the visit.

DMW Secretary Susan 'Toot' OPLE

Ople expressed hope that she will get the itinerary for the Saudi Arabia trip this week.

She, however, declined to provide details when asked how much will the OFWs in Saudi get.

But Ople stressed that the DMW will exert all efforts to facilitate the release of the unpaid salaries. (ai/mtvn)

Prez Marcos: Maharlika Investment Fund, susubukang 'ibenta' sa World Economic Forum

ni HENRY E. CAOILE – Magtagumpay kaya si Presidente Bongbong Marcos na "mahikayat" at "maibenta" ang ideyang Maharlika Investment Fund (MIF) sa dadaluhang 2023 World Economic Forum (WEF) sa n Davos, Switzerland?

Ito ang inaabangan ng publiko sa pag-alis ni PBBM sa susunod na linggo sa kanyang pagdalo sa kumperensiyasa Davos -- na roon, ipahahayag niya ang pagsisikap ng kanyang administrasyon na makalikha ng sariling Sovereign Wealth Fund (SWF) sa mga kakausaping lider at negosyante ng maraming bansa na dadalo sa WEF.

Gagawin ito ng Pangulo kahit hindi pa kinokontra ang panukalang SWF ng ilang senador at kongresista.

Nabatid na noong siya ay senador pa, naisip na ni Marcos ang pagbubuo ng MIF na itutulad sa ibang matagumpay na SWF ng ibang bansa.

Sa panukalang ito, mismong ang gobyerno ang lalahok at magsisikap na magpalakas ng pamumuhunan sa maraming programa at proyekto sa enerhiya, agrikultura, impraestruktura, at iba pang negosyo.

Kinokontra rin ang MIF ng mga negosyante dahil magiging kakumpetensiya nila ang gobyerno.

Nangangamba naman ang sektor ng paggawa na malustay ang salapi ng gobyerno sa mga negosyong maaaring malugi at mababawasan ang pondo para sa mga serbisyong para sa mamamayan.

Sa Malakanyang, sinabi ni PBBM na ihahayag niya sa kumperensiya sa Davos na prioridad ng kanyang administrasyon ang tungkol sa pagpaparami at pagluluwas ng pagkain, digitalization, climate action, kalakalan at mga hakbang sa pag-akit na maglagay ng salapi ang mga dayuhang investor sa Pilipinas.

DA officials lang ang walang alam?!

Ismagler, onion ring dahilan ng taas langit ng presyo ng sibuyas

ni LIZA FE BONETE – Pansamantalang ititigil muna ang pagbebenta ng red onions sa halagang P170 per kilo sa mga Kadiwa stores, ayon sa Department of Agriculture (DA).

Wala na raw maisusuplay ang Food Terminal Inc. (FTI) at hihintayin pa ang utos ng Malacanang kung ano ang gagawin sa nakumpiskang kontrabadong pula at puting sibuyas mula sa China,

Kinumpiska ng Bureau of Customs (BoC) ang kontrabando na tinatayang nagkakahalaga ng P153-milyon at inaalam kung sino ang broker at importer ng nabanggit na mga sibuyas.

Isinisi naman ni Albay 1st District Rep. Joey Salceda ang sindikato at mapagsamantalang

Hospital sa Kawit; sa lahat ng dumaang kalamidad, bagyo, sunog at iba pa kailangan ng emergency response, andayn si Cong. Jolo.

Kami na lang yata dito sa BantayBalita ang di pa naaayudahan, hehehehehe. char.

Nitong nakaraang linggo, bisi si Rep. Jolo sa miting sa g mga DepEd District Supervisors, School Principals para mabilis na maipatupad ang programang Iskolar ng Bayan para sa lahat ng mga estudyante sa Unang Distrito.

Teka, tama na ang nabasa ko sa FB page ni Cong. Jolo: "xxx para sa lahat ng (mga) estudyante sa Unang Distrito."

Eto ang sabi: "Ang lahat ng mga nag-aaral mula Grades 1 to 8 ay makakatanggap ng tig-dalawang libong piso at ang Grades 9-12 naman ay makakatanggap ng tig-tatlong libong piso bawat isa."

Sabi pa ni Cong. Jolo, inaayos na niya at ng mga taga-DepEd ang mga rekisitos para masiguro na mabibigayan ang "lahat ngg enrolled students" sa Distrito Uno, bago matapos ang school year na ito.

AAbot sa mahigit na 60K na enrolled students ang makatatanggap ng financial assistance, sabi sa social media post, at ito ay tiniyak na mangyayari sa ni Senator Ramon Bong Revilla, Jr. at Agimat Partylist Rep. Byran Revilla.

Kakainggit talaga ang mga taga Distrito Uno, may kongresista sila na ang pangalan ay Jose Lorenzo 'Jolo' Bautista-Mercado Revilla.

Teka, paano 'yung 'ayuda' namin, hehehehehe,char!

Ah, basta, masaya kami at Happy New year sa lahat!

negosyante sa sobrang taas ng presyo ng sibuyas at iba pang produkto sa bansa.

Sabotahe sa ekonomya ang galaw ng sindikatong ito na tinatawag na 'Onion Ring' na kilala na ng gobyerno pero hindi inilalantad sa publiko kung sino-sino ang kasapi ng sindikatong ito.

Nais ni Salceda na imbestigahan ng Kongreso ang di-mapigilang pagtaas ng mga presyo ng bilihin.

"Me sindikato naman talaga, e gobyerno lang yata ang hindi nakakaalam nito," sabi ng isang mamimili sa Bacoor na ang tinutukoy ay ang mga opisyal ng DA.

Samantala, sinabi ni DA Assistant Secretary Kristine Evangelista na bago muling makapagbenta ng murang halaga ng sibuyas, kailangan munang mapirmahan ang bagonga supplemental memorandum of agreement ng FTI at ng Kadiwa store.

Nabatid na nakapangalan sa Seastar Consumer Goods Trading ang kinumpiskang pula at puting sibuyas na idineklarang fishball.

Pnangunahan ni Customs Intelligence and Investigation Service-Manila International Container Port (CIIS-MICP) chief Alvin Enciso ang pagkumpiska sa kontrabado nang mag-inspeksiyon sa mga container van sa North Harbaor ng nakaraang linggo.

Kakasuhan ng mga paglabag sa batas ng Customs ang Seaster, sabi ni Enciso.

Edukasyong de kalidad sa batang Imuseño

Sa likuran, dulong kanan, sumaksi si Vice Mayor Homer 'Saki' Saquilayan sa 'groundbreaking and unveiling ceremony' ng itatayong gusali ng paaralang elementarya sa Malagasang I-D, Imus City.

Sa kanyang mensahe, sinabi ni 3rd District Cong. AJ Avincula ang ittatayong gusali ay sa tulong ng pamahalaang lungsod sa pangunguna ni Mayor Alex 'AA' Advincula (ikaapat mula sa kaliwa) at mga ilang konsehal na sumaksi sa aktibidad. /AJ Advincula FB page

ni ELI C. RAMOS TAPARAN II – Sabi nga, iba na ang may alam; mas angat ang may pinag-aralan.

Kung edukado, may may kumpiyansa sa sarili, at marunong at matapang na harapin ang anomang pagsubok at problema.

Mas disipilinado, mas mabilis umasenso at may talino at kakayahang tumulong sa kapakanan ng kapwa ang isang batang nakapagtamo ng de kalidad na edukasyon.

Matuturuan ang batang ito sa paglaki na maging mabuting mamamayan.

Ilan lang ito sa kahalagahang ipinunto ni 3rd District Congressman Adrian Jay 'AJ' Advincula sa mensahe niya sa ginanap na pasinaya at seremonya sa pag-uumpisa ng pagbubungkal ng lupa na paglalagyan ng pundasyon ng itatayong Malagasang I Elementary School Annex sa Jade Residences, Malagasang I-D nitong nakaraang linggo.

Ang okasyon ay sinaksiyan ni Mayor Alex "AA" Advincula, Vice Mayor Homer Saquilayan, at ilang mga konsehal at opisyal ng pamahalaang lokal ng lungsod ng Imus.

Sa kanyang mensahe, sinabi ni Cong. AJ na isa sa prioridad niya ay matugunan ang pangangailangan sa gusaling paaralan, mga asilidad, mga gamit sa pag-aaral upang maturuan ang mga batang Imuseno at magkamit ng de kalidad na edukason.

"Pangako ko, "sabi ni Rep. AJ, " bilang inyong kinatawan sa Kongreso na isusulong natin ang ganitong mga inisyatibo para sa kinabukasan ng ating mga kabataan."

At ipinangako niya, lagi siyang kasama ng kabataan at batang Imuseno na maabot ang kanilang pangarap at maging matagumpay na mamamayang Imuseno sa mga panahong darating.

Dagdag ng kongresista, ang proyektong pagtatayo ng mga gusaling paaralan ay katuparan ng naipangakong pag-angat at pag-asenso ng mamamayang Imuseno.

SABI ng ating editorial consultant, Boss Eli Taparan -- na ilang araw na nagpa-confine sa Vancouver Cancer Center -- malaking 'kagaguhan' (foolishness) ang pakulong 'courtesy resignation' ni DILG Sec. Benhur Abalos Jr. na may imprimatur ng kanyang idolo (idolo rin namin) na si Pres. Bongbong Marcos Jr.

Teka, mag-iimport daw ng maraming kilos sibuyas para bumaba ang presyo ng sibuyas, ganu'n na sinabayan ng bagyo na nagpalubog ng malapit nang anihing sibuhay ng ating mga magsasaka, ay kaysaklap na kapalaran.

Bakit foolisg idea ito, naitanong namin kay Boss Eli, e sabi niya, kung may ebidensiya na pulis-droga nga ang isang opisyal e dapat ang ginawa ay kinasuhan sa Ombudsman, o sa regional trial court o sa Internal Affairs Service ng PNP.

Saka, paliwanag ni Boss Eli, walang silbi 'yang courtesy resignation na 'yan kasi may ruling na ang Supreme Court noong 1988 na eto ang sabi: "Courtesy resignation cannot properly be interpreted as resgination in thelegal sense for it is not necessarily a reflection pf s public official's intention to surrender his position."

Iba talagang mag-isip ang aming consultant na lahat ng kaso ng tropa sa piskalya at mga petisyon, memorandum sa RTCs patungkol sa mga problema ng mga weekly publishersay siya ang tumatayong "Atorni-at-last," hehehe.

Saka may ruling na rin daw ang Civil Service Commission (CSC) na 'yang courtesy resignation ay walang bigat o basis sa batas.

Naalaala ni Boss Eli na 'yang courtesy resignation ay pinauso ni Tita Cory Aquino (+) na pinuwersang sinibak sa puwesto ang lahat ng mayor at gobernador at mga civil servants matapos ang kudeta sa tatay ni PBBM.

Sa edad 76, mabuti at di pa nagmimintis ang utak ni Boss Eli -- na ayaw patalo sa sakit niyang cancer.

Prayers po sa inyong maagang paggaling, Boss ET.

"bisyo" niyang magbigay ng ayuda sa mga batang iskolar sa mga bayan ng Kawit, Noveleta, Rosario at Cavite City.

Tama 'yung sabi ni Bishop Eric I. Santos sa amin: Hindi nagkamali ang mga taga Distrito Dos na gawing kongresista nila si dating Vice Gov. Jolo na pinauulanan ng benepisyo, ayuda at iba pang serbisyo sa mamamayang Caviteno.

Pinamamadali niya na gawing regional hospital ang Kalayaan Gen.
