BROTHERS FERRER: CONTINUING THE LEGACY OF EFFECTIVE LEADERSHIP AND GOOD GOVERNANCE

by DOMZ B. CAOILE

Brothers Ferrer, from right, Cong. Ony and Mayor Jonjon with Vice Mayor Jonas Labuguen: GenTri City's Three Gentlemen

As the year 2022 is about to come to an end, so let me express my sincerest thanks and appreciations you to Mayor Luis ' Jonjon' Ferrer IV, Congressman Ony Ferrer, and City Council presiding officer, Vice Mayor Jonas Labuguen and all councilors of the progressive City og General Trias, better known now as 'GenTri City.'

As a working journalist for more than 15 years, I am a witness, yes, a wirness to how the former municipality of GenTri grew to what it is now: dating kakumpol ng mga bayan ng General Mariano Trias, Carmona at Silang, Gentri is now an urban community -- rich, peaceful and livable place for everyone.

Former mayow now Cong. Ony said GenTri is now the fourty largest city in the province of Cavite.

"At patuloy itong lumalago bunga ng maraming businesses and investments na pumapasok sa aming lungsod," said Cong. Ony.

"Today, our population is more than 400 thousand sa dami ng kapwa nating Caviteno at taga-ibang lugar na mas pinili na dito na manirahan," said former congressman, now Mayor JonJon.

Iisa ang kahulugan nito: tunay na inalagaan nyo, Mayor Jonjon at Cong. Ony ang dakilang legacy ng inyong ninuno, si Gov. Luis O. Ferrer Sr (1919-1921) atd Gov. Luis Y, Ferrer Jr. (1941-1944).

You both, Mayor Jonjon and 6th Cavite District Cong. Ony take your passion for Gentrisenos seriously; you really love our kababayang Cavitenos, fellow Filipinos.

Brothers Ferrer and the City Council have sacrificed a lot in service of your beloved GenTri City.

I am a witness how you, as an individual public servant and as citizen and as a group of 'lingkod-bayan' have protected the residents of GenTri City: mula sa pagiging munisipalidad, ito ngayon ay isang maipagmamalaking siyudad ng Cavite!

You made GenTri a very progressive city.

All the city officials, all city employees have given this city a remarkable and inspiring achievement that is amazing, so wonderful.

Sa maraming pagbabago na ginawa at patuloy nyong ginagawa para sa mamamayang GenTrisenos ay hindi ko na babanggitin: your constituents know what have you accomplished, that is why in the past elections, not a single soul have the heart to challenge your leadership, in the city hall and in the hall of the House of Representatives.

The past 2022 elections was a testimony: you all won unchallenged!

And surely, come 2025 elections, no one would ever challenge your outstanding accomplishments.

I am a witness to the great impact of your good governance on topic of people's service during the pandemic: wala pa ang kalamidad, may nakahanda nang ayuda, hindi pa hinihingi, iniaabot na.

Your programs and project on housing, social services, education, health, land use, utilities, livelihood and business opportunities, infrastructure projects, social services, to name just a very few are a testament to your love for GenTrisenos.

What is amazing, you all listen, confer, meet, act on your people's wishes.

Your effective leadership and good governance is remarkable, awesome to say the least.

Thank you for the courage you have shown to resist the pressure to make decisions because of special interest or personal interest.

Let GenTri City always be a model for national collaboration, cooperation, civility and making good decisions.

Mayor Jonjon, Cong. Ony and Vice Mayor Jonas Glyn Porto Labuguen you are now well known as GenTri's Three Gentlemen!

With the healthy collaboration of GenTri's Board Members Morit Sison, Kerby Salazar and all city councilors Atty. Jesseboy Grepo, Jango Grepo, Claire Campana Moral, Kyle Salazar, Jay Columna, Gani Culanding, Jowie Carampot, Atty, Kristine Perdito Vivencio Lozares Jr., Richard Parin, Alfredo Ching and Hernando Granados, we believe GenTri City will surely become the business hub of the province of Cavite in the near future.

We, in this new paper BantayBalita will always support, cooperate and grateful to each of you, GenTri's amazing public servants.

DAMING bad and good news ngayong Oktubre 2022 as I turned 76 years old last Friday, October 07.

Happy birthday to me!

A good friend, Percy Lapid, better known as Percival Mabasa was gunned down Monday evening, Oct. 03 at the gate of his residence in Las Pinas City: hindi ko muna pupuntusan ang pagpatay sa kanya, since the investigation is ongoing at may suspek na raw.

Paalam, 'Tol Percy: Rest in Peace at nawa, makamit mo at ng iyong pamilya ang hustisya.

Ilan pang dating kapatid sa jaryo at brodkas ng nakaraang taon at ngayong taon ang tahimik na lumisan, paalam mga katropa.

Hindi makikialam, lalong hindi gagamitin ang impluwensiya niya, sabi ni kabayang Justice Sec. Boying Remulla sa kaso ng anak niyang nadakip sa isang anti-drug operation. (see full story elsewhere in this issue.)

Tama si Sec. Boying maedad na ang anak at dapat nitong harapin ang kaso na tulad ng isang matinong tao.

Hinahangaan natin si Sec. Boying at Cavite Gov. JonVic Remulla sa kanilang pahayag na hahayaan ang proseso ng batas ang umusig sa kaso ng pamangkin na labis na nagbibigay ng pighati sa kanilang 87-anyos na ina.

I thanked our Dear Almight Father in Heaven for this gift of long life and I can say, I am relatively health and still "bright" like a 50-year old guy (naks, yabang ko, huh!} and continues to produce news, columns and literary pieces on my old HP laptop computer.

I continue to serve as Editorial Consultant to a number of Cavite weekly papersr and an "attorney-out-of-law" to some colleagues who were lucky to be charged with libel suits and other complaints, all of them were dismissed.

If ask by a friend or two to compose legal briefs and motions to judges, okay naman at nakapapasa, kaya ang tawag sa akin ay 'Atorni Ozam" as in 'awesome.'

Last July 12, 2021, I underwent a protate surgery at the Burnaby General Hospital here in British Columbia, Canada and fast recovering from cancer, according to Dr. David Telio, Dr. John Warner, Dr. Gerardo Carpenito and my family physician, Dr. Ali Ghahari.

Sarap ng Permanent Resident Card holder dito sa Canada, kasi Free lahat ang medical services ko, at pati mga gamot, at angi Zoladex hormone injection ko every three months (worth P45K per tusok) ay libre rin.

Isang taon na kailangang tusukin ako ng Zoladex, at uminom ng maraming gamot kontra HB, uric acid at nitong nakaraang mahigit na walong taon na pagbabalik ko rito ay napagaling ang sakit kong- leukemia, baradong ugat sa puso; okey ang ginawang sa akingt lens , eye laser surgery.

Kung sa Pilipinas ako nagpapagamot ngayon, kulang ang P2-milyon sa gamutang ginagawa sa akin.

Ups, Filipino citizen pa po ako, at hindi (pa) Canadian citizenkaya

by DOMZ B. CAOILE, GENE T. TAN

EVERY foundation day of St. Gilbert Myra Academe, Inc. (SGMAI) is significant not only because of the number of years it has served the community but especially to commemorate the school's considerable benefit in the pursuit of world class education.

The SGMAI first opened its doors to the public in 2016 and each year it has been true to its mission to develop the learners beyond intellectual and academic concerns.

In her inspiring short message, SGMAI President Miss Myra Miraflor said that the academe is proud that it has produced students who are God-fearing, responsible. well-rounded, happy and fulfilled persons.

"I believed the SGMAI, together with the help of our faculty and the parents have served well the vision of this instition an effective vessel by using a creative learning curriculum," said President Myra.

In his congratulatory greetings, SGMAI Chief Operations Officer, Sir Gilbert Magnin expressed his joy, saying that in the seven years since its foundation day, the SGMAI have succeeded in enchancing the potentials of all its learners and helped them prepare for the future global challenges.

accredited by the Department of Education (DepEd) since its foundation.

In 2019, the SGMAI was granted recognition and permission by the DepEd to teach its own curriculum for the grades B.K. to G6 and Grades 7 to 11 and since then, has renewed its accreditation every year.

Yearly, the academe has calibrated its teaching and non-teaching staff through continuous training and seminars.

Ms Myra Miraflor and the school management has its own benchmarking system gathered and selected from the Best Educational System of the world, together with the Montessori Approach K to 12 Education System.

Of late, the academe is trying to adopt the Singapore, Fen Lands way of teaching and for this, Ms Myra, said: "We are making sure that our learners receive the best education our learners deserve."

The faculty is composed of competent well-trained Early Childhood Education as SPED educators for Preschool, Grade School and Junior High School, led by a Doctor of Education, Major in Administration and Supervision with 56 years in the field of education and the Dean and Program Directr of E.C.E. and SPED specialization course.

What is amazing is SGMAI offers affordable fees, giving value more to quality Christian education.

Rooms are well-ventilated with an air-condition and well-lighted friendly classrooms.

It has an outdoor play area and half basketball court; and has a well-equipped children's clinic and a well-stocked library with an array of interesting books and other learning materials.

It also has a laboratory, a music room, computer room and a home economics room.

This year, SGMAI adopted a very festive mood during its commemoration of the 7th Foundation Day at its main building in Bella Vista Barangay Santiago, General Trias City, Cavite.

"We had a lot of fun. Tuwang-tuwa ang mga bata, nag-participate sila sa games, coloring book contest among beginners, cooking competition sa mga high school students and other fun-filled activities," said Principal Ana Matre.

The Holy Mass is an integral part of the School Foundation Day initiated by school administrator Ms. Agrifina Miraflor.

On the part of the parents, the fun-filled contests and field competitions were one rare chances they saw their children performed well in sportsman-like spirit and fellowship.

"Napakasaya,... kahit paano, nagkasama-sama kami lahat na nagkakasiyahan, kasama ang school management, at ang mga students who performed enthusiatically with the guidance of their teachers and advisers," a parent told BantayBalita in a chance interview with this paper during the celebration.

"The fun-filled contests, games we witnessed during the two-day event had showcased the learned discipline, teamwork the student were taught, aside from academics. Maraming salamat po sa ating parents at mga estudyante na nag-participate sa ating events," Administrator Ms. Agrifina Miraflor told BantayBalita.

Sir Gilbert Magnin said, this year's foundation day celebration was a very much awaited event.

" By far, this year's celebration was grandest unlike the last two years when all activities were restricted due to the health protocols imposed by the government because of the ill-effects of the pandemic Covid-19," said Sir Magnin.

"We thanked all for this 7th Foundation Day has encouraged family bonding and togetherness. Maraming-maraming salamat po sa ating Faculty, the management and the parents and students as well for this foundation day was a significant occasion," Ms. Myra Miraflor said.

She added: " The commemoration is a reminder to all us about the humble beginnings of this educational institution. Now all can better appreciate the improvements we have worked hard, of course, with the help of our school authorities, parents, and students."

This 7th Year of SGMAI founding celebration is an opportune time to reflect on the legacy of the school that has supported all its alumni, the older and graduating students of this wonderful learning institution.

Happy 7th Foundation Day.

DSWD, PAO, CHR HAHABULIN, BASTARDONG AMA!

BIKTIMA ba kayo ng inyong asawa o nang-iwang live-in partner na may hanapbuhay naman, may sapat na kakayahan pero ayaw magsustento sa kanilang (mga) anak?

Ayon kay DSWD Sec. Erwin Tuldo may memorandum of understanding na sila ni Public Attorney's Office chief Persida R Acosta para matulungan ang mga ina at mga anak na inabandona ng kanilang "bastardong ama."

Sinabi ni PAO chief Acosta, may mga abogado na siyang ini-assign para tumulong sa mga nais maghain ng reklamo laban sa mga ama na pabaya na, ay nambubugbog pa at nananakit sa kanilang anak.

Mga bastardong ama, lagot kayo kay PAO chief, Atty. Persida Acosta

Katuwang nila sa kampanyang ito ang Commission on Human Rights para usigin ang mga paglabag sa Family Code of the Philippines o sa violation of Republic Act 9262 (Anti-Violence Against Women and Their Children) at ng Children Act of 2004.

"Pinaaalalahanan lang natin iyong mga bastardong ama na pwede natin silang kasuhan at hindi lang po sa Central Office, pati po sa Regional Office," sabi ni Sec. Tulfo.

Salamat po, Sir Welfare Sec. Erwin at Atty. Acosta: mabuhay po kayo.

BAGO pa maupo ang Dualan brothers, tumatakbo na ang Pabahay program, job and livelihoodopportunities, maayos na medical service program, lalo na kontra Covid-19 --- na inumpisahan ni Mayor Junio Dualan (ngayon ay vice mayor anf presiding officer of the Sangguniang Bayan) at na tuloy-tuloy na ginagawa ng new administration ni Mayor Raffy Dualan.

Maraming problema ang inihahanap ngayon ng solusyon ng Dualan Brothers kasama ang mga konsehales ng Sanggunian, at nakalulungkot, bago ang 100 days ng kanilang panunungkulan, ang dami nang sinasabi ng mga kritiko.

Pero hindi na iyon iniintindi ng team Aksiyon at Disiplina, at sinisikap nila na mabigyan ng episyente at maayos na pamamahala ang lahat ng residente ng Naic.

Maging ang first world countries tulad ng US, England at iba pang bansa sa Europe, at sa Asiya, nagdaranas ng economic and political crisis.

Working hard for Naic's progress and rapid development: 4th from left. Mayor Raffy Dualan besides Vice Mayor Junio Dualan and members of the Sangguniang Bayan. Mabuhay po kayo!

This is not the time of blaming but the time of cooperation and unity, kasi sabi nga, ang tagumpay ng Marcos administration at ng ating LGUs ay tagumpay ng bawat pamilyang Filipino.

But we are not saying that we abhor criticism; kailangan natin 'yan pero yun pong constructive criticism, na ang layunin ay pumuna para sa kabutihan ng lahat at magbigay ng suggestion para sa maituwid ang sa palagay ay mali.

Your comments ay iparating sa amin, magmensahe sa sarfia926@gmail.com at handa kaming maglingkod sa inyo.

Mabuhay tayong lahat!

Mga dating kaaway na politiko, huwes, piskal, pulis, negosyante, sila ngayon ay pawang kaibigan ko na.

Nagtamo na rin tayo ng ilang karangalan sa malikhaing pagsusulat at ilang ulit ding nabigyang pagkakataon na maging "lecturer" sa highschool at kolehiyo.

Mahigit ding 30 libel suits at iba pang kaso ang naipanalo sa piskalya kaya masuwerteng hanggang ngayon e alive na alive pa, kaya maraming salamat po, Father God sa inyong kaloob na buhay at lakas at matinong isip sa kabila ng aking maraming kasalanan at kabalbalan.

To me journalism is not only a calling but a sweet-bitter journey through life.

Belated happy birthday sa magaling na CEO ng GCTeknik Armoring at iba pang kompanya, Geroge 'Jojit' Cabarloc Jr. (Oct. 03); former Imus CIO chief Jay Saquilayan (Oct. 4) at happy birthday in advance sa aming granddame of Cavite media, former NPC director Ms. Adela R. Zamora (Oct. 29).

Happy 100 days ng mahusay na pamamahala sa Imus City ng aming brand new Mayor Alex ' AA' Advincula. (see elsewhere ang balita sa isyung ito tungkol sa kanyang akomplisment sa aming siyudad).

Sa lahat ng politiko, negosyante, mga kaibigan, kaanak at mgakatropa sa media, maraming salamat po, mula rito sa aking munting kuweba sa Vancouver, BC. Canada.

Munting Alay sa mga Guro

ni May Anne Joy D. Romanes

GURO ang pundasyon ng Kagawaran ng Edukasyon. Pundasyon—dahil kung wala ang guro, walang magtuturo sa mga bata. Totoo naman na hindi lamang guro ang pagmumulan ng kaalaman. Pwede naman matuto ang mga bata ng kanilang aralin mula sa kanilang magulang, sa internet, o kaya mula sa mga makabagong kagamitan.

Ganunpaman, iba pa rin kapag ang guro ang nagturo at nagpaliwanag. Iba ang galing ng guro. Syempre, panahon, karanasan, at walang humpay na pag-aaral ang ilan lamang sa mga puhunan ng guro. Kung minsan nga, pati sariling pera ay napapasama sa puhunan para lang mas mapatuto ang kanilang mga mag-aaral.

Nakalulungkot na sa kabila ng buong husay na pagtupad ng mga guro sa kanilang katungkulan, minamaliit pa sila kung minsan. Tila nalilimutan ng ilan na bago naging guro ang isang guro, siya ay isa munang tao. Tao—na hindi perpekto. Tao—na nagmimithing mapatuto ang kanilang mga mag-aaral. Tao—na marunong ding mapagod. Tao—na nakararanas din ng problema.

Bilang tao, ang mga guro ay kailangan din ang suporta, pagmamahal, at pagpapahalaga. Hindi naman kabawasan ang batiin ng. "Magandang umaga"' o, "Magandang hapon" ang guro. Kung makita ang guro na maraming dala at kaya namang tulungan, hindi naman siguro para ikapagod pa ang pagbibitbit ng ilan niyang dala.

Kung magulo ang silid-aralan, madali lang naman ayusin ito lalo kung tulong-tulong ang mga mag-aaral o kahit pa ng mga magulang. Kakaunting suyo lamang ito para sa maghapong pag-iisip ng guro kung paano mas mapaparunong ang kanyang mga mag-aaral. Maaring sa kakaunting pagpapasaya natin sa ating guro, mas marami pang mag-aaral ang makikinabang sa kanilang angking galing at talino.

Ang mga guro ay biyaya ng Panginoon. Hindi man perpekto, ang mga guro ang mga napili upang magtanim ng binhi hindi lamang ng kaalaman, kundi kabutihan sa mga puso ng mga mag-aaral. Dahil dito, tulad ng mga biyayang natatanggap natin sa araw-araw, dapat natin silang ipagpasalamat at ingatan upang marami pang lalong mabiyayaan.

Ang guro ang tunay na pag-asa ng bayan. Sila ang pag-asa ng kabataang naghahangad ng malalim na kaalaman. Sila ang pundasyon ng Kagawaran. Sila ang biyaya ng Panginoon sa bawat bansa.

Maligayang pagdiriwang sa pinakadakilang propesyon—ang pagiging guro!

Deployment of computer sets to local government units of Cavite

The Provincial Persons with Disability Affairs Office headed by Ms. Marie Shiela Haloc in partnership with the National Council of Disability Affairs (NCDA) carried a ceremonial turnover program of complete sets of computer to some local government units of the province on October 13, 2022 at Cavite Collaboration Center for Public Health, Trece Martires City.

Local government units of Alfonso, Amadeo, Dasmariñas City, General Trias City, General Mariano Alvarez, Kawit, Magallanes, Silang, Tanza, and Trece Martires City received the computer sets which are intended to use for the real-time encoding of PWD data in the Department of Health – Philippine Registry with Disabilities (PRPWD) system.

Through the PRPWD database, all PWDs in the province would be identified and verified quickly and could apply for the privileges and incentives from the government.

Before the conclusion of the program, Cavite products and goods were given to NCDA as token of appreciation.

Present during the program were Mr. Joniro Fradejas, Executive Director of NCDA and Hon. Romel Enriquez, 1st District Board Member and Chairperson on Social Services, Family, Women, Children and Elderly.
