

Marcos hints possible reorganization of Cabinet members

PRESIDENT Ferdinand 'Bongbong' Marcos Jr. on Tuesday, May 9, hinted of a possible re-organization of his Cabinet, exactly one year after he was elected into office and the one-year appointment ban on those who ran in the May 2022 elections.

In an interview with the press at the Meruorah

Convention Center in Labuan Bajo, Indonesia, Marcos said he has thought about reorganizing his Cabinet members as he has already seen who performed well during his first year in office.

"By the end of the first year para maging maliwanag. In a sense tapos na 'yung OJT ng lahat ng tao and we have

seen who performs well and who is – will be important to what we are doing," Marcos said.

"So yes, there's really going to be...I don't know about reshuffle pero reorganization sa Gabinete," he added.

The President arrived in Labuan Bajo, Tuesday

afternoon to attend the 42nd ASEAN Summit and Related Summits from May 9-11.

Marcos recently said he is eyeing to pick additional Cabinet members from among competent individuals who lost in the May 2022 general elections, following the end of the one-year Constitutional ban on Tuesday. | PND

Luzon grid balik normal na: NGCP

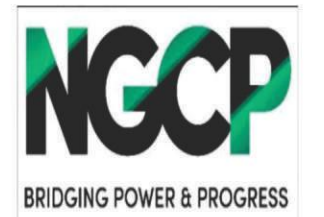

NAIBALIK na ang normal ang serbisyo ng the Luzon power grid was back to normal nitong nakaraang Lunes, Mayo 8, matapos na ianunsyo ng e National Grid Corporation of the Philippines (NGCP) ang 'red' at 'yellow alert mismong araw na ayon.

Ibinalita ito ng NGCP sa isang advisory, alas 8:26 p.m.

Inilagay ng kompanya sa red alert mula ala-1 ng hapon dahil dito, hindi makakayang makakayang masuplayan ng kopyente ang ilang lalawigan sa Luzon.

Unang inianunsiyo ng NGCP ang red alert dahil kinailangang itigil muna ang operasyon ng limang power plant, at ang tatlo pang iba ay mahina ang naisuplay na elektrisidad.

Bandang alas-6 ng gabi, inilagay sa yellow alert -- na ibig sabihin, m a n i p i s a n g nakareserbang enerhiya, gayunman, naibalik ang suplay ng koryente sa ilang parte ng Luzon bago inalis ang yellow alert, sabi ng NGCP./BB Desk

SWS: 41% say publishing gov't criticism dangerous

ALMOST half of Filipinos in a survey agreed it was dangerous to publish anything critical of the government, a recent Social Weather Stations (SWS) poll showed.

The pollster said it aimed "to assess respondents' opinions on the state of press freedom in the country."

It noted that World Press Freedom Day was observed on May 3.

The SWS survey

showed that 47 percent of Filipinos believed it was dangerous to print or broadcast content critical of the current Marcos administration, even if it was the truth.

Some 27 percent of Filipinos were undecided, while 26 percent disagreed with the statement.

"The resulting net agreement score of +20, classified by SWS as moderate, is 4 points below the moderate +24 in

December 2021," the SWS said.

The highest number of respondents who said it was still dangerous to publish content critical of the administration came from Metro Manila, followed by the Visayas, Luzon, and Mindanao.

However, net agreement scores in Metro Manila and Visayas fell in the recent survey compared to the figures recorded in December

2021, during the administration of former President Rodrigo Duterte.

In Metro Manila, the number of people who said it was dangerous to publish anti-administration content fell to +28 from +41 in December 2021, while the number in

Visayas also decreased to +23 from +36.

SWS conducted the survey from Dec. 10 to 14, 2022, using in-person interviews for 1,200 adults nationwide: 300 each from Metro Manila, Luzon, Visayas, and Mindanao.

The pollster also

clarified that the survey was non-commissioned, and was only done on SWS' own initiative and released as a public service.

The Philippines climbed up 15 spots in the 2023 World Press Freedom Index released by Paris-based Reporters Without Borders (RSF), ranking 132nd out of 180 countries.

MPTC Units Gear Up For Road Safety Month

METRO Pacific Tollways Corporation (MPTC), the leading mobility infrastructure and solutions provider in the Philippines, joins the country in celebrating the road safety month with 'Mission: Road Safety'.

MPTC is undertaking this initiative to reinforce its expressways' road safety mission based on the 3 pillars of safety – safe self, safe vehicle, and safe roads.

"Mission: Road Safety" institutionalizes road safety awareness seminars and digital information campaigns to educate the general and motoring public, ensuring

their safe journey along MPTC expressways in Luzon and Visayas— NLEX, SCTEX, NLEX Connector, CALAX, CAVITEX, CAVITEX C5 Link, and CCLEX (Cebu-Cordova Link Expressway).

The United Nations Economic and Social Commission for Asia and the Pacific (UNESCAP) cited that an average of 345 daily fatalities is caused by transport accidents in the Philippines.

"Road safety is at the core of Metro Pacific Tollways' business," MPTC President and CEO Rodrigo Franco said.

He said that the MPTC have advanced protocols in

place to avoid untoward incidents.

"We have responsive on-ground and 24/7 hotline personnel to ensure that our motorists are well attended to, expressways that are built for safety, and employees who have passion for innovation to explore more ways to better serve our stakeholders," Franco added.

MPTC units NLEX Corp. and Metro Pacific Tollways South (MPT South) have already established their efforts in the road safety awareness scene, through respective flagship programs Biyahero Road Safety

Caravan and Drayberks Drive Road Safety Seminars.

These programs intensified education on proper expressway driving, traffic rules and regulations, importance of vehicle road worthiness, and preparation of the driver (self) and their passengers.

Cebu Cordova Link Expressway Corporation (CCLEC)'s advocacy program dubbed Istorya Ta Bai! cultivates safe driving habits and orients motorists on key safety features of Cebu's iconic toll bridge CCLEX.

To further strengthen

its efforts, business units target various stakeholders that they can tap to amplify MPTC's safety mission.

NLEX Usapang Driver is a forum aimed at educating drivers from bus and trucking companies on safe expressway driving.

To date, over seven bus and 13 trucking companies have participated in this program. The unit also has Kaligtasan sa Daan (KalSaDa) road safety education program targeted for its community partners and neighboring barangays.

Last November 2022, NLEX and Paramount

Consumer Products launched the 'Nickelodeon Safety First with PAW Patrol' campaign showcasing messages of safety for children.

The safety messages can be seen on toll plaza banners and billboards along NLEX's extensive road network until June 2023.

MPT South's Bayani ng Kalsada (BayaniKa) is a program that teaches kids about road signs and familiarize them with road safety measures, particularly on expressways.

Since its inception in 2022, over 800 school children from host communities have benefitted from it.

NEDA recognizes DOST-PCHRd for successful implementation of HearTNovation Hubs

THE NATIONAL Economic and Development Authority (NEDA) recognized the Department of Science and Technology - Philippine Council for Health Research and Development (DOST-PCHRd) for the successful implementation of the HearTNovation Hubs (H-Hubs) Program during the National Innovation Day celebration last 28 April

2023 at the Philippine International Convention Center (PICC) in Pasay City.

Funded under NEDA's 2022 Innovation Grant, the establishment of the H-Hubs aims to provide an environment that will support innovators from health institutions in developing their technologies and in linking them with potential partners for eventual

transfer, adoption, or commercialization.

It is an expansion of the currently implemented TEKI (Technology Transformation and Empowerment of Knowledge Generators and Innovators) in Health Program.

The DOST-PCHRd is currently conducting H-Hub's first call for proposals from Filipino-

owned hospitals, academic or health institutions, and member institutions of Regional Health Research and Development Consortia (RHRDCs).

Successful grantees under the program may avail of the following services: 1) grant funding for the design and implementation of health-focused pre-commercialization support programs for research innovations; 2) capacity building and information dissemination activities; and 3) networking and matching events.

Joanna America, DOST-PCHRd's head for the Intellectual Property and Technology Management (IPTM) unit said the program aims to encourage Filipinovation in health.

"The grant program will help support the establishment of the H-Hubs that will facilitate the pre-commercialization

activities of health innovations for eventual commercialization and contributing to the overall goal of a healthy Filipino nation," America said.

For his part, DOST-PCHRd Executive Director Dr. Jaime C. Montoya expressed his heartfelt thanks to NEDA for supporting our vision of advancing technology transfer in the field of health research.

"Consistent with our mission of making lives better for the Filipino people, it is our hope that through programs such as the H-Hubs, we can make sure that R&D initiatives in health are eventually translated to serve the needs of our communities," Montoya said.

Interested applicants for H-Hubs may submit an intent letter of application to iptm@pchr.dost.gov.ph addressed to DOST-PCHRd's executive director. Applications should be submitted on or before 31 May 2023.

HOW I wish, umabot ako sa edad na sandaan (100) taon, sana po, Father God.

Noon pa, kilala na po natin si General Trias City Mayor Luis 'Jonjon' Ferrer 4th sa pagiging mabait, lalo na sa mga 'queen-ager' na tulad ko, kasi po, pag tayo po ay bumibista sa opis niya, di pa ako naglalambing, siya ay nagbibigay sa akin ng pang-food.

Kaya nga, isa ako sa natuwa nang iabot ni Mayor Jonjon ang cash gift na Php P100,000 kay lola Victoria Mascardo ng Barangay Santiago na napakapalad na nagdiwang ng kanyang ika-100 birthday noong nakaraang Pebrero 14, 2023.

Kasama ni Mayor Jonjon ang mabait na Vice Mayor Jonas Labuguen, committee chairman on senior citizen affairs; Councilor Jowie Carampot at si ma'am Gigie Ferrer ng Office of Senior Citizen Affairs Office (OSCA).

Ang maganda po, nagbigay ng P5,000 one-time cash sa mga 80-year old seniors at 'yung 90-year old, sila ay tumanggap ng P10,000 one-time cash gift mula sa GenTri LGU.

Sabi ni Mayor Ferrer, ang cash gifts ay bahagi ng pagkilala sa naging ambag ng mga seniors sa lungsod noong kasiglahan nila, at pagsunod sa utos ng City Ordinance 19-19

and City Ordinance 16-13. Ang pamimigay ng cash gifts ay nangyari nitong Lunes, May 8 sa GenTri Park Pavillon sa Brgy. San Juan.

Hindi lang po ang mga tulad kong seniors ang kinakalinga ng GenTri LGU, pati po ang mga cute na chikiting na laging binibigyan ng free medical services, vaccination na panlaban sa polio, rubella, tigdas kaya lagi nang may coordination sa Department of Health (DoH).

Iba nga ang maagap sa pagbibigay ng bakuna, kasi sabi nga ni Vice Mayor Jonas, mas effective ang prevention kaysa mismong gamutan.

Dapat nga nating ang mga bata, kasi sila ang magmamana ng lipunang ito, kasi po, sabi ni Vice Mayor Labuguen, "Let us protect our children, they are our treasure!"

Kaya may paalala sila sa mga magulang na magtungo sa nearest

At may paalala si Mayor Ferrer sa publiko na kahit nabakunahan na, posible pa ring mag-infect ng Covid-19. kaya ang bilin niya, kailangan na sumunod pa rin sa maximum public health standards.

Kung nasa mataong lugar, magsuot pa rin ng facemask at laging magwash ng kamay o gumamit ng disinfectant.

Kung may nararamdaman ng sintomas tulad ng lagnat, panakit ng lalamunan, panakit ng kalamnan, madaling mapagod at sipon, at sa mga nabakunahan na, magpa-booster.

Mayo: Farmers and Fisherfolks Month

BUWAN NG MAGSASAKA AT MANGINGISDA

Masaganang Agrikultura, Maunlad na Ekonomiya

MAYO 2023

ISANG buwan ng selebrasyon ang ginaganap ngayon para bigyang pasasalamat at papurihan ang lahat ng magsasaka at mangingisdang Filipino.

Inihayag ng Department of Agriculture-Bureau of Fisheries and Aquatic Resources (DA-BFAR) na ang buong buwan ng Mayo ay tatawaging Farmers and Fisherfolks Month.

Kaugnay nito, nakilala ang Samahan ng mga Magsasaka at Mangingisda ng Eloy Dam (SMMED) ng Barangay Palangue, Naic, Cavite sa ginaganap na selebrasyon.

Nagpasalamat ni Joy Tapanan, chairman ng SMMED ang DA-BFAR, ang pagkilala nito sa "mahalagang papel at kontribusyon ng mga bayani sa bukid at palaisdaan na walang humpay na nagtatrabaho sa ating kalupaan at karagatan."

Ang selebrasyon ay may paksang "Masaganang Agrikultura, Maunlad na Ekonomiya", ayon sa DA-BFAR.

Sabi pa: "Halina't ipagdiwang at iparamdam ang ating pagsaludo sa mga bayani ng sektor ng pagsasaka at pangisdaan."

Binhing buhay sa pamilyang Filipino: Joy Tapanan

Ang pagdiriwang, ayon sa DA-BFAR ay pagkilala rin sa napakahalagang papel ng sektor ng pagsasaka at pangisdaan bilang katuwang ng pamahalaan sa pagtiyak ng sapat na suplay ng pagkain, pagpapaunlad ng ating ekonomiya,

paglaban sa kahirapan, at pagtiyak sa seguridad sa pagkain sa bansa.

Umaasa ang SMMED ng Barangay Palangue na patuloy na magbibigay ng tulong na binhi sa bukid at pangisdaan ang DA-BFAQ-Region 4-A upang maparami ang ani na makatutulong sa pagtiyak na laging may pagkain sa hapag-kainan ng pamilyang Filipino.

"Muli ang aming pasasalamat sa pagkilala sa mahalagang ambag ng sektor ng pagsasaka at pangisdaan sa nais na food security ng ating bansa," sabi ni Tapanan.

Pinasalaman din ng SMMED si Naic Mayor Raffy Dualan at Vice Mayor Jun Dualan at ang buong LGU sa mga programang tumutulong sa mga magsasaka at mangingisda.

"Kami po sa SMMED ay nagpapasalamat po sa inyong walang sawang pagtulong sa aming maliit na manggagawa sa lupang sakahan at pangisdaan," sabi ni Tapanan. /GENE T. TAN

Kadiwa helps the needy: BSP official

BANGKO Sentral ng Pilipinas (BSP) Monetary Board (MB) member Bruce Tolentino highlighted on Tuesday, May 10 the importance of the rollout of the government's Kadiwa stores in the country.

"The Kadiwa program is an important measure that quickly responds to the food insecurity suffered by depressed communities and groups requiring short-term food assistance," Tolentino said.

The Kadiwa, Tolentino said is also a useful measure to introduce high nutrient foods to malnourished populations, especially children and lactating mothers.

He added that if the program

Bruce Tolentino

is expanded, hopefully the Marcos administration will find a way to achieve its vision of giving Filipino farmers, fisherfolk and MSMEs (micro, small and medium enterprise) an opportunity to generate more income through direct farm-to-consumer trade

through the program. The Kadiwa is a farm-to-consumer market chain program of President Ferdinand R. Marcos Jr. that eliminates

intermediaries, allowing local producers to sell directly to consumers at affordable prices. There are already more than/PND

Happy Mommy's Month...; maraming salamat po, Pinoy farmers, fisherfolks

TATLONG mahahalagang selebrasyon pala ang ipinagdiriwang natin ngayong buong buwan ng Mayo -- na so hot, kaya ingat po tayo, mga kabayan.

Buwan ng mga nanay na kung wala si Mommy, si Nanay, si Momsie, 'Nay, patay na ang mundo natin, kaya sa inyo, Happy Moms Day na kayo ay sabi nga ng Beatles, 8 days a week kung magserbisyo sa amin.

At wala kayong pay, bonus, 13th month pay, at iba pang amenities, at pag inaway nyo ang mga momsies, ay lagot, parang tigress sa pagtatanggol sa kanyang mga anak, pamilya.

Ipinagdiriwang din, this month of May ang World Press Freedom na ayon sa Committee to Protect Journalists (CPJ), ang Pilipinas kong mahal ay ikapito sa mundo na ang journalist ay "living dangerously."

Since 2021, ayon sa CPJ, marami sa kasong pagpatay sa mamamahayag ay unsolved, at ang pinakahuling biktima ay ang kapatid nating si Ka Percy 'Mabasa' Lapid na host ng Lapid Fire na pinatay Oktubre ng nakaraang taon.

April 6, 2014 pinatay sa kanyang bahay sa Talaba, Bacoor City ang aming kapatid, Rubielita 'Rubie' Garcia na kolumnista ng Remate at weekly paper publisher dito sa Cavite.

Since then, wala nang nabalita sa kaso ng mga dinakip na suspek -- kung naabsuwelto ba o naparusahan.

Marami pang kaso ng pagpatay sa kapwa namin mamamahayag rito sa Cavite, lahat ay unsolved at ang sensational na Maguindanao massacre noong nobyembre 23, 2009, pinaslang ang 32 journalist sa 58 tao bunga ng alitan sa politika.

Up to present, walang malinaw sa kasong ito, at ang tanong sa akin, bakit sa kabila na peligroso ang buhay mamamahayag, ito pa ang "nakahiligan" ko na propesyon at hanapbuhay.

It's a passion para sa akin, at hindi naman po ako tulad nina Ka Percy na matapang at kritiko na tulad ng iba ryan.

Marami ang

REVANZE

by Domz B. CAOILE

naniniwala na ang pagpatay, hindi lamang may kaugnayan sa trabaho o propesyon namin, may mga personal na dahilan, mga away ang sanhi ng krimen.

Hindi po ako kasing-tapang ng aming associate publisher cum editor, si Boss Eli Taparan na noong magretiro bilang

editor ng maraming daily newspaper at weekly magazine, madalas ay nasa piskalya para humarap sa mga kasong libelo, grave coercion, incriminating innocent person, unjust vexation at iba pa -- na lahat ay abswelto naman siya.

Na-master na yata ni Boss Eli kung paano idedepensa ang sarili sa ganyang mga kaso sa loob ng mahigit na 40 taon na pagiging journalist niya mula 1970 bilang campus editor hanggang sa pagmap-manage ng malalaking media company.

Ako po, aaminin ko ay batambata pa, "uhugin" pa at ngayon lamang nag-uumpisang "tumapang" sa pagsusulat.

Bakit may nakakasuhan at nahahatulang guilty sa

kasong libelo?

Kasi, sa hatol ng korte, malisyoso, hindi totoo, kabulaanan at panirang puri nga ang isinulat nila o naibalita o sinabi sa kanilang mga kolum.

Maraming politiko na nakausap ko, karanasan nila ang mga journalist na sinisiraan sila, para "kikilan" at pag hindi nagbigay, todo kung banatan.

Personal daw at hindi propesyonal ang marami pero kung ang bumibira sa kanila ay isyu at may kinalaman sa trabaho, wala silang sama ng loob sa mga kapatid sa pamamahayag.

Humahanga pa nga sila, sabi ng isang kaibigang politiko, sa mga gayong journalist na propesyonal, maginoo at responsable sa pagsusulat.

Nangyayaring

nakikipagkaibigan sila at ipinaliliwanag ang mga isyu at nauui sa mabuting samahan at kung mabanatan uli, "kasama iyon sa trabaho namin kaya okay lang," aniya.

Sa mga kapwa ko journalist, mahalaga ay maging parehas tayo, lagi tayong pumanig sa totoo at kung hindi sigurado ang balita o sumbong, 'wag masyadong kritikal, lalo na kung ang nagbabanatan ay mga politiko.

Always, maging parehas tayo at bigyan ng pagkakataon ang inuupakan na ibigay ang kanyang panig at iwasan ang maging malisyoso sa pagsusulat.

Hindi lang tayo dapat bumabatikos dahil gusto lang nating bumanat, kung kailangang purihin, hangaan ang isang public servant, ating gawin: maging kapartner tayo ng mga taong gobyerno sa pagpapatibay ng tiwala ng taumbayan na suportahan ang pamahalaan at ang

ating demokrasya.

Pero kung may pagsikil sa ating freedom of the press, of expression and of assembly, ating itaas ang bandila ng malayang pamamahayag.

Iral ang tiwaling gobyerno kung magiging pipi, bingi at bulag ang mamamahayag.

Mahalagang haligi tayo ng matatag na bansa at tayo sa pamamahayag ang magsasatinig sa naisin, aspirasyon ng taumbayan.

Ngayong Mayo, ating sinasaluduhan ang ating mangggawang bukid, manggagawa sa pangisdaan at ang lahat ng matitikas na lalaki at babae na nagpapagapagod para lagi tayong may pagkain sa ating mga mesa.

Mabuhay po kayo, all farmers and fisherfolks, livestock producer ng bansa.
