ECSTATIC for receiving a high 88.85 percent rating from the latest survey of RP-Mission and Development Foundation Inc. Salt can open up opportunities for livelihood in coastal communities

DEPARTMENT of Science and Technology (DOST) undersecretary for regional operations, Engr. Sancho A. Mabborang recently graced the "Immersion on Salt Production and Blessing of Salt Facility" activity in Uyugan town in Batanes Province.

The salt production facility was funded through the DOST's Community Empowerment thru Science and Technology or CEST Program. The project was implemented by DOST – Region 2 led by regional director, Virginia Bilgera in partnership with Mayor Jonathan Nanud Jr. of LGU Uyugan.

USec. Mabborang emphasized how salt can open up a sea of opportunities for the livelihood of coastal communities and for the economic growth of an archipelagic nation like the Philippines. He also echoed DOST Secretary Renato U. Solidum Jr.'s commitment to utilize science, technology and innovation (STI) in reviving the country's salt industry, in line with the agency's mantra of #OneDOST4U.

According to DOST Provincial Science and Technology Centers (PSTCs) Batanes Provincial S&T Director Nora Garcia, the project will further expand and improve livelihood opportunities for residents, especially in the production of the one-day old "dibang" (flying fish) that uses salt as a vital component.

Mayor Nanud Jr. on the other hand, thanked DOST for the assistance provided through the project and assured his support to more initiatives of the department in the municipality.

As part of their exposure visit in the province, DOST 10 staff also joined the activity led by regional director Engr. Romela Ratilla.

"The so-called protracted war must end," she said during a task force meeting in Malacañang.

"This is a show of force — a clear, strong, and powerful statement and warning — against the enemies of the state who slaughter civilians and Indigenous Peoples, abduct and murder and execute members of our security forces, and attempt to pin down our progress as a nation through their ideals anchored on brainwashing, fear, and terrorism," she added.

Human rights group Karapatan, however, slammed the designation of Duterte, describing her as a "serial and notorious redtagger."

Karapatan said that the appointment of Inday Sara " only shows the greater need for the abolition of this TF (task force) that has been responsible for numerous cases of human rights violations."

constituents, thereby strengthening the democratic process.

In his assessment, Dr. Martinez said that these evaluations enhance transparency in public service and they offer a clear, unbiased view into the work of city mayors, making their actions and decisions more understandable and accessible to the public they serve.

"xxx most importantly, these evaluations are the bedrock of good governance. They ensure that city mayors are effective in their roles, fulfill their responsibilities, and ultimately contribute to the betterment of their cities and the nation," Martinez said.

The "Top City Mayors-Region 4[A] (Calabarzon)" survey was part of the national poll "RPMD's Boses ng Bayan" by RPMD, a nationwide survey performed per district in every region with a total of 10,000 respondents who were registered voters.

The respondents were randomly chosen and the survey a sampling margin of error is ±1 percent with a 95 percent confidence level.

"Isine-share ko po ang recognition na ito sa mga kasama ko sa city government, sa aming mga kababayan at ito po ay magsisilbing inspirasyon pa namin upang mas maging efficient, effective sa aming paglilingkod sa ating kapwa Caviteno," said Mayor Reyes Chua./ **DOMZ B. CAOILE**

Okay lang palitan siya, sabi ni Deputy Speaker GMA

'YANG palitan ng puwesto sa Kamara at sa iba pang sangay ng gobyerno ay bahagi ng politikang Filipino.

Inihayag ito ni dating Pres. Gloria Macapagal-Arroyo kasunod ng pagkaalis niya bilang senior deputy speaker of the House of Representatives.

"It was the prerogative of the House to replace her," sabi ni GMA.

Nanatiling deputy speaker ang dating presidente na pinalitan siya ng kababayang si Pampanga Rep. Aurelio Gonzales na inihalal na senior deputy speaker, Miyerkoles, Mayo 17.

'My first reaction was that it is always the prerogative of the House to make changes in its leadership structure. Thus, I congratulate Dong, and I

hope his new position will help him fulfill his mandate to represent our fellow Kapampangans,"paliwanag ni Arroyo.

Aniya pa, hindi nagbabago ang suporta niya kay Speaker Martin Romualdez at susuportahan niya ang legislative agenda ni Presidente Bongbong Marcos./ **ADELA R. ZAMORA**

Prangkisa ng telcos, rebyuhin

MY CUP OF COFFEE

by Henry E. CAOILE

NAKAPAG-REGISTER na ba kayo ng inyong gamit na subscriber identificaiton module (SIM) card?

Ewan ko pa bakit ang bagal ng dalawang giant telecommunications company natin --ang Smart at Globe.

Daming kapalpakan nito, pero ang ating masisipag na senador, representative ay parang tinatamad na busisiin o rebyuhin ang prangkisa ng dalawang ito.

Mayroon tayong Department of Information and Communications Technology (DITC), Phiippine Competition Commission (PCC), at National Telecommunication Commission (NTC) na may mandato na bantayan, tingnan at ipasunod ang batas ng prangkisa ng Smart at Globe telecoms, pero walang nararamdamang magandang trabaho para sa publiko.

Karaniwan nang karanasan na kung prepaid SIM ang gamit mo, magload ka ng P100, aba, ilang text lang, ubos na, ninakaw at pag nagtanong ka, sasabihin ay inubos mo na o nagkaroon ng glitz.

Ang ninakaw na load mo, hindi na ibabalik at ilang libong consumers ang nananakawan ng load ng kompanya na pag kinuwenta, milyones peso na income na nila ito.

Tapos, yung internet service nila, kukurap-kurap, mahina na, mabagal pa na ang laking perwisyo sa trabaho, negosyo at sa pag-aaral ng mga bata, lalo ngayon ay babalik na uli sa online teaching mode ang mga estudyante.

Madalas, wala o mahina ang suplay ng koryente,

Ang laki rin ng kinita nila sa ibinentang mga gadget na pocket wifi at pangakong mabilis na signal, na wala ring silbi, nabuwisit ka na, nagastusan ka pa.

Eto pa ang pambubuwisit ng mga telcos: kung postpaid ka at hindi ka nakabayad dahil nawalan ka ng trabaho o nakalimutan mo lang magbayad, agad putol ang linya mo at padadalhan ng ng pananakot na sulat ng kanilang legal department na kakasuhan ka ng estafa at kung ano-ano pang pananakot.

Pero pag sila ang palpak -- nanakaw ang load, mahina ang signal e ni kapirasong apology o "Sorry po," wala nang matatanggap sa kanila.

Pag sila ang mali, wala lang, pero pag ang tulad nating nagtitiyaga sa pre-paid at nanakawan ka ng load, wala lang sa kanila at hindi ibabalik ang naiload na P20, P40 o P100 mo.

Estafa ito sa pagkaalam ko, kasi nagbayad ka pero hindi mo natanggap ang tamang serbisyo, di ba panloloko ito, Smart at Globe?

Hindi lang ang dalawang ito ang loko, maging ang ilang small player tulad ng Converge, Verizon, Singtel,Tata Communications. Sprint. Telstar at iba pa, ganundin ang serbisyo: mabagal na internet speed, o putol-putol o mahinang signal.

Sen. Jinggoy Estrada

Rep. Luis Campos

Mga estapador!

@@@

Teka po, totoo ba itong Senate Bill (SB) 2074 mo, Sen. Jinggoy Estrada, aba maganda ito kung magiging batas, kasi protektado kaming malilit na consumer.

Kasi po, sa panukala ni Estrada, uutusan, oobligahin ang mga internet service na ayusin ang kapalpakan nila at mabilis, walang rekisitosna na i-refund ang ninakaw na load at ang di natanggap na serbisyo ng mga postpaid at prepaid subscribers.

Sa House, may ganito ring panukala si Makati Rep. Luis Campos, ito ang

Kasal na may 'expiration date,' pwede ba 'yon?

Sa Ganang Akin

by Adela R. ZAMORA

'YUN pinagsama ng Diyos, hindi maaaring paghiwalayin ng tao: ito ang argumento ng mga tutol sa diborsiyo.

Ngunit may nabasa ako na kung ano tali na inalis o kinalagan na sa lupaa -- ng mga taong may otoridad, maaaring sa simbahan o sa gobyerno --, ito ay kinakalagan din sa langit.

At kung ano nga ang itinali o ibinuhol (sa pamamagitan ng matrimonya), iyon ay itinatali rin sa langit.

May sinasabi pa sa Biblia, kung ano ang kay Caesar ay kay Caesar nga at ang sa Diyos ay sa Diyos, ibig sabihin, ang Caesar ay tumutukoy sa gobyerno at ang sa Diyos ay ang Simbahan o ang pangkat ng relihiyon.

Ibig sabihin, dapat igalang ng tao ang gobyerno na naitatag pagkat ang utos ay maging masunurin sa batas ng pamahalaan.

Kaya balik tayo sa isyu kung kailangan ba ang diborsiyo, paano nga kung kasal sa pilit, kumbaga ay 'shot gun wedding' na isa o dalawa sa ikinasal ay hindi naman totoong nagmamahalan?

Paano kung ang isang rape victim ay napilitang pakasalan ang sa kanya'y gumahasa, at ipinilit lamang ng pamilya?

Paano kung ang lalaki ay iresponsable, adik, nambubugbog sa asawa o ang ama ang siya pang umaabuso sa (mga) anak na babae?

Ang mga ganito bang kasal ay pinagsama ng Diyos o pinagsama ng tao, ng tradisyon o ng iba pang di-maiiwasang dahilan?

Resulta nito, failed marriages at maraming mag-asawa na nagkasundo na maghiwalay na, at maayos namang nabubuhay sa piling ng iba nilang "asawa?"

Mariing tumututol sa diborsiyo ay pangkating relihiyon, lalo ang Simbahang Katoliko, pero may pinaiiral ito na paghihiwalay, ayon sa kanilang mga turo.

Tutol ang Simbahan sa diborsiyo pero bakit pinapayagan nila ang diborsiyo kung ang nagnanais nito ay mga kilala at makapangyarihang tao, alam natin na maraming celebrities ang pinayagan ng Simbahan na maghiwalay at pormal na pinagayan ang diborsiyo.

Sa mga kapatid na Muslim, pwede ang diborsiyo ayon sa Sharia law, at ilang relihiyong Kristiyano ay pinapayagan ang paghihiwalay ng mag-asawang di pareho o magkaiba ng pananampalaya.

Kung nasasakripisyo ang buhay at kapakanan ng mga anak dahil sa madalas na awayan at pag-abuso sa loob ng pamilya, hindi ba dapat na mas proteksiyon ang mga supling at hindi ang sinasabing "kabanalanan" ng matrimonya ng kasal?

Ano'ng kabanalan sa pagsasama kung ang mag-asawa ay nais nang mahiwalay at nagpapatayan na, hindi ba ang nasasakripisyo ay ang buhay at kinabukasan ng kanilang mga anak -- na sila ang unang-unang dapat na proteksiyon ng batas at ng estado?

Pero ang maysalapi, kayang gumastos ng malalaking halaga, madali lang basagin ang "kabanalan" ng kasal sa pamamagitan ng paghaharap ng petisyon sa korte, ito ang annulment o nullity of marriage.

Annulment ay pagwawalang bisa sa kasal kapag napatunayang may panlilinlang, may sakit sa isip at pisikal ang isa o ang dalawang ikinasal o may mapatunayang ang mga dokumento ay peke o pari, ministro o ang nagkasal ay walang lisensiya o otoridad at kapangyarihang magkasal.

Marami pang dahilang maihaharap sa hukuman ang nais pawalang bisa ang kasal sa utos ng hukuman.

Kung sa tingin ng batas at ng hukuman sa simula pa lamang ay walang nangyaring kasal, ito ay tinatawag na nullity, ibig sabihin, walang nangyaring kasal sa simula pa lamang/

Maraming dahilan at ebidensiyang maihaharap ang nais na pawalang bisa ang kasal sa paraang nullity of marriage.

Isang mambabatas ang naghain ng panukalang lagyan ng expiration ang kasal, ibig sabihin kung sa loob ng ilang taon nang pagsasama -- maaaring 10 o 20 taon -- naramdaman ng mag-asawa na wala nang namamagitang pagmamahalan sa isa't isa, isa ay maaaring magharap ng petisyon na pawalang bisa ang kasal sa dahilan ang bisa niyon ay "expired" na.

Pero kung nagmamahalan, matiwasay ang pagsasasama, kahit "expired" na ang bisa ng kasal, maaaring ipagpatuloy ang pagsasama o kaya ay muling magpakasal, ayon sa kanilang pasiya at kagustuhan.

Ano po, handa na ba tayo sa diborsiyo?

Successful visits of the Assyrian Church of the East delegation...

PARISHIONERS and faithfuls of the Eastern Catholic Church in Cavite has many reasons to be happy and joyful these days.

One reason was the successful visits of Assyrian Church of the East delegation to the Eastern Catholic Church in the Philippines led by His Beatitude Mar Agwin Kuriakose of Metropolitan of India together with His Grace Mar Elya Isaac, Bishop of Iraq and His Grace Benyamin Elya, Bishop of Australia.

Other reasons was the spiritual visits of the Assyrian Church delegation to some Oikos in the province with the aim to foster unity and establish a warm and caring congregation.

In his message to the faithfuls in a Diocese in the City of Bacoor, His Beatitude Mar Agwin Kuriakose said he hopes that their visits would cement relationships between pastors and their members.

Spiritual unity and brotherhood relationships are vital in Christian ministry, His Beatitude Agwin said as he encouraged members of the church to visit one another.

Pastoral visits would certainly produce positive results.

Likewise, His Grace Mar Benyamin Elya, in his message said that pastoral visitation is key to communicating the relevance of stewardship.

He explained that there is no better motivation to giving than for the pastor to provide members with effective pastoral care through preaching and visitation.

For his part, His Grace Mar Elia Isaac, Bishop of Iraq, Ukraina and Georgia said that religious and spiritual growth can also be achieved through visiting others as it strengthened one's faith in God, in Lord Jesus Christ and the promise of salvation.

In return, Bishop Leocito S. Gabo, Metropolitan Bishop of ECC Philippines expressed his esteem gladness for the honorable delegation for their Christian love to the brethren in the country.

Bishop Gabo said that the visits has enable to keep the need of unity of leadership of the Catholic Eastern Church and it is a testament of pastoral cares of the visiting Assyrian Church delegation.

Further, Bishop Gabo said that His Beatitude Kuriakose's delegation visits are liken to a pastor who only true love and care of the condition of members of the church by being with them.

In a reply to these spiritual exhortations, Bishop Eric I. Santos of the Eparchy of Buen Suceso in Cavite said that the visits has lifted the faithfuls of their spirit of evangelism and steadfast in communicating the gospel of Lord Jesus Christ, the only Son of God who gave His life as a sacrifice for the the sins of the believers in salvation.

Jesus Christ death and resurrection has ensured eternal life for anyone who believes.

The present communities that were visited were: Oikos of St. Martin de Porres, Panapaan, Bacoor; Oikos of Blessed Family of Nazareth, Kaingen, Bacoor; Oikos of Our Lady of Fatima, Pinagkaisa, Toclong, Kawit (host); Mission of St. Joseph, the Worker, Boston Heighst Subdivision, Toclong, Kawit and the Mission of the Holy Child in Naic, Cavite./**ERIC IGNACIO SANTOS**

Prangkisa ng telcos... *mula sa p.3*

House Bill (HB) 7479 na magmumulta ng Php 1 million a day (o Php365-m) ang telco na masama ang serbisyo.

Sana po, rebyuhin nyo ang prangkisa ng mga telcos at ang ating gobyerno ay magtayo ng sariling national broadband na malakas ang internet speed.

Sayang yung programa noon ni dating Pres. Gloria M. Arroyo na national broadband na iniskandalo ng anomalya raw, na sabi ay kagagawan ng malalaking negosyante.

Kasi magiging kakumpetensiya nila ang gobyerno, totoo ba ito, Smart, Globe?

Alam nyo na sa 10 ASEAN countries, ikalawang kulelat sa internet speed ang Pilipinas sa 18.94 megabytes per second (Mnps).

Sa panukala ni Sen. Jinggoy, oobligahin na agad bigyan ng refund credit ang isang customer na di naserbisyuhan sa loob ng 24 oras o higit pa sa loob ng isang buwan.

Kasi, katwiran ni Estrada, dapat ngang ibalik ang pera o serbisyo na hindi naman natanggap o napakinabangan.

Kung bumili ka ng mangga na bulok pala, di ba iyon ay pinapalitan ng sariwang prutas o isinasauli ang ibinayad?

Ganon din dapat ang ginagawa ng telcos at sana noon pa ang batas na ito, kasi sa mahabang taon ng mga 'nanakaw" na load at serbisyong hindi naibigay, bilyones pesos ang kinita ng mga telcos, tama po ba?

Tama si Rep. Campos, pagbayarin, pagmultahin ang mga lokong estapador na telcos.

Kasi sa prangkisa ay iniuutos na ang connection services ay dapat laging " regular, reliable, consistent, uninterrupted, and fast to allow continuity of activities and interconnection among different users."

O, magpakitang gilas kayo riyan sa NTC, PCC at sa DITC, ang kamal-kamal ang sweldo nyo, alawanses, e super tamad naman kayong kumastigo sa inutil na serbisyo ng mga telcos.

Magsilbi naman kayo nang matino, mga bossing!

Proteksiyonan ang ating kabataang babae

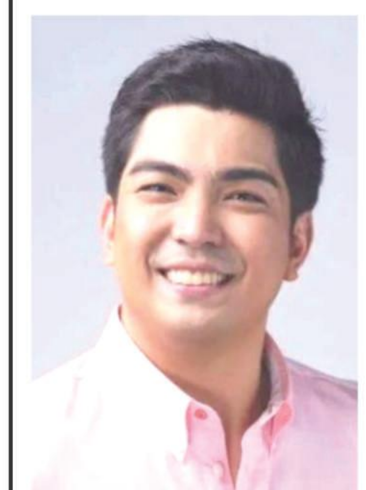
SA TOTOO LANG!
by GENE T. TAN

NAGTATAKA lang po ako sa klase ng justice system sa ating bansa, tulad ng kaso ni dating Sen. Leila de Lima na nag-acquit sa kasong may kinalaman sa drug trade sa New Bilibid Prisons.

Nakulong siya ng anim na taon na dahil sa isinangkot siya sa krimen ng mga testigo ng gobyerno na bigla, binawi ang kanilang sinumpaang salaysay sa hearing ng Kongreso at sa Korte.

E, sabi ng isang kakilalang abogado, imbes na magpasalamat si De Lima sa mga testigong binawi ang akusasyon sa kanya, dapat kasuhan ang mga ito ng perjury o pagsisinungaling sa korte.

Kung sa simula pala ay hindi totoo ang akusasyon nila -- na ikinatwirang pinuwersa lang sila, at saka binawa, kadudaduda na ito at ito ang dapat tiningnang mabuti ng judge at ng gobyerno.



Rep. Jolo REVILLA

Isipin ko lang na ang isang tao ay makukulong dahil sa maling akusasyon sa loob ng anim na taon, hindi ba ito ay nakakagalit.

Dahil sa pagsisinungaling ng mga testigo, hindi nakatupad si De Lima sa trabaho niya sa Senado at nagdusa sa pagkakulong!

"Dapat kasuhan ni De Lima ng perjury at iba pang kaso ang mga testigo laban sa kanya," sabi ng kilala kong abogado.

Tayo po sa Southeast Asia ang may pinakamataas na kaso ng teenage pregnancy, kaya idineklara noong 2019 na ito ay isa nang "national social emergency."

Akalain nyo, edad 10-14 na batang babae ay nanganganak araw-araw, at 2,411 ang nanganak noong 2019 at patuloy itong nangyayari, talagang nakaaalarma ito.

Kaya pala noong Regular Session ng Sangguniang Panglungsod ng Cavite City e nagsampa ng Resolution no. 2023-058: Implementation of Reproductive Health Practices, Education and Rights si Konsehala Maureen Lu na mabigyan ng solusyon ang maagang pagbubuntis ng mga kabataang babae sa siyudad.

Chairperson ng Committee Chairman on Health & Sanitation si Konsehala Mau na nagpasalamat sa pagpayag nina Mayor Denver Reyes Chua at Vice Mayor Benzen Raleigh Rusit na pumasok ang city government sa isang memorandum of agreement (MOA) sa Commission on Population & Development (POPCOM) at National Program on Population and Family Planning (NPPFP) para mapigilan at mabawasan ang maagang pagbubuntis ng mga batang babae.

Konsehala Maureen Lu

Hindi pa handa, physically, emotionally ang kabataang babae sa pagbubuntis at peligroso ito sa kanilang buhay at kalusugan, kaya tama ang desisyon ni Konsehal Lu na maging maagap sa pagkilos laban sa teenage pregnancy.

Isipin mo, mahihinto sa pag-aaral ang batang babae na nabuntis at hindi siya handa emotionally at ang katawan niya ay hindi rin handa sa panganganak at pag-aalaga ng sanggol na isisilang.

Ako po, bilang nanay, ay humahanga kay Konsehal Lu sa maagang kilos niya na mabigyan ng tamang impormasyon, kaalaman at edukasyong magbibigay proteksiyon sa karapatan ng ating kababaihan, lalo na ang mga menor de edad na babae.

Tama na maturuan sila ng mga karapatan at mabigyang proteksiyon upang maiwasan ang maagang pagbubuntis at ang may-edad nang kabataan at mga nanay ring katulad ko ay mabigyan ng kaalaman tungkol sa Reproductive Health information and services.

Kudos at congratulations po, Konsehal Lu.

Hindi ko maitago ang malaking "inggit" ko, sa totoo lang po, dear readers.

Kasi naman, hindi yata nauubusan ng ipinang-aayuda ang kongresista ng District One -- si Rep. Jolo Revilla -- na kabibigay lang ng educational assistance, may kasunod na agad sa mga kabataang estudyanteng grades 1-8 na tumanggap ng P2K bawat isa; bawat isang Grades 9-12 ay tumanggap naman ng P3K.

Hindi lang taga-Kawit ang nabibigyan ng educational assistance, mga taga-Noveleta, Cavite City at at Rosario na sakop ng Distrito Uno, na sabi ni Cong. Jolo, katuwang niya sa handog na ayuda ay ang ama niya, si Sen. Bong Revilla at ang utol niyang Agimat partylist Rep. Bryan Revilla.

Sana maranasan din ng taga-8th District ang ayudang edukasyonal sa mga kabataang Naiquenos, wish ko lang, at alam ko, magkakatotoo ito.

Magagaling yata ang angkang Tolentino -- mula kay Sen. Francis 'Tol'; Vice Gov. Athena Bryana, Congw. Aniela Bianca at daddy nila, Tagaytay Mayor Bambol.

Bakit NGCP...

mula sa pahina 8

ng State Grid of Corporation of China at ang minority stake ay hawak nina tycoon Henry Sy Jr., Robert Coyuito Jr. at iba pang Pinoy.

Natatakot (?) si Tulfo at sina Sen. Grace Poe, Sen. Win Gatchalian at iba pa na makokompromiso ang bansa kasi ang chairman ng NGCP ay si Zhu Guangchao ng State Grid Corporation of China.

Teka, kaya po naisapribado ang NPC gawa ng palpak na trabaho nang ito ay hawak ng gobyerno at sa bisa ng Electric Power Industry Reform Act (EPIRA) of 2001) law, napunta ang pangangasiwa sa transmission ng elektrisidad sa NGCP.

Tanging si Senator Chiz Escudero, balita ko ang tutol na bawiin sa NGCP ang transmission ng elektrisidad na maaaring gawin naman, kasi nga, itong prangkisa ng NGCP ay isang pribilehiyo lamang, at anytime, kaya, puwedeng gawin ng pamahalaan.

Sa loob ng 14 na taon na hawak ng NGCP ang prangkisa nito, wala namang naging reklamo, nito lang uminit ang isyu na may kinalaman sa West Philippine Sea (South China Sea) at ang sinasabing "bullying" ng China sa ating teritoryo sa exclusive economic zone (EEZ).

May hinala ang mga senador na sabotahe raw at ayaw raw ng NGCP na ipa-audit ang trabaho nito at dagdag dito, may away raw an National Transmission Corporation (TransCo) at NGCP.

Itong Transco bale ang papel ay kamay ng gobyerno para bantayan kung tama ba, tumutupad ba sa EPIRA law ang NGCP.

E ngayon na mainit ang tension ng gobyerno laban sa 'bullying' daw ng China sa WPS at ngayon na ang gobyernong Marcos ay sweet sa US, at dahil sa power outages, naisip ngayon na rebyuhin ang prangkisa ng NGCP, kung puputulin at babawiin na o itutuloy pa hanggang 2028.

Kung bubusisiin ang NGCP, hindi ito magpapalamig sa mainit (o pinaiinit) na tensiyon sa relasyong Pilipinas at China, lalo na at naririto ang tropang Amerikano sa idinagdag na apat pang Enhance Defense Cooperation Agreement (EDCA) sites ng US na pinayagan ni PBBM, ayon sa probisyon ng Mutual Defense Treaty.

May kamay ba ang US sa pagrebisa sa prangkisa ng NGCP -- na hindi sekreto ang galit sa China dahil sa ito ngayon ay isa sa pinakamalaking kaaway nito sa paghahari sa mundo ng ekonomya, lakas militar at malaking banta sa pamamayani ng US dollar bilang pangunahing instrumento ng palitan ng salapi ng mundo.

Ikinagalit ng US ang ginawa ng China, kasama ang Russia sa pagbuo ng BRICS na hindi na ginagamit ang US dollars sa mga transaksiyon sa bilihan kungdi ang kani-kanilang salapi.

Itong ay binubuo ng Brazil, Russia, India, South Africa (BRICS) na hindi lang itinakwil ang US dollars, sa halip nagkasundo pa ang mga bansa ito na magtutulungan sila sa larangan ng palitan ng teknolohiya, lakas militar, pagkain, edukasyon, turismo, siyensa at iba pa.

Teka lang, bakit po, kinailangan pa ni Sen. Tulfo na magpaalam sa Malakanyang na bubusisiin niya ang NGCP e pwede namang gawin niya ito nang kusa at di na kailangan ang basbas ni PBBM?

Ang alam natin, co-equal branch ang Senado ng Executive department, ibig sabihin, makakakilos ang mga senador nang walang susunding kumpas ng Malakanyang, at gayundin, hindi mapasusunod ng Senado ang Pangulo o ang sinomang nasa gobyerno.

Trabaho ng Senado ay lumikha, magpasa ng batas, at ang Executive ay magpatupad ng batas, at ang Justice department naman (Supreme Court at Court of Appeals at iba pang korte sa ilalim nila) ang hahatol o magbibigay linaw sa mali o tamang dapat na gawin sa pagpapatupad ng mga batas.

OK sa atin na busisiin ng mga senador ang NGCP, pero mas unahin nila ang Meralco at iba pang electric cooperatives, electric power plants kasi sila, sa paniwala ko ang dahilan kaya kapos ang suplay ng koryente, sila ang dahila ng black at brown out at putol-putol na serbisyo ng koryente natin.

Busisiin din ni Sen. Tulfo ang mataas na rate, di nababayaran na sobrang singil ng Meralco at tingnan ang iba pang di-makatwirang singil nito sa consumers.

Dapat ding busisiin ng mga senador at ng mga kongresista kung nakasusunod ba sa prangkisa ang Meralco na walang iniisip kungdi ang magtaas ng singil, pero hindi maayos ang serbisyo nito sa publiko.

Sa sobrang taas ng singil ng Meralco at walang interes na magtayo ng mga power plants at gumamit ng green energy sources para maging cheap ang elektrsidad, takot o nagdadalawang isip ang mga dayuhang nangako kay Pres. Marcos na mag-i-invest sa Pilipinas.

Itinataboy ang interes ng foreign investor sa abot-sa-langit na mahal na electric power rates ng Meralco at ng iba pang electric corporation kaya ang pangakong investment ay madalas ay napapako!

Bakit NGCP ang sinisisi?

Here n There

ni ELI TAPARAN ii

TOTOO ba, at may go signal daw, ayon kay Sen. Raffy Tulfo, ni President Bongbong Marcos, Jr. na kukunin o babawiin uli ng gobyerno ang pamamahala sa National Grid Corporation of the Philippines (NGCP)?

Palpak daw kasi ang serbisyo ng NGCP at ito ang sinisisi sa madalas na power outages (pagkawala at kakapusan ng suplay ng elektrisidad) sa ilang lugar sa Metro Manila at sa Luzon.

Teka lang, ano ba ang trabaho ng NGCP, Sen. Tulfo?

Mandato nito ay: transmission service provider, ibig sabihin, tagapagdala ng voltahe ng koryente at pangasiwaan at patatagin ang mga linya at istruktura na maghatid ng elekrisidad sa mga kompanya ng koryente, tulad ng Meralco at iba pang electric cooperatives.

Hindi ang NGCP ang lumilikha o nagpo-produce ng elektrisidad kungdi ang mga power plants: paano kung wala o kapos ang voltahe o lakas ng koryente, ano ang ita-transmit ng NGCP?

Kaya naisip na bawiin ang prangkisa ng NGCP -- na dati ay National Power Corporation (NPC) -- kasi may kinalaman daw ito sa sekuridad ng bansa, na iniaangal ng mga senador.

Kasi raw, 40 percent ng pagmamay-ari nito ay hawak
