SM to open more malls this year

In 2024 another mall will be unveiled in Fujian in China

RETAIL giant SM will open more malls this year, according to its top executive.

SM Supermalls President Steven Tan, said the company will open malls in San Pedro, Laguna and Santo Tomas, Batangas.

He told reporter on the sidelines of the Philippine Retailers Association (PRA) Outstanding Filipino Retailers (OFR) Awards held recently that the Sy family is adding another malls in China where currently it owns 8 malls there.

"The Philippines is a sweet spot of Asia. I would say that because of our population—the new generation—is very young. So there are a lot of brands that are looking into our country, which is a good sign," Tan said during the awards night held recently in Parañaque City.

He said SM will open malls in San Pedro, Laguna and Santo Tomas, Batangas and the company also plans to make its presence felt in some areas in Luzon and Mindanao.

Tan added that SM also will open a bigger mall in

Zamboanga, as well as in Butuan and General Santos City.

SM will be everywhere, Tan said and in 2024, the company is planning to construct 5 more malls.

Next year, Tan said that another SM mall will be unveiled in the Fujian province in China.

"As long as there's opportunity and potential, we will open our mall. We will be there," Tan said.

SM Supermalls received a special citation from the PRA during the OFR Awards for its "relentless dedication to support retailers throughout the challenging times of the pandemic."

SM Prime Holdings Inc. president Jeffrey Lim reported in February that its net income in 2022 rose 38 percent to P30.1 billion from P21.8 billion in 2021 on the recovery of its malls.

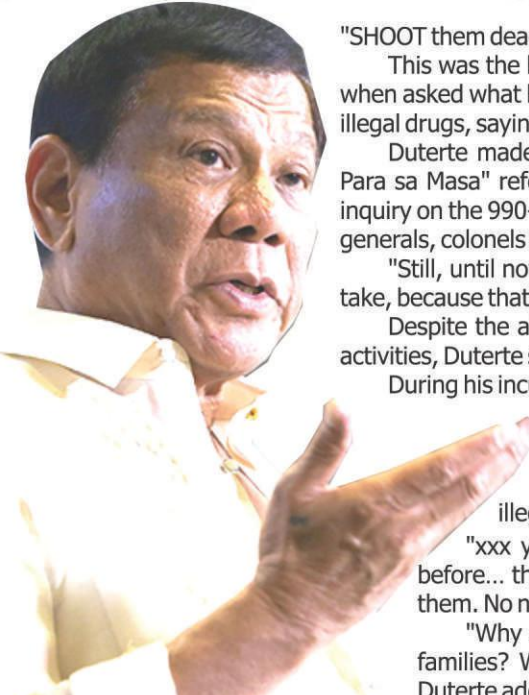

Consolidated revenues rose 29 percent to P105.8 billion from the previous year's P82.3 billion.

Shoot them dead!

Former President Rodrigo Duterte

"SHOOT them dead. Why allow them due process, what for?"

This was the bold statement of former President Rodrigo Duterte when asked what he will do to those police officers who are involved in illegal drugs, saying he sees no reason to allow them to live.

Duterte made the statement over his program "Gikan sa Masa, Para sa Masa" referring to Senator Ronald dela Rosa who heads the inquiry on the 990-kilo shabu hall allegedly involving top tanking police generals, colonels and other commissioned officers.

"Still, until now, it's all investigation. That's how long it's going to take, because that's how the law requires it," Duterte said.

Despite the alleged involvement of some law enforcers in illegal activities, Duterte said, "I love the police."

During his incumbency as Davao City mayor, Duterte acknowledged the big help of the police in providing peace and order in the city.

But he insisted that police officers involved in illegal drugs should be killed.

"xxx you know this is a difficult problem. I have said it before... the best way to deal with these kinds of lawmen: kill them. No need for court proceedings, just kill them," he said.

"Why should I let them live?... due to sympathy to their families? Would it be a redeeming factor? I don't see any," Duterte added.

Over his program, he said: "You are a police officer, but you get yourself into drugs. You want us, the people, to pay you.

From the time you graduated until you reached the situation you are in right now, it's us, the Filipino people, who feed you and your family. And now you want to make a fool of the Filipinos?"

He believe there are police officers who are not just giving protection to the syndicate, "but the officers are the syndicate themselves."

Ober his program, he told the viewers that the country has fractured police force.

"Many hoodlums have entered the police service, even the colonels and the generals. There are many corrupt officers (in the PNP). Maybe one time I will announce the names of those whom I believe are corrupt and involved in drugs," the former president said.

Further, he added that not only generals in Metro Manila are involved in drug syndicates, but they can be found everywhere."

Duterte said that since the police themselves are into drug peddling, it would be difficult to catch them./

'Free the plant': Alvarez calls to legalize MJ

FORMER House Speaker and incumbent Davao del Norte Rep. Pantaleon Alvarez reiterated his call to legalize medical cannabis (marijuana), saying it will "help in attaining economic independence and freedom from poverty for our people."

Rep. Alvarez said that by freeing the plant and legalize it but with safeguards, it can harness the full potential of the benefits of Cannabis, both medically and economically.

But the congressman added that medical cannabis should "free the plant" with safeguards.

Alvarez added that what the government need is courage to explore and face the problems head on and let go the negative

impression against the plant.

"Tapang ang kailangan natin ito," he underscored.

"We need the courage to face the problems head on and the capability to handle the solutions that is called for by modern times," he said.

The government need to take alternative, progressive, yet effective approaches to addressing the country's problems, the former Speaker claimed.

"Decriminalization of Cannabis can lead us to freedom from economic poverty. The potential for economic gain is astounding, international studies and models have proven this," he said.

"The numbers speak for itself, and even our

government agencies involved acknowledged it during the technical working group discussions in Congress. We have to face it," Alvarez added.

The legalization of marijuana has demonstrated substantial economic benefits in countries like Canada and the United States, he noted.

In Canada, the cannabis market generated CA\$2.6 billion in sales, while in the United States, it supported over 321,000 jobs and gained US\$18.3 billion in sales.

"Let's roll up our sleeves and embrace the green revolution! By legalizing marijuana, we'll not only light up our economy but also blaze a trail towards prosperity!" Alvarez stressed.

Vox Populi, vox Dei!

PWEDE po ba, pagtrabahuin na natin ang ating kapatid sa media, dating DSWD Secretary Erwin T. Tulfo, at yung mga kontra sa kanyang nominasyon bilang 3rd nominee ng Anti-Crime and Terrorism Community Involvement and Support (ACT-CIS) partylist, pwede po ba, isarado na ang mga bibig nyo.

For your information, inilista na si Bro. Erwin -- now ACT-CIS partylist representative Erwin Tulfo -- na 4th nominee ng kanilang partido sa nakaraang 2022 elections.

MY CUP OF COFFEE
by Henry E. CAOILE

Sa nakaraang magkasunod na elections, topnotcher sa nakuhang boto ang ACT-CIS partylist na mahigit sa 2 milyong boto!

Vox populi, vox Dei! (Ang tinig ng tao ay tinig ng Diyos!)

Sabi ng mga kontra kay Cong. Erwin, di na ito dapat sa gobyerno, kasi raw, ni-reject ng Commission on Appointments kaya nawala sa DSWD.

So, e ano, di na pwedeng maging kongresista, e sabi ng Commission on Elections (Comelec), sa eleksiyong partylist, hindi ang nominee ang ibinoboto, kungdi ang partido.

Karapatan ng nanalong partylist na

Dating DSWD Sec. Erwin T. Tulfo

inomina ang tao na nais nila na ipresenta sila sa Kongreso -- at ito ay nasa batas, nasa Konstitusyon na hindi pwedeng salungatin at labagin.

Kaya nga nang sabihin ng partylist na si Erwin ang ipalit sa nag-resign na 3rd nominee niya, awtomatiko pwede siya at ito naman ay tinanggap ng liderato ng Kamara ng Representantes.

Katunayan, nanumpa na nga sa tungkulin si Cong. Erwin Tulfo.

Kuwalipikaso siya sa trabaho, katunayan nga, nang mawala siya sa DSWD, ano ang sabi ni Pres. Bongbong Marcos?

"xxx at the time he was running the DSWD. he did a very good job" So, we can't lose that kind of asset," sabi ng pangulo.

Malaking asset siya -- ibig sabihin, malaki ang pakinabang sa kanya ng gobyerno.

Qualification ni Cong. Erwin: college grad siya sa kursong Business Administration sa University of the East (UE) sa Maynila noong 2005.

Kilala siyang peryodista at komentarista sa radio at telebisyon, at una siyang nakilala na host ng public service brand brand Mission X -- kalaunan ay naging Erwin Tulfo Action Center; naging host din siya TV's flagship primetime news program Ulat Bayan; host ng Tutok Tulfo, co-host of T3: Kapatid Sagot Kita!

kasama sina Raffy at Ben; at naging host din siya ng Aksyon on TV5.

At marami pang ibang trabaho sa broadcast at print media.

Bilang kapatid sa media, marami nang napatunayang mabubuting nagawa si Cong. Erwin sa kapakanan ng maraming pamilyang Pilipino.

Pinagtiwalaan siya ni PBBM sa DSWD na sinabing maayos, matino ang performance niya sa ahensiya, at ngayong nasa Kamara si Cong. Erwin, sigurado malaki ang magagawa niya para mapaginhawa ang maraming mahihirap na sektor ng pamilyang Pilipino.

Unahin niya, magpasa ng mga batas para mapagaang ang buhay ng solo parents, PWDs, senior citizens, mga jobless Pinoy, at 'yung mga sumbong na korapsiyon sa mga taong gobyerno, matitiyak tayo, uusigin ni Cong. Erwin.

Kailangang mailantad sa publiko ang mga mandarambong sa gobyerno at ang kanilang mga kasabwat.

Di ka pa man pormal na nauupo, ang aming mainit na pagbati po sa inyo, Honorable Erwin T. Tulfo!

'Tay Fermin isa kang inspirasyon!

'Tay Fermin Valdez at Kawit Mayor Angelo Aguinaldo

PARA kay tatay Fermin Valdez, 67-anyos, sagisag ng kalayaang tinubos ng buhay ng ating bayaning Filipino ang pambansang watawat ng Filipinas.

Dapat lamang ito ay igalang, salduhan at ipagmalaki ng bawat Filipino.

Nitong nakaraang pagdiriwang ng Araw ng Kalayaan, naging viral sa social media si Tatay Fermin nang makita siya - bago magtrabaho bilang pedicab driver -- na matikas na tumayo at sumaludo sa ating watawat.

Sa video, makikita si Tatay Fermin na inaayhos ang isang watawat na nalaglag sa kalsada sa Kawit, at sumaludo, matapos itong ayusin.

Marami ang nagbulalag ng paghanga sa ginawa ni Tatay Fermin.

Bihira na sa atin ang makikita na sumasaludo sa watawat, lalo na kung nadadaan ang mga liwasang bayan sa oras ng patataas nito tuwing Lunes bago simulan ang opisyal na gawain sa mga lokal na pamahalaan at mga pribadong

institusyon.

Kaya ganun na lang ang tuwa ni Kawit Mayor Angelo Aguinaldo na makita si Tatay Fermin nitong Huwebes, Hunyo 14.

Sa kanyang Facebook post, sinabi ni Mayor Aguinaldo ang pasasalamat na binigyan siya ni Tatay Fermin ng ilang sandali para sila ay magkausap.

Kung bakit pinulot niya ang banderang nasa kalsada, sinabi ni Tatay Fermin na hindi niya matiis na makita iyon, aniya, respeto, paggalang ang dapat ibigay sa ating watawat.

Sabi niya kay Mayor Aguinaldo: "Hindi ko pwedeng lampasan. Ang ating bandera kailangan respetuhin."

Tunay ngang isang inspirasyon si Tatay Fermin!

Ang pambansang bandera ay sagisag ng ating pagka-bansa, ng ating kalayaan, paliwanag ni Tatay Fermin sa alkalde ng Kawit -- na kaapo-apohan ni Hen. Emilio Aguinaldo.

Ang Cavitenyong heneral na unang pangulo ng malayang Filipinas ang nagdisenyo ng watawat

natin na tinahi sa Hong Kong noong 1898.

Pero di iyon, nagtagal, kailangan nang magtrabaho si Tatay Fermin, maraming pasahero ang naghihintay sa kanya sa minamanehong pedicab.

Tunay na isang inspirasyon si Tatay Fermin!

Ani Mayor Aguinaldo sa post niya sa FB: "Nagkita na kami ni Tatay Fermin kanina. Kahit sandali lang dahil may trabaho pa daw siya na pagtatahong ay nakipag kwentuhan siya sa akin."

Sabi pa ng alkalde: "Hindi ko makakalimutan kung gaano niya iginagalang ang watawat ng Pilipinas mula pa ng kanyang kabataan hanggang ngayong 67 years old na siya."

Matapos sila na sandaling magkausap, nagpaalam si Tatay Fermin kay SAO Jun Sapida na kailangan pa siyang dumaan muna ng simbahan bago bumalik sa trabaho.

Hindi lang makabayan, kung hindi maka- Diyos din! Tunay na puso at dugong Pinoy!, sabi pa ni Mayor Aguinaldo.

Dugtong ng alkalde sa kanyang FB page: "Salamat sa inspirasyon, Tay Fermin!" (domzcaoile@yahoo.com)

Artificial Intelligence vs Original Human Intelligence

Sa Ganang Akin

by Adela R. ZAMORA

IN our last issue of this wonderful newsweekly BantayBalita, there was an article are Artificial Intelligence (AI) and the fears of this hot and controversial human invention that endangers the jobs of many workers that would be reduplicate and replace human capabilities.

Artificial Intelligence (AI) versus the Original Intelligence created by our Almighty GOD?

I conducted a little research how this AI operates: This latest invention operates through a chat box or what is called Chat GPT meaning generative pre-trained transformer.

The invention performs through a machine (a robot) that can work and perform many tasks better than man or woman.

In fact, a friend from Canada told me, there are cars that have been installed machines with AI that if the driver wants to rest, he/she should only switch the car to automatic touring at the car itself would drive by its own, effectively.

Mistulang robot na ang kotsel!

And you can "talk" and "command" the car to tell you about the weather and ask about the latest news about politics, etc.

AI, according to the latest news, if perfected, the robot or transhuman may result in the future replacing workers or employees in corporations or companies or even in laborious jobs.

And these robots can sing, can act, can create, compose lyrics and sing like a professional musicians and singers.

Magagawa rin daw ng mga taong-makina na ito na gumawang mga obramestrang tulad ng paintings nina Leonardo Da Vinci, Michael Angelo, Picasso, Van Gogh at iba pang bantog-sa-mundong artist.

This transhuman can even compose news, stories, edit articles like newspaper editors, ganun?

Mawawalan na ba ng trabaho ang mga tulad naming kolumnista, editor at magiging jurassic na kami sa susunod na ilang taon?

In fact, a robot chess grandmaster had been invented in 1997 named "Deep Blue" that in a match game has defeated world chess champ, Gary Kasparov.

There was a movie titled RoboCop -- subhuman machine -- that when shown made millions of dollars and had become a big success at the boxoffice.

Napanood marahil ng marami sa atin ang pelikulang ito na hinangaan ng buong mundo.

I ask my friend, "May sinasabi ba ang Holy Bible tungkol sa pagdating ng panahong maiimbento ang robot at transhuman -- na nangyayari na ngayon?"

My friend answered me: "Yes, there are prophecies from the Holy Scriptures about how Lucifer, the Morning Star, the Devil Satan has tried to become like God himself."

Sa Genesis, nilansi ni Satanas si Eva upang kainin ang prutas ng kaalaman ng

mabuti at masama at hikayatin si Adan na kainin iyon at ito ang naging dahilan ng unang pagsalangsang sa Utos ng Diyos na naging dahilan ng pagpapalayas sa kanila sa Paraiso o sa Eden.

My friend told me that today we are living in the Last Days and Ends-Day where Satan would do everything to deceive human beings to transgress the commands and wishes of our Father God and Lord Jesus Christ.

Our God created only two kinds of gender: Man and Woman -- Male and Femaile.

Now we have what they call as LGTBQ+++ genders.

Now humans are threaten to be replace my machines or transhumans.

Are these a clear manifestations of the works of Satan to defile the creation of God -- the human who were created in His likeness?

Any comments and response from our dear readers are welcome: please share your thoughts about AI.

Worst fears on the rise of chatbots

A CHIEF executive officer (CEO) of OpenAI has admitted his worst fears and risked posed by powerful artificial intelligence (AI).

Sam Altman of OpenAI, the company that developed ChatGPT said that AI systems are getting even smarter.

In an editorial published by

most read English broadsheet "The Manila Times" (TMT), it quoted Altman's remarks at a US hearing, saying: "I think if this technology goes wrong, it can go quite wrong, and we want to be vocal about that. We want to work with the government to prevent that from happening."

The "The Manila Times" further said: "AI systems have the capability to not only distort facts, but also to mislead and deceive. To underscore this potential for evil, one senator at the hearing, Richard Blumenthal, presented a recorded speech delivered by someone that sounded like

him, but was actually a voice clone created by a ChatGPT.

"What if I had asked it (ChatGPT), and what if it had provided an endorsement of Ukraine surrendering or Vladimir Putin's leadership?" Blumenthal asked.

The editorial said that a German magazine has fired an

editor for fabricating an interview with Formula One legend Michael Schumacher using AI-generated quotes.

It said that AI-powered face-recognition programs are being used to profile pedestrians in London's streets and that one company using AI to screen jobseekers showed a definite bias against female applicants.

The TMT editorial said that Goldman Sachs estimates that about 300 million global jobs

could be exposed to automation, and one-fourth of all work could be replaced by generative AI.

And that software designers and engineers could soon be edged out by robotic counterparts that can do the job faster and more efficiently.

"And, as the snide aside goes, robots do not take coffee breaks." the editorial said.

News said that many businesses are using Chatbots

Worst... from p.4

hours because of chatbots.

At the Senate hearing, Altman's OpenAI has raised the stakes by making ChatGPT available to almost everyone with a computing device and that the widespread use of AI systems also opens the door to widespread abuse.

Altman proposed the creation of a new regulatory agency that would impose safeguards to prevent AI models from "self-replicating" and "self-exfiltrating into the wild."

He preferred a body, patterned after the UN Nuclear Watchdog International Atomic Energy Agency, that would license the most powerful AI systems and have the authority to "take that license away and ensure compliance with safety standards.

The editorial concluded that Altman has sounded the alarm: "It would be tragic if it falls on deaf ears."

DALAWANG heneral ng pulisya ay kabilang sa 50 sinampahan ng mga kasong kriminal kaugnay ng sinisiyasat na sabwatan sa pagkakumpiska sa nakabodegang 990 kilogramong shabu sa Tundo, Maynila, Oktubre ng nakaraang taon.

Ayon kay National Police Commission (Napolcom) Vice Chairperson/ Executive Officer Atty. Alberto

Bernardo, dalawa sa apat na pulis na inirekomenda na tanggapin ni Presidente Bongbong Marcos ang kanilang courtesy resignation ay isinama sa mga kasong isinama sa Office of the Ombudsman.

Kinasuhan sila, paliwanag ni Bernardo batay sa sinumpaang salaysay ng iba pang pulis na kasama at nakilalang naglanas at nagbitbit ng mga kahon ng shabu mula sa pinagtaguan bodega sa

isang lending store sa Maynila.

Labindalawa sa 50 pulis na kinasuhan ng kriminal ng PNP at Napolcom ay mga police commissioned officers.

Kabilang din sa kinasuhan sina Deputy Chief for Operations PLt. Gen. Benjamin Santos Jr. at dating PNP Drug Enforcement Group Director PGen. Narciso Domingo. / **LOD BELTRAN**

**Happy Araw... mula sa p.8**

Pag piyesta tuwing Pebrero 1-2-3, kabilang ako sa Boy Scout Troop 44 ng Cavite Institute (CI): sa umaga, hanggang tanghali, nagtatrapik kami, at matapos ang duty, libre na kami sa ferris wheel at iba pang rides sa Plaza at may free ticket kami sa Silang Theater, malapit sa lumang baraka (palengke).

Early '50s -'60s, wala pang pribadong paaralan at kaya magkklase ang mga anak ng pamilyang mayayaman at ng pamilyang kapos o walang-wala sa buhay.

Kaming mga poor, sa CI kami nagha-high school na pag-aari ng pamilya Kiamzon (Quiamzon)-Belamide, at ang mas may-kaya, sa Infant Jesus Academy (IJA)..

1961 o 1962 yata ako nag-graduate sa CI -- nag-uulayanin na yata ako sa edad ko 77 -- pero natatandaan ko, si Eileen K. Belamide ang aming valedictorian; isa sa naging titser ko ay si Ma'am Candida Poblete at si Ma'am Noemi F. Barzaga na ate ni Dasmariñas mayor/congressman, Atty, Elpidio 'Pidi' Barzaga Jr.

Sa CI, highest grade na makukuha mo ay 85, kaya pag 77 ang lahat ng grade mo, maipagmamalaki mo na iyon.

Pet ako ni Ma'am Noemi, at pag Biyernes,

sinasamahan ko siya pag-uwi sa Dasmariñas, sakay ng Saulog Transit at pagbalik ko sa Silang, nagbibilin siya sa konduktor na ibaba ako sa plasa matapos mabayaran ang pamasaha ko (Php. 10 cents).

Buhay pa kaya ang kambal na Pine Tree malapit sa bahay namin noon sa E. Gonzales St., sa likod ng Giron Rice Mill and Ice Plant?

Asan na kaya ang mga classmates, kababata kong sina Toti Kiamzon, Danilo Santos, Remigio Eusebio, Reynaldo Laureles, Rebecca Toledo, Candido Tirona, Reynaldo de Jesus, Ernesto Bayas, Renato Purificacion. Myrna Cunningham, Danilo Giron at iba pang classmates; kaibigang Marcy Velando, asan ka na?

Balita ko, maayos ang pamamahala ni Mayor Kevin, katuwang si retired MGen. Edward Carranza sa Silang na huli kong nabisita ay noong 2014.

Binisita ko noon ang best enemy kong si Mayor Areng Poblete na noong bata kami, madalas kaming magbuno pag nag-aaway pag nagkakapikunan sa pagpapalipad ng pagpapalipad ng borador at saranggola sa playground ng Silang Central ES.

Malaki na ang ipinagbago sa bayan: malawak na ang baraka,

nagkalat ang kubol-kubol ng sugalang sakla, lucky 7 at sa paligid, nakatali lang ang mga kabayo at kalabaw ng mga magbubukid mula sa malalayong baryo na ginagamit sa pagdadala ng produktong paninda tuwing Martes, Huwebes at Linggo.

Pag Linggo, kumikita ako ng P20 sa paglilimpya bota (shine shoes) sa baraka.

Malinis pa kaya ang Ilog ng Bayan na sa mga bukal roon kami kumukuha ng inuming tubig?

May nahuhuli pa kayang gurami, biya, dalag, hipon, igat sa ilog at yung talon, muaagos pa kaya?

Buhay pa kaya ang Ilagan Bakery sa tabing kalsada na doon bumibili ako ng tinapay na pandesal at pambonete bago kami maglakad ng mga pinsan ko papunta sa bukid ni Lolo Tinoy sa Iba at sa Pook?

Peaceful sa Silang noon, ang mga tao, may sukbit na itak o baril sa baywang at kaming tinedyer, nagsusukbit rin kami ng paltik at nakabibili kami ng bala sa mga tindahan sa harap ng Plaza.

Noon, kahit makita kami ng mga pulis at PC (Philippine Constabulary) na may sukbit na baril sa baywang, hindi kami sinisita.

Nitong Biyernes, Hunyo 9, ipinagdiwang ang Silang Day, kaya binabati

ko ang aking mga kababayan, at sina Mayor Anarna at Vice Mayor ret. MGen Ted Carranza at mga konsehal at iba pang opisyal ng lokal na pamahalaan.

Naging bisita sa okasyon si Mayor Thomas Wales Jr. ng Bokod, Benguet Mayor Thomas Wales Jr. at mga kasama para tingnan at pamarisan ang magagandang proyektong pinatutupad nina Mayor Anarna at VM Carranza sa Silang.

Every June 9, special holiday sa Silang sa bisa ng Executive Order AKA-74 Series of 2023 ni Mayor Anarna para mag-celebrate ng Araw ng Silang.

Sa pag-uwi ko sa July, balak kong bumisita sa CI na isa nang kolehiyo, si Eileen K. Belamide daw ang presidente ng dati kong paaralan, aha, dadalawin kita, classmate.

Limang taon ding natengga ako sa Vancouver gawa ng sakit kong cancer at dahil sa Covid 19 health restrictions, ay sino kaya sa mga kamag-anak at kababata ko sa Silang ang maswerteng makikita ko sa pag-uwi ko?

Kina Mayor Kevin, VM Gen Ted, mga konsehal at mga opisyal ng Silang LGU at sa mga kabayan, masayang pagdiriwang po sa Araw ng Silang, mabuhay po kayo!

VOLUME 1 NO. 37

10.00

JUNE 12 - JUNE 18, 2023

The historic Aguinaldo Shrine in Kawit, Cavite, took center stage as the Philippines commemorated its 125th Independence Day on June 12, 2023.

Esteemed government officials and dignitaries gathered to honor the nation's rich history and pay

tribute to its freedom fighters.

Executive Secretary Lucas P. Bersamin graced the occasion as the guest of honor at the ceremony held in the very house that once sheltered the Philippines' first president, Emilio Aguinaldo.

Notable attendees included Kawit Mayor Angelo G. Aguinaldo, Cavite 1st District Representative Jolo Revilla, and Cavite 7th

District Representative Crispin Diego "Ping" D. Remulla.

Their presence symbolized unity and solidarity in celebrating the country's independence.

The day commenced with a solemn flag-raising ceremony, where the Philippine flag waved proudly amidst the rains and the wind. The ceremony served as a poignant reminder of the sacrifices

made by countless individuals in the struggle for freedom.

In addition, the provincial government and the local government unit of Kawit organized a range of community-oriented activities.

These included a job fair, trade fair, and medical mission, highlighting the government's commitment to improving the lives of its citizens. / OPIO
