DA: Filipino farmers reaping benefits from high palay prices

Agriculture Undersecretary Leo Sebastian of the Rice Industry Development on Monday, August 21, said Filipino farmers are benefitting from global fears of a rice shortage, resulting from the possible negative impacts of the El Niño phenomenon, which would force world suppliers to tighten supplies in the world market.

Sebastian said that Filipino rice farmers now are enjoying better prices from their recent harvests, perhaps sparked by global fears of a shortage resulting from the adverse impact of El Niño forcing world suppliers to tighten supply in the world market.

Data from the National Rice Program of the Department of Agriculture showed palay prices in March 2023 rose to P17.69 a kilo for fresh and P19.73 for dry, compared to the same month last year, when palay prices were P15.99 for fresh and P18.41 for dry palay.

In April 2023, the price of fresh palay was P17.66 per kilo and dry palay was P20.38, while in April 2022, the prices were P15.57 for fresh and P17.95 for dry.

The highest posted palay price was in Central Luzon at P22 for fresh palay and P25 for dry, the DA-NRP data showed.

The DA Regional Field Office 3 covering Nueva Ecija, which is the rice granary of the country, reported that palay prices in April 2023 were at P20.46 for dry palay and P17.64 for

Anomang gawin sa Ph EEZ, di kailangan ng permiso ng ibang bansa: DFA

MATAPANG na sinabi ng Department of Foreign Affairs (DFA) na hindi kailangan ng hingiin ng Filipinas ang pagsang-ayon ng ibang bansa sa gawaing may kinalaman sa exclusive economic zone ng bansa.

Maraming ulit na ulit na pinigilan at ginipit ng Chinese Coast Guard (CCG) ang pagdadala ng supply materials sa nakabahurang BRP Sierra Madre sa Ayungin Shoal na nasa loob ng EEZ ng Filipinas.

Ayon kay DFA spokesperson Ma. Teresita Daza, lehitimo at palagiang ginagawa ang resupply missions sa BRP Sierra Madre na nasasakop ng EEZ.

"The Philippines' exercise of its sovereignty, sovereign rights, and jurisdiction within our maritime zones is not subject to any other country's approval. This is the norm," sabi ni Daza bilang sagot sa sinabi ni Chinese Ambassador Huang Xilian na pinayagan noong Martes, Agosto 22, na maihatid ng Philippine Coast Guard (PCG) ang supplies dahil sa "humanitarian reasons."

Noong Agosto 5, hinarang at pinaulanan ng water cannons ng CCG ang mga bangkang may dalang supplies sa BRP Sierra Madre.

Patuloy na binabalewala ng China ang desisyon ng Permanent Court of Arbitration (PCA) na nagsasabing nasasakop ng EEZ ng Filipinas ang Ayungin Shoal.

Noon pang 1995, ilegal na inokupa ng China ang Mischief Reef na nasa loob ng EEZ ng Filipinas.

Patuloy na hindi pînapansin ng China ang desisyon ng PCA na walanglegal na batayan ang 9-dash line ng China sa pag-angkin sa West Philippine Sea (o South China Sea, SCS).

Itinanggi ng National Task Force for the West Philippine Sea (NTF-WPS) ang pahayag ng CCG na pinayagang magdala ng supplies sa Ayungin Shoal sa dahil sa "humanitarian grounds."

Ayon sa NTF-WPS, tinangkang harangin, makialam at pigilan ng CCG ang pagdadala ng supplies sa BRP Sierra Madre -- isang matandang barko de giyera ng World War II na sadyang ibinahura noong1999 sa Ayungin Shoal para magsilbing bantay sa West Philippine Sea.

Nasa loob ng EEZ ang BRP Sierra Madre.

Lauding Ople for a "legacy" that the Philippines "will cherish forever," Duterte sent her sympathies to her family and prayed "that they may find comfort in the special moments they shared together."

Katuwang ang aking sinapiang p;angkat ng kandidato ngayong halalan, kung papalarin, maging mabisang kasangkapan, maging mahusay nyong tagapagsalita sa mga nais nyong sabihin sa ating mga opisyal ng bayan.

DOH RECOGNIZES 'MARIJUANA' BENEFITS

NO less than Department of Health (DOH) secretary, Dr. Ted Herbosa, has recognized the benefits of medical cannabis or marijuana.A fast-tracked bill is in Congress for the legalization of its use.

Only few are now opposed to the passage of pending bills in Congress seeking to legalize the use of this medical cannabis as medicines. The recently concluded Joint Congressional Committee on Dangerous Drugs and Health unanimously approved that the proposed bills be forwarded to a technical working group, preparatory to submission to the Congress for deliberation during plenary session.

Dr. Marq Gem Mutia, adult medicine specialist and founder of Philippine Society of Cannabinoid Medicine, said it's the first time ever that a DOH chief has recognized the medical cannabis and its benefits "unlikehis predecessors."

Dr. Richard Nixon Gomez, an inventor, a scientist and general manager of Bauertek Corporation, the sponsor of the weekly Media Health Forum held every Monday, said the number of those opposed to legalize the use of marijuana, has lessened.

With some 10 pending bills in Congress and Senate seeking to legalize the use of the medical herb or marijuana, he said that more and more evidence are gathered indicating its benefits.

Gomez said that the use of the controversial marijuana,should be looked at from a bigger and global perspective as more doctors, experts, scientists, politicians around the world advocate for its use, based on studies. The benefits are for physical, mental and emotional. "Ito ay tinatanggapna ng mga sports, athletic bodies, NBA. Tinatanggapnariing Olympics at iba pang athletic bodies at maraming hospital."

To this date, he said around 60 countries and counting, are prescribing the use of medical cannabis to their patients for various ailments.

Dr. Marq Gem Mutiameanwhile said that the use of medical cannabis has been going on for many years and the only "traditional" medicine that was available even during the time of national hero, Dr. Jose Rizal. It was, he said a "mainstream medicine" before its prohibition.

Around 100 ailments and diseases could be treated with marijuana and it was clinically proven for chronic pain, chemotherapy associated with nausea and vomiting, multiple sclerosis and intractable epilepsy.

Dr. Camille Garcia, a clinical psychologist and CEO of the Clinic of the Holy Spirit, said that medical cannabis is also used for Parkinson's disease and Alzheimer's disease. She said that cannabis contains cannabidiol or CBD, which is one of the best medications for various ailments like psychosis, schizophrenia.

Meanwhile, Gomez brought good news to the forum on the status of the pending bills in Congress that led to the formation of a technical working group (TWG) in the Senate. He said, they discussed the contents of the bills and amended some and once done, this would be signed by the bills' authors and will be brought to the plenary for another discussion. It is in this stage that Gomez's group needs the help of various advocates and supporters.

Bauertek is a research, manufacturing and development company in Guiguinto, Bulacan, that has the capability to manufacture medicines from marijuana based on the specific formulation or needs of the patients.

Drs. Garcia and Mutia were guests at the forum hosted by veteran broadcasters Riolando "Lakay" Gonzalo and Edwin Jose Eusebio.

Laguna bamboo industry eyes a boost thru DOST-FPRDI project

Staff of the project titled "Enhancing the Growth of Bamboo-based Enterprises in Laguna" conducts in-depth interviews of firms engaged in the bamboo business.

APPLE C. Martin- de Leon, DOST-FPRDI -- Bamboo growers, manufacturers, artisans, and traders in Laguna can expect better days up ahead as the Forest Products Research and Development Institute of the Department of Science and Technology (DOST-FPRDI) is working on a project that aims to strengthen the province's bamboo industry.

With a budget of Php2.1 million, the project has so far mapped out the industry and analyzed the constraints facing different bamboo stakeholders — from farmers and suppliers to the market, and to end-users.

It has also studied the status and prospects of each bamboo enterprise, and consequently identified firm-level and industry-wide interventions based on their needs.

Staff of the project titled "Enhancing the Growth of Bamboo-based Enterprises in Laguna" conducts in-depth interviews of firms engaged in the bamboo business.

"Currently, there are 95 bamboo-based businesses in the province. This number alone suggests how much potential the province has in terms of developing its bamboo industry through the support of the local government unit (LGU) and other private and government organizations," explained DOST-FPRDI Director Romulo T. Aggangan.

Laguna Governor Ramil L. Hernandez lauds the holding of the forum.

Recently, DOST-FPRDI initiated a forum attended by 28 bamboo enterprises and 70 LGU representatives from Laguna. Institute Deputy Director Rico J. Cabangon presented the different bamboo technologies and technical assistance that the DOST-FPRDI offers to the bamboo-based industry, while Community Environment and Natural Resources Officer Forester Venerando Garcia presented relevant rules and policies affecting the bamboo industry.

On the other hand, Department of Trade and Industry Laguna's Emmanuel Lee Lapitan discussed various bamboo products that are in-demand locally and abroad, and the services that can be availed from DTI.

Meanwhile, Dr. Florentino O. Tesoro, former DOST-FPRDI Director and current Chair of the Bamboo Professionals, Inc., presented a proposal for the establishment of a Laguna Bamboo Industry Development Council that will be reviewed by the Provincial Government.

Aside from DOST-FPRDI director Aggangan and Dr. Cabangon, other officials present during the said occasion were Technical Services Division Chief Maria Cielito G. Siladan and Technology Innovation Division Chief Loreto A. Novicio. Also present during the forum were Laguna Provincial Governor Ramil L. Hernandez, DOST-Laguna's Provincial Director Samuel L. Caperiña, and DOST-PCAARRD's Rebeka A. Paller and Geoffrey Gacayan, among others.

The project is led by Drs. Ma. Cecile B. Zamora and Carl Anthony O. Lantican and is funded by the DOST-Philippine Council for Agriculture, Aquatic and Natural Resources Research and Development.

MPTC, San Miguel to build P72-B Cavite-Batangas, Nasugbu-Bauan expressways

GIANT tollway companies Metro Pacific Tollways Corp. (MPTC) and San Miguel Corp. (SMC) on Monday, August 14, formalized their partnership by signing a memorandum of agreement (MOA) to build the Cavite-Batangas Expressway (CBEX) and Nasugbu-Bauan Expressway (NBEX).

The partnership was announced by Metro Pacific Investments Corp. (MPIC), the parent company of MPTC.

The agreement was endorsed by MPIC Chairman Manuel Pangilinan and SMC CEO Ramon Ang.

According to the MOA's terms, MPTC and SMC will collaboratively design, construct, and manage the combined 87.96-kilometer length of CBEX and NBEX.

These two tollways have a combined cost of P72 billion.

The comprehensive project is designed to connect MPTC's Cavite-Laguna Expressway (CALAX) to Bauan, Batangas, enhancing travel convenience for drivers.

Mr. Ang said that together with MPTC they aim to deliver world-class road networks that will serve as arteries of progress, growth and development for our country and the Filipino people.

"This collaboration stands as a testament to what we can achieve when we are united in purpose," said Mr. Ang.

Mr. Pangilinan echoed this sentiment, saying, "Together with SMC, we envisage a future where our CBEX and NBEX can help pave the way for connectivity and economic growth in the CALABARZON region."

The joint endeavor encompasses a 27.06-kilometer CBEX segment linking CALAX's Silang (Aguinaldo) Interchange to Nasugbu, Batangas, and a 60.90-kilometer NBEX section enabling seamless connectivity from Nasugbu to Bauan, Batangas.

2024 indigent senior citizens' pension doubled to P49.81-B

Ruth Abbey Gita-Carlos – About PHP49.81 billion included in the proposed PHP5.768-trillion national budget for 2024 will be used to fund the social pension of indigent senior citizens in the country.

The proposed allocation is double the amount of the PHP25.3 billion in the 2023 General Appropriations Act (GAA), Budget Secretary Amenah Pangandaman said during the Development Budget Coordination Committee briefing at the House of Representatives on Thursday.

"The budget for social pension for indigent senior citizens will be doubled to PHP49.81 billion to cover the increased government monthly allowance of PHP1,000 for more than 4 million indigent senior citizens who are not part of the pension system," Pangandaman said.

Launched through Republic Act (RA) 9994 or the Expanded Senior Citizens Act of 2010, the Social Pension for Indigent Senior Citizens (SPIC) Program provides a monthly stipend of PHP500 to indigent senior citizens.

The social pension is an additional government assistance to augment the daily expenses and other medical needs of indigent senior citizens who are frail, sickly or with a disability; with no regular income or support from family and relatives; and without pension from private or government institutions.

RA 11916 or the Social Pension for Indigent Seniors Act, which lapsed into law on July 30, 2022, officially doubles the monthly pension for each indigent senior indigent from PHP500 to PHP1,000.

About 4.1 million indigent senior citizens are entitled to receive PHP12,000 each as their social pension this year under the approved PHP5.268 trillion national budget.

The proposed budget for the SPIC Program is part of the allocations for the Social Services sector, which will get PHP2.183 trillion or 37.9 percent of the proposed 2024 National Expenditure Program.

The spending priorities in the national budget are the starting point of the Marcos administration's eight-point socioeconomic agenda.

The government's eight-point socioeconomic agenda aims to help address inflation by protecting the purchasing power of families and consumers, as well as to mitigate the socioeconomic scarring brought by the pandemic. (PNA)

VM Gen. Ted Carranza, salute Sir!; mabuhay, Imus Police Station!

REVANZE

by Domz B. CAOILE

MABILIS, kumbaga, hagibis na umaksiyon ang makisig na Bise-Alkalde ng Silang, Ted Carranza sa reklamong harrassment ng mayayabang na blue guards (sekyu) sa isang pribadong lupa sa Barangay Batas (Sitio Ilang-Ilang) noong nakaraang Miyerkoles, Agosto 23 na naging viral sa social media.

Hahaha, ano, nawala ang yabang ng hepe ng jaguar (guwardya) nang harapin siila ni ret. Gen. Ted Carranza, na kung ano ang tapang sa mga hinarang sa itinayong highway sa lugar, ayun, natupi ang bahag ng mga nagsisiga-sigaan.

Sa viral, naghamon pa ang hepe ng jaguar sa mga taong hinaran na magsumbong sa munisipyo, kaya nang malaman ito ni VM Sir Carranza, kinomprontа ang mga sekyu at pinagsabihan na ,wag magsiga-sigaan.

Sa video, sinabi ni VM Sir Ted na ang highway ay public property ng pamahalaan at hindi ng kung-sinong-mayaman, at walang karapatan ang mga sekyu na basta lang maglagay ng checkpoint.

Igalang nyo ang karapatan ng mga tao, tinutukoy ni VM Carranza, ay ang kanyang kababayang Silangeno na malayang makadaan sa highway.

Sa sumbong kay VM Sir Ted, hinarang ng mga sekyu ang mga tao sa itinayong checkpoint at sinabihang nagtetrespassing e ang dinadaan ay public highway!

VM Gen. Ted Carranza

Sinabihan ni Sir Vice Mayor Carranza na kapag inulit pa ng mga sekyu ang harassment, baka raw magalit ang buong barangay, kaya tigilan na ang pagsisiga-sigaan.

Umani naman ng papuri ang mabilis na aksyon ni Sir Ted sa netizen na ito ang ilan sa kanilang sinabi na hindi na po namin inedit:
