## Pag-IBIG home loans reach P76.94B

Pag-IBIG Fund officials in a statement Friday, September 15, said the agency has released P76.94 billion in home loans in the last eight months, breaking its record on the highest home loan disbursement for any January to August period.

Department of Human Settlements and Urban Development (DHSUD) Secretary Jose Rizalino Acuzar said that he is happy to report that Pag-IBIG Fund has once again set a record high in terms of home loan releases during the first eight months of the year.

"The sustained growth of our home loans mean that more and more Filipino workers are being helped by Pag-IBIG Fund to have homes they can call their own. This is one of our ways to heed the call of President Marcos to provide sustainable and inclusive housing for Filipinos," said Sec. Acuzar who heads the 1-member Pag-IBIG Fund Board of Trustees.

He added that the amount of home loans released by the agency during the period is P4.23 billion or 6 percent higher compared to the P72.71 billion released during the same period in 2022, and financed 59,840 homes of Pag-IBIG Fund members.

## Pangalang "Bailen," hiniling ibalik

NAIS ng mga opisyal ng Gen. E. Aguinaldo na maibalik ang dati nitong pangalang "Bailen."

Napalitan ng Gen. E. Aguinaldo ang Bailen sa bisa ng Provincial Ordinance No. 2012-029, October 8, 2012 na nilagdaan noon at kasalukuyang Gov. Jorvic Remulla.

Sa larawan, bumisita noong Setyembre 14 sa opisina ni Cavite 8th District Rep. Aniela si Mayor Dennis, kasama sina Councilor Darwin Quiacos, Councilor Ricardo "Du" Binauhan at Sec. Ariel Nitura upang pormal na ibigay ang kanilang sulat na humihiling na maisabatas ang pagbabalik ng pangalang "Bailen" sa kanilang bayan.

Inamin ni Mayor Glean sa kanyang Facebook account na hindi naging madali ang prosesong dinaanan upang

mabuo ang kahilingang palitan ng dating nitong pangalang "Bailen" ang bayan ng Gen. E. Aguinaldo.

"Hindi naging madali ang proseso nito. May mga naging hadlang kung kaya't hanggang ngayon ay hindi pa rin opisyal na magamit ang pangalang Bailen." sabi ng alkalde.

Dugtong ni Mayor Glean, umaasa sila na sa tulong ni Rep. Tolentino, maipapasa at maaaprubahan sa Kongreso ang isang batas na magbabalik sa pangalang "Bailen" sa kanilang bayan.

"xxx sa tulong ng ating minamahal na Congresswoman Aniela Tolentino tayo po'y umaasa na sa House of Representatives of the Philippines na kung saan sa pamamagitan ng isang Republic Act ang Bailen ay naging Gen. E.

## PBBM gets mobbed by surprised OFWs in Singapore

President Ferdinand R. Marcos Jr. received a rockstar welcome from overseas Filipino workers (OFWs) at a mall during a surprise visit on Sunday at the sidelines of his official visit to Singapore.

The President arrived at Lucky Plaza Mall at around noon to say hello to OFWs who usually gather at the popular mall for Filipinos along Orchard Road in Singapore.

The OFWs whom the

President met could not contain their excitement and eagerness upon seeing the chief executive, and felt honored that the President made time to visit them.

"Happy po kami, happy po kami dahil nakita po namin ang presidente namin nang personal," an OFW said.

They also expressed their continued support for the Marcos

administration as they are extremely satisfied with the current outcome and changes in the Philippines.

"Sana magtuloy-tuloy pa ang pagbabago ng Pilipinas. We're happy for the changes in the Philippines," another OFW said.

"Good luck and ingat palagi ang we're hoping that our country be very successful country that we have," another OFW

remarked when asked for a message to the President.

"Mahal na mahal ko po si BBM. I love you so much."

President Marcos always makes sure to visit Filipino communities whenever he visits other countries.

The OFWs, on the other hand, are grateful that the President never forgets them.

"Sobrang... Hindi mo

kasi mae-encounter 'yung Presidente normally, 'di ba? So, napakasuwerteng pagkakataon 'yung isang beses makita mo siya nang malapitan, mahawakan mo. It's a privilege," an OFW said.

"Good health, more wisdom para po mapataas niya 'yung ekonomiya natin at tiwala lang sa gobyerno. Thank you!" the OFW hoped for the President and the government. | **PND**

## Pag-IBIG...

from page 1

Acosta noted that the agency expects to sustain its performance for the remainder of the year, mainly driven by the agency's move to further lower its home loan rates last July.

She also thanked the Pag-IBIG members for choosing and trusting the agency's housing loan to help them achieve their dream of homeownership.

"We assure our borrowers that we shall do all that we can to maintain the low rates of their loans and keep their monthly payments affordable. This is because we at Pag-IBIG Fund highly value sustainability, so that our current borrowers can maintain their ability to pay their loans and allow even more members to avail of our home financing programs," Acosta said.

## Malapit na,...ikakasal na si Mayor Denver Chua sa kanyang "The One"

Kailan kaya, sa Disyembre kaya ngayong taon ay wawakasan na ni Cavite City Mayor Denver Reyes Chua ang pagkabinata niya?

Sa kanyang Facebook page, nagpamdam ang makisig na alkalde sa inilabas na larawan na kasama niya ang babae na sabi niya ay "With soon to be Mrs. Chua."

Napakagandang dilag ang kasama ng alkalde sa larawan nba hindi pinangalanan.

Madamdamin ang mga salitang inilathala niya sa kanyang social media page, nagpapakilig sa maraming tagaganda ng makisig na alkalde.

May mga dalaga namang nagsasabi na "taken na pala si Mayor,"

Io ang sabi ni Mayor Denver sa kanyang social media page.

"Sabi nila ang lahat ng bagay dadating sa tamang panahon. Mga bata pa tayo ng una tayong magkakilala, parehong busy sa kanya kanya nating pangarap sa buhay. Ikaw nag aaral sa law school at ako nag uumpisa palang sa paglilingkod sa Cavite City."

Isang law student ang mapalad na dalagang magiging "soon to be Mrs. Chua" na hindi binanggig kung saan paaralan nag-aaral ng abogasiya.

Sabi pa ng alkalde: "Maraming pagsubok ang ating pinagdaanan. Madalas tayo mag away dahil parehas tayong walang oras at magkalayo sa isa't isa. Pero lahat ng

Proud Mayor Denver with his "The One.."

yan ay ating nalampasan. Magkasama tayo sa hirap at ginhawa."

... Sa hirap at ginhawa, ito ang madalas na binanggig sa seremonya ng kasalan.

"I thank God dahil binigay ka niya saakin sa tamang oras, yung mga panahon na matured na tayo. Nag papasalamat ako sayo dahil hindi ka nag give up despite the trials na ating hinarap," sabi pa ni Mayor Chua.

At sa tamang panahong itatakda ng Diyos, maibibigay na kay Mayor Denver ang matamis na "I Do" mula sa bibig ng kanyang "The One."

## Ngiting kayganda ng Libreng Pustiso Program sa Naic

Kaya pala ang isang kamag-anak ko sa Barangay Halang ay lagi kong nakikitang naka-smile, at nagbalik na ang kanyang "kadaldalan."

At alam ba nyo ang dahilan, e paano po, isa siya sa daan-daang Naicqueños na nabigyan ng libreng pustiso na isa sa makabuluhang programa ng ating provincial government sa pangunguna ng ating Gov. Pögi, e sino pa kungdi si Gov. JonVic Remulla.

Matapos na masukatan ng pustiso noong nakaraang mga buwan, nagkaroon ng fitting at pag-aayos sa mga beneficiaries ng free denture program na ginawa noong Agosto 15-

18. At nito ngang Agosto 31, Setyembre 5,6-8 at Set. 12-13, matapos na mai-fit at maayos ang ilang adjustment, tinanggap na ang libreng pustiso sa mga kababayan kong ngayon ay lagi nang nakangiti at masaya.

Kumbaga, nagbalik na ang kanilang kumpiyansa sa sarili, e sa totoo lang, nakakawala ng sigla sa usapan kung bungi o wala ka na talagang mga ngipin.

At ang hirap pang kumain kasi, wala ka nang pangnguya, hahahaha.

Kaya pala yung kamag-anak ko nang magkaroon kami ng Taparan reunion noong Agosto 20, hindi gaanong makakain, kasi wala siyang pustiso, pero ngayon, hahaha, laging nakangiti, at maganang kumain.

Promise, pinsan, hindi ko ibibisto ang pangalan mo, basta masaya kami at nagpapasalamat kina Mayor Raffy Dualan, Vice Mayor Jun Dualan sa pakikipag-ugnayan niya kina Gov. Pogi na makasama ang pinsan ko at mga kapwa ko Naicquenos sa Libreng Pustiso Program ng Kapitolyo.

Siyempre, ang ating pasasalamat kay Ms. Jacinta Remulla sa kanyang effort na maisama nga ang maraming Naicquenos sa

programang Libreng Pustiso na marami sa aming kababayan ay hindi m a k a y a n g makapagpagawa ng pustiso.

Aba, e libo-libong piso rin yata ang magagastos para magkaroon ng denture, lalo na kung buong pustiso sa ibaba at itaas ang lalagyan.

# Sagip Mata Program para sa mga Imuseño

Nagsimula noon pang Hunyo 13 ngayong taon, tuloy-tuloy ang programang Sagip Mata ng pamahalaang lungsod ng Imus sa pangunguna ni Vice Mayor Homer 'Saki' Saquilayan -- na matagumpay na naisasagawa sa tulong at suporta nina Mayor Alex L. Advincula, at ng kanyang anak, Cavite 3rd District Congressman Adrian Jay Advincula.

Sa programang ito, napakaraming Imuseno ang nagamot ang mga karamdaman sa mata, tulad ng panlalabo dahil sa katarata at iba pang kadahilanan.

Sa tulong ng mga doktor ng Ospital ng Imus (ONI) naoerahan ang mga may katarata at nakakakita nang mas malinaw.

At nito ngang nakaraang Agosto na idinaos ang Sight Saving Month, muling nagkaloob ng libreng serbisyo sa mga Imuseno ang opisina ni Vice Mayor Saquilayan.

Naoperahan ang may mga katarata, nagbigay rin ng libreng eye check-up at mga payo upang mapangalagaan ang kalusugan ng mga mata.

Nagbigay rin ang opisina ni VM Saquilayan sa tulong ng mga optician at optometrist ng libreng reading and corrective eyeglasses.

Ang mga naoperahan ay binigyan ng post-op care kit at ang marami ang dumaan sa cataract screening at cataract surgery.

Kahit ang mga special eye

cases ay binigyang tulong ng opisina ng bise-alkalde at masasabi na isa ito sa natatanging serbisyo sa Imuseno na naipagkaloob ng pamahalaang lungsod ng Imus.

Nabatid na pinaghandaang mabuti ang Sagip Mata program upang maseguro na ang lahat ng may karamdaman sa mata ay mabibigyan ng tamang serbisyo at paggamot, ayon sa nais ni Vice Mayor Saquilayan.

Kaya gayon na lamang ang malaking pasasalamat ng mga benepisyaryo ng Sagip Mata sa programang ito ni VM Saquilayan.

"Malaking tulong po ito sa amin na mahihirap na hindi makapagpaopera (sa mata)," sabi ng isang senior na taga Malagasang.

"Nakapagbabasa na ako at nakakapanood ng paborito kong TV program gawa ng bago kong eyeglasses," pasasalamat ng isang 72-anyos na ginoo.

Sabi pa ng isang may edad na ginang, malaking tulong ang programa ng bise-alkalde, lalo na sa mga ng Imuseño na walang pmabayad para magpatingin o kaya ay magpaopera sa mga mata.

Yun namang malabo na ang mga mata, nabigyan ng reading glass at nagagawa na ang dapat na gawing trabaho.

"Maraming-maraming salamat po sa aming Vice Mayor Saki at sa mga doktor, sa staff na matiyagang tinulungan ang mga Imuseno na nangalangan ng tulong na masagip sa pagkaloob ang aming mga mata," wika ng isang naoperahan sa katarata at nabigyan pa ng magagamit na reading glass. /Domz B. Caoile

# A delegation of journalists from the Guangxi Radio and Television in China visited the Kaliwa Dam Project

A delegation of journalists from the Guangxi Radio and Television in China recently visited the construction site of the Kaliwa Dam Project, a high-quality project undertaken by China in the Philippines under the Belt and Road Initiative.

The Kaliwa Dam Project is an important cooperation project between China and the Philippines, as well as a crucial part of the Philippines' New Centennial Water Source Project (NCWSP).

It is reported that the Kaliwa Dam Project is a concrete gravity dam, with a designed height of 73 meters and a 247-meter crest. A 21.9-kilometer water diversion tunnel is currently underway, which plays a significant role in controlling the project.

Ryan James Eisen, the representative of the Philippine

owner unit of the Kaliwa Dam Project, said that China Energy Engineering Group Co., Ltd. (CEEC) has brought advanced engineering technology and mature construction experience to the Philippines, providing crucial support for the smooth and high-quality construction of the dam, tunnel, and water supply system.

As of July 31, 22.37 percent of the project had been completed, and the excavation of the tunnel outlet had reached nearly 1.3 kilometers.

According to reports, the Kaliwa Dam Project is located in a geologically complex area. To ensure the smooth progress of the project, CEEC has custom-designed the "Sampaguita" dual-shield hard rock tunnel boring machine specifically for the Kaliwa Dam

Maraming salamat po sa mga kaangkan ko na masayang pinirmahan ang letter petition na isinulat ni Uncle Eli Taparan -- ang aming editorial consultant ng BantayBalita -- tungkol sa kahlingan na maipaayos ang bantayog ng Taparan

Guerilla Unit sa kanto ng Barangay Sabang, malapit sa ating municipal building.

Hinihintay lamang po namin na makumpleto ito at sana, ay mai-endorse at mai-adopt ng Sangguniang Barangay Halang ang nasabing letter petition, na nangyaring gawin dahil nang dumalo sa ating

Taparan reunion, nabanggit ni Atty. Councilor Ferdie Wakay na kailangang ang ganoong petisyon.

Siguro bago matapos itong Setyembre ay mapipirmahan na ang pinapaikot naming liham na ito, at hindi pa man, nagpapasalamat kami kay Konehal Wakay sa kanyang pagmamalasakit sa angkang Taparan.

Ang totoo, kaangkan

natin si Atty. Wakay, kasi, ayon sa kasaysayan, ang kanyang lolo, si Meliton Wakay ay isa sa haligi ng pagkatatag ng Taparan Guerilla Unit noong panahon ng Hapones.

Sa bahay ni Lolo Meliton ginawa ang unang pulong at organisasyon ng Taparan Guerilla Unit sa noon ay Barrio Halang.

## PCO'S MEDIA INFORMATION LITERACY CAMPAIGN GETS HREP'S NOD

The Presidential Communications Office (PCO) has earned the approval and support of the House of Representatives on its Media and Information Literacy (MIL) campaign, which will primarily target equipping teachers in state universities and colleges (SUCs) to combat fake news, misinformation and disinformation.

Marikina City's 2nd district representative, Congresswoman Stella Luz Quimbo, PCO's budget sponsor, said that the agency is eyeing to expand its target group for the campaign should Congress agree to increase its allocation in the succeeding years.

"Gusto po natin sa broad-based as possible, kaya nga lang ang reyalidad, napakaliit po ng budget na nakalaan sa ngayon. Kaya ang first phase po natin ay state universities and colleges (SUCs). But, of course, with the generosity of Congress in the coming years, baka sakali po ay madagdagan ang ating target groups," she said.

ACT TEACHERS Party-list representative, Congresswoman France Castro, assured the PCO that she will support its efforts on the MIL campaign, and also agreed on the planned increased budget for it.

"Kaisa po ako ng PCO dito sa program na ito o project na proposed digital media and information literacy campaign at sumasang-ayon ako sa ating pagkabilanggo.

sponsor na madagdagan ang budget kaugnay noon. Ako po ay susuporta po sa mga ganoong panukala," she said.

The government's lead communications arm is proposing a P16.899 million allocation for its MIL campaign implementation from its P1.7 billion proposed budget for the year 2024.

According to Quimbo, the agency will be initially targeting to equip teachers on MIL in SUCs, who will in turn impart the knowledge they learned to their students.

"Ang approach is tuturuan natin ang ating mga teacher o equip natin ang ating mga teachers so, in short, training the trainers para in turn sila naman po ay matuturuan nila ang mga estudyante sa pagdiscern kung alin ang fake news at hindi fake news."

The initiative was launched in August 14, 2023 with the Department of Education (DepEd), the Commission on Higher Education (CHED), the Department of the Interior and Local Government (DILG), and the Department of Social Welfare and Development (DSWD) as its key partners in the public sector.

The PCO is also set to collaborate with tech companies such as Google (YouTube), Meta (Facebook, Instagram, and Threads), TikTok, and X (formerly Twitter) in the project implementation. | PND

## Pagpapalaya kay Tatay Gerardo, posible

ANOMANG araw, mailalabas na ng Board of Pardon and Parole (BPP) ang desisyon sa petisyon na palayain na si Gerardo dela Peña - ng pinakamatandang preso sa National Bilibid Prisons.

Walang tutol si Justice Sec. Jesus Crispin 'Boying' Remulla na palayain si Tatay Gerardo, 84-anyos na nabilanggo sa pagkasangkot sa iba-ibang

krimen.

Ayon sa nagpetisyong palayain si Pena, ikinatwiran na ito ay matagal nang nagdurusa at bagdaranas ng maraming sakit sa katawan.

Sinabi ni Rep. Peter Gonzaga, vice chairman of the Committee on Appropriations, na tama lang palayain ang matanda, nase sa edad nito at kalingang makatao.

"Peña should be released for humanitarian reasons, considering his age," sabi ni Gonzaga.

Kung pagpapasyahan ng BPP na palayain si Pena, "wala kaming tutol na malaya siya for humanitarian reasons," sabi ni Sec. Remulla.

Nasa ilalim ng superbisyon ng Department of Justice (DOJ) ang Board of Pardon

and Parole.

Upang mapalaya, kailangan na magharap ng petisyon si Peña sa BPP sa maagang paglaya niya at kailangang makapasa siya sa mga tutntunin na naisilbi na niya ang minimum na dami ng taon na hatol sa kanyang pagkabilanggo.

## BASIL project sa Eloy Dam: Maraming salamat po!

Tunay na ibang magmahal ang ating lokal na opisyal ng Bureau of Fisheries and Aquatic Resources (BFAR) na isang ahensiya sa ilalim ng Department of Agriculture (DA) sa tropa ng mga magsasaka at mangingisda sa Barangay Palangue at Halang sa aming bayan ng Naic.

Nito lang nakaraang ilang linggo, muling nagbigay ng libo-libong Tilapia fingerlings ang BFAR sa ilalim ng programang Balik Sigla ng Ilog at Lawa (BASIL) Project Management sa tropa ng mga miyembro ng Eloy Dam.

Ang nakatutuwa,

laging nakasuporta ang magkapatid nating Mayor Raffy Dualan at Vice Mayor Dualan sa mga miyembro ng Samahang Magsasaka at Mangingisda ng Eloy Dam sa pangunguna ni Joy Taparan na isa sa pinagkakatiwalaan na mangalaga sa Eloy Dam at matiyak ang muling pagdami ng ating lokal na isda tulad ng tilapia.

Mahalaga sa pagpapanatili ng lahi ng katutubong isda natin ang programang BASIL upang may sapat na mahuhuling isda para sa ating hapag kainan.

Bukod sa programang BASIL, ang lokal na opisina

ng DA sa Cavite at nagbibigay ng mga seminar at iba-ibang impormasyonb at lectures para maparami ang mga ani sa bukid, lalo na at ag programa ng ating Pangulong Bongbong Marcos ay tungkol sa food security.

Kina Mayor Mayor Raffy Dualan, Vice Mayor Jun Dualan, mga opisyal ng National Irrigation Administration (NIA), BFAR, maraming salamat po at wag pong magsasawa sa pagtulonbg sa tropa ni pinsang Joy Taparan at ng Samahan ng Magsasaka at Mangingisda ng Eloy Dam. / GENE T. TAN

Project. This machine, independently developed by China, is capable of traversing fault zones and fractured zones, and excavate at a speed of 20-30 meters per day.

Upon completion of the project, it is expected to set a record for the longest single-head excavation distance by a dual-shield hard rock tunnel boring machine in all overseas tunnel projects undertaken by Chinese enterprises.

Once the dam is completed, it will supply

600 million liters of clean drinking water to the Manila area on a daily basis, which will meet the demands of nearly 6 million people and significantly alleviate water scarcity in the region.

Moreover, the project will greatly strengthen local transportation, generate a substantial number of employment opportunities, and contribute to the overall improvement of residents' living standard.

The Kaliwa Dam Project exemplifies the

immense potential for cooperation between China and the Philippines in the field of infrastructure, in which China offers advanced construction technology and management expertise, while the Philippines provides ample support in terms of manpower and material supply.

Through this project, the Philippines' infrastructure development is further enhanced, and it also promotes broader cooperation between China and the Philippines in various fields.

# Water Base Plant Livelihood project, magbibigay ng extra income

Dapat kabalikat ang mamamayan upang mapanatili ang kaayusan at katahimikan sa lungsod at komunidad.

Isa ito sa paksang tinalakay sa buwanang pulong ng Imus Police Advisory Group na ginanap noong Biyernes, Setyembre 15 sa conference room ng bagong Imus City headquarters sa Barangay Malagasang.

Pinamunuan ito ng pangulo ng advisory council, si Mr. Arturo Rosaroso, principal ng Gen. Emilio Aguinaldo National High School.

Itinatag ang advisory group upang makatulong ng pulisya sa pag-alam sa mga problema kaugnay ng kaayusan at katahimikan sa lungsod ng Imus.

Kasama sa pulong ng advisory si police Lt. Colonel Jack Echman Angog, Imus City police chief at mga kasapi mula sa sektor ng negosyo, media, samahang sibiko at ilang opisyal ng

pamahalaang lungsod.

Napag-usapan din sa pulong ang nakalungkot na pangyayari na nasangkot sa krimen ang ilang miyembro ng pulisya na dito, ipinaliwanag ni Lt. Col. Angog ang mga hakbang na ipinatutupad niya upang mapanatili ang mataas na moral ng mga pulis at mapatibay ang disiplina sa kanilang hanay.

Tinalakay rin ang mga hakbang ng pulisya, katuwang ang mamamayan sa mga aktibidad upang maging kapartber ng pulisya ang mamamayan sa pagpapatupad ng batas sa pagpapanatili ng kaayusan at katahimikan sa siyudad.

Naniniwala kapwa nina Rosaroso at Angog na dapat na maging matibay na kabalikat ang mamamayan

upang maging epektibo sa paglaban sa kriminalidad.

"Lahat po tayo, ang mamamayan at ang inyong pulisya ay magkasama sa pagpapanatili ng maayos na masasamang elemento ng ating lipunan," paliwanag ni Lt. Col. Angog.

Tinugon ito ni Rosaroso na ang advisory group ay laging handa na magbigay ng suporta sa Imus City police upang maging

matahimik at maayos ang pamumuhay ng mamamayang Imuseno.

Samantala, matagumpay na naganap ang "Water Base Plant Livelihood project" sa GEANHS na sinalihan ng 50 guro at estudyante sa pamumuno ni Principal Rosaroso.

Naipakitang-turo ni Rosaroso ang mga paraan sa pagbuhay at pagpapalago ng mga

halamang ornamental at gulay sa pamamagitan lamang ng tubig.

Sa sistemang ito, hindi kailangan ang lupa upang mabuhay at mapalago ang halaman, na ayon kay Rosaroso ay hindi lamang magaling na libangan kungdi maaari pang mapagkakitaan ng mga nasa bahay lamang.

Sumaksi at nagbigay ng inspirasyon sa aktibidad na ito si Imus Councilor Jelyn Laosantos-Maliksi, at si Pastor Saulog.

Sabi ni Konsehala Maliksi na handa ang kanyang opisina na tumulong sa proyekto na malaki ang maitutulong sa

pamilya na magkaroon ng extra income.

Dagdag pa ni Konsehala Jelyn, malaking tipid sa gastusin ang makukuhang gulay at pananim sa poryektong livelihood na hindi na kailangan pang bilhin sa palengke.

Pinasalamatan ni Principal Rosaroso ang suportang ibinigay nina Konsehal Maliksi, Lt. Col. Angog at Pastor Saulog na nagbigay-sigla sa proyektong "Water Base Plant Livelihood project" na isa sa maipagmamalaking gawain ng GEANHS. /DOMZ B" CAOILE
