"Legalize use of medical cannabis," a doting father appeals to Congress

An adoring father has emotionally appealed to Congress to now approve the use of medical cannabis or marijuana as medicine, for the sake of his only son and other patients.

Romeo Ballesteros, a member of Cannahopefuls, Inc. – an advocacy group for the legalization on the use of medical cannabis, was teary-eyed when he appeared before the weekly Media Health Forum of Bauertek, Inc. last Monday.

"Ang masakit ay 'yong makita mo ang anak mo na nangingisay sa harapan mo at wala kang magawa. Hindi mo mapigilan 'yon," Ballesteros said who came to the forum with his now 16-years-old son, Sachi. *See page 2*

Siya si Angelyn Aguirre, 32, isang Pilipina nurse: Isa nga siyang tunay na Angel, Anghel!

Sa unang araw ng giyerang Israel-Hamas noong Sabado, Oktubre 7, lumusob ang mga terroristang Hamas sa Kibbutz Kfar Gaza.

Ayon sa ulat ng Times of Israel, maraming pagkakataon na maaaring makatakas si Angelyn upang iligtas ang sarili, pero mas pinili niya na manatili sa Gaza upang alagaan si Nina.

Nanay ang turing ni Angelyn kay Nina -- ang 70-anyos na Israelita.

Parang hayop, pinatay si Angelyn at si Nina ng terroristang Hamas.

Bayani ng mundong mapagmahal sa kalayaan ang ating Filipinang Anghel -- si Angelyn.

Kung may Medal of Valor sa mga bayaning sundalo at pulis, sana may ganitong katulad na karangalang maipagkaloob kay Angelyn.

Ngayon, isa siya sa pinakamaningning na bituin sa langit.

Taos-sa-puso, inihahatid ng BantayBalita, aming pakikidalamhati sa pamilya Aguirre ng Barangay Balagan, Binmaley, Pangasinan.

Wala ka man ngayon sa paningin, sa naiwang salamisim, lagi kang aalalahanin.

Sanlibong yakap, sanlibong papuri at saludo sa iyong kabayanihan, anghel nating si Angelyn. **/ ET II**

Seafarer's family seeks Justice for kin's death

Alberto M. Coleto

The family of a 39-year-old seafarer who died due to overwork, lack of rest, and on the job in extreme condition in a bulk carrier anchoring in an UAE city are asking the Department of Migrant Workers (DMW) and its attached agency, the Overseas Workers Welfare Administration (OWWA), to conduct a serious and thorough probe of incident.

The victim, Alberto M. Coleto, a native of Tago, Surigao del Sur, had just woke up from a short, two-hour rest when he collapsed and given emergency treatment before he expired.

Prior to this, he was working 38 long hours with only 2-hour beak in a scorching environment, doing exhaustive cleaning and sweeping inside Star Gwyneth, a bulk carrier.

Testimonies of fellow workers showed that Coleto was ordered by the operator to work in a scorching workplace during the vessel's port of call in Mina Saqr, United Arab Emirates, before being allowed to take a breather.

News of the death of Coleto was conveyed to StarOcean Manning, Inc., his agency, which in turn reported the tragedy to Mary Grace Coleto-Salinas, the victim's sister.

Family spokesman Bon Salinas, victim's brother-in-law, said the family is not satisfied over the explanation given by the agency, saying the account was not transparent and detailed, especially on the circumstances that led to Albert's death.

Salinas said the family is seeking justice by filing appropriate civil and criminal charges against the ship operator and the manning agency for neglectful and remiss acts, and against the individuals tasked to make the workplace safe and secure.

He said they are also looking to the possibility that lack of safeguards and precautionary protections contributed to his demise.

Though DMW and OWWA have made their own separate probes to get to the bottom of the case, the victim's family want the inquiry done speedily to the satisfaction of Albert's family, and to carry out the suitable penalties for whosoever is to blame for the preventable misfortune. **/ MANNY TOMANAO**

Rodrigo Duterte challenges COA to expose how Congress spent the people's money

Auditors from the Commission on Audit (COA) are 'afraid" to audit the legislative branch, former President Rodrigo Roa Duterte (FPRRD) claimed.

That was the reason why the alleged irregularities in Congress' use of public funds aren't publicized, FPRRD said on his show on SMNI Tuesday, October 17.

Duterte dismissed the earlier statement of ranking lawmakers from the House of Representatives that the COA found no red flags in the chamber's spending.

He said: "Magtanong ka ng mga congressman na wala na diyan o magtanong kayo ng mga kaibigan na nandyan at sabihin nila ang totoo, ang mga auditor ng COA takot mag-audit diyan sa Congress."

Duterte added: "Hindi in-audit ang Congress. Not once, not twice, not alt all."

He said that despite the strict accounting rules, Congress cannot be penetrated.

He challenged the COA to expose how members of Congress spent the taxpayers' money during the past years.

Sachi has been suffering from seizure disorder since he was five months old.

Studies, research and clinical trials show that medical cannabis can cure epilepsy and other ailments.

It has also been clinically proven for chronic pain, chemotherapy associated nausea vomiting, multiple sclerosis, among others

Medical cannabis' use is legal in 60 countries and counting.

The Philippine Senate and House of Representatives have yet to approve the legalization of its use.

Dr. Gem Marq Mutia, an adult medicine specialist and founder of Philippine Society of Cannabinoid Medicine, a regular forum panelist said that patients and parents from overseas who gave testimonies on the benefits of medical cannabis, are the reason why local patients have as well, appealed to legalize its use.

Dr. Richard Nixon Gomez, an inventor, a scientist and general manager of Bauertek, Inc. said that they are looking forward for Congress' approval before the end of 2024.

The elder Ballesteros said that his son is currently taking five anti-epileptic drugs but these have side effect on the boy's immune system and caused other medical problems "that affect his quality of life."

He added that this is also the reason, they can't send Sachi to a regular school.

Dr. Mutia has called on Congress and leaderships of other medical groups not to make it difficult to patients and their parents who want to try and "possibly, it's a very effective option."

He said, it's also hard to acquire compassionate special permit to avail of imported drugs made from medical cannabis.

It was only in 2016 when CBD use was approved by Food and Drug Administration (FDA) because there were those who tried to get it via "underground" but found the compound to be effective.

FPRRD also urge COA to prioritize the audit of his office, as well as the Office of the Vice President held by this daughter, Sara Duterte-Carpio.

Duterte, who has turned critical on Congress after the House of Representatives realigned the P650-million confidential allocation sought by Sara Duterte, in 2024.

"Unahin na nila ako, pati kay Sara. Make it a priority and COA should come up with a public statement to the challenge," the former president said.

He wanted the truth about how the public fund was spent.

"Pati itong partylist. You're under the protection let me find the word, and your sustenance subsistence nandyan sa Speaker. At 'yung extra money ninyo na binigay beyond your salary. Ilocos region celebrates RSTW 2023 in Laoag City

THE Department of Science and Technology (DOST) Region 1 kicked off the week-long celebration of its Regional Science, Technology and Innovation Week (RSTIW) at the Ilocos Norte Centennial Arena, Laoag City last Monday, Oct. 17.

Hosting techno-exhibits, S&T Fora and techno demonstrations, this year's RSTIW in the Ilocos Region showcased latest innovative products, services, and research studies that address the pressing concerns of different industries in the North.

The simultaneous conduct of S&T activities was aimed at providing a platform to promote innovative STI outputs and upgrade the economic and disaster resilience efforts of the region.

This will provide DOST with a level playing field for the agriculture industry and service sectors, whose processes are especially friendly to innovation, research and development (R&D). These contributions were also highlighted as an avenue to promote the four pillars of the agency: science, technology and innovation for wealth creation, STI for wealth protection, STI for sustainability and STI for human well-being.

DOST Secretary Renato U. Solidum Jr. underscored in his speech the major role of fostering a science-based culture in the country.

"One of our strategies for addressing the gaps between technology generators and innovators for potential users and adopters is the conduct of fairs and exhibits, fora, pitching, and training," said Sec. Solidum.

He added that these activities aim to promote and disseminate STI products and information that can help improve the quality of life of the people and communities and create livelihood opportunities for their growth.

"We have also sustained and further strengthened the implementation of our major programs in the regional operations, such as the Small Enterprise Technology Upgrading Program (SETUP), Smart and Sustainable Communities Program and Community Empowerment through Science and Technology (CEST), and we look forward to implementing more initiatives," Solidum said.

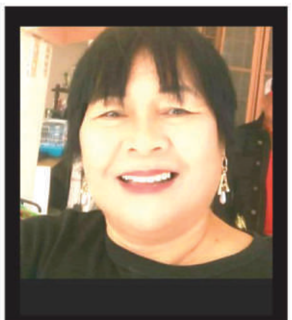
In his speech, DOST Undersecretary for Regional Operations, Engr. Sancho A. Mabborang said that the agency's programs work toward harnessing STI towards wealth creation.

"With the theme 'Siyensya, Teknolohiya, at Inobasyon: Kabalikat sa Matatag, Maginhawa, at Panatag na Kinabukasan,' the DOST, together with its attached agencies and partner organizations, will continue to spearhead initiatives to create strategic technologies that can be harnessed by both the government and private sectors," Mabborang said.

Sec. Solidum told the media that separate RSTIWs will also be held in different regions across the country that boast various innovations in agriculture, health, education, enterprise development, DRRM and many more.

Present in the event were Ilocos Sur Governor Jeremias Crisologo Singson, Laoag City Mayor Michael Marcos Keon, Ilocos Norte Vice Governor Cecilia Araneta Marcos, DOST Undersecretary Teodoro Gatchalian, and DOST Region 02 OIC RD Teresita Tabaog, among others. **/PAPI, Nelson Santos**

Salamat po sa inyong malasakit!



Sa Ganang Akin

by Adela R. ZAMORA

Thank you po sa inyong malasakit Department of Science and Techonology (DOST) Sec. Renato Solidum Jr. sa aming mga seniors nang mabasa ko na ang mga siyentista ng ahensiya ay nagde-develop ng mga pagkaing masusustansiya para masigurado ang aming health at makapag-enjoy pa ng maraming taon.

Pasado 80 na po ang inyong kolumnista, am living alone, at salamat sa mga kaibigang matatapat, sa mga di nakalilimot na katropa sa media, eto po, ako pag dinadalaw ng kalungkutan at karamdaman, sila ay walang sawang umaalalay.

I am bless to have them, and I really apreciate their love for me.

Nais ko nga palang ihatid ang aking pakikidalamhati -- una sa pagyao ng isa sa magaling na publisher-editor at kolumnista si Eduardo 'Edu' Lara Cuvinar, o sa kanyang sagisag panulat, Bapa Edo.

Maraming salamat sa pamilya nina Action Balita publisher Nolie 'Bagwis' Pones at associate publisher columnist Nezel Mutas na may malaking puso at pagmamahal kay Bapa Edo: pagpalain kayo ng ating Ama sa pag-aaruga sa ating kapwa mamamahayag mula sa kanyang pagkakasakit, pagpapagamot at pagpapakain at hanggang sa huling hantungan, di mapapantayan ang inyong malasakit sa kanya.

At eto, ang ating kasamang publisher-commentator Boy Sumaway, nakabibigla ang pagkamatay niya, na sinusulat namin ito, hindi namin alam ang sanhi ng kanyang kamatayan.

Sa iyong pamilya, kay kasamang reporter-commentator Juliet Salabao, mataos na pakikiramay, isang mahigpit na yakap at panalanging magpakatatag ka.

Alam ko ang ganyang damdamin at muli, sumariwa ang hapdi sa puso ko sa pag-alaala sa hindi pa nalulutas na krimen sa pagpatay sa aking anak, may tatlong taon na ang nakararaan.

Ngunit sino tayo ang maaaring tumutol kung pagsubok ito sa atin ng Ama, ng ating Diyos, upang subukan ang ating pananalig, at tulad ni Job, sabi niya, magpupuri lamang ba tayo, magtitiwala lamang ba tayo kung biyaya at kasaganaan ang ating natatamo.

Sa kalungkutan, pait, sukdulang kamatayan, dapat na magtiwala tayo sa ating Amang Diyos.

Balikan natin si Sec. Solidum, sabi niya, sa pamamagitan ng "Healthy Aging Program for PinoY (Happy) Senior Citizen," lilikha ang DOST ng isang naiibang inumin at sitsirya (snack food) na may sangkap ng mature green tomatoes (MGT) na magbibigay ng benepisyo sa mga tulad ni Guru namin at editorial consultant ng BantayBalita (belated happy 77th birthday last Oct. 7) Kuya Eli Taparan.

Itong inuming ito ay mayroon daw gamma-aminobutyric acid, na magpapalakas sa isip at immune systems ng mga lolo at lola.

Madaliin na po nyo, Sec. Solidum at ng mga tao nyo sa DOST ang paglikha ng food products na makatutulong sa aming seniors.

At ngayong Barangay at SK elections, ay, wag kayong boboto sa mga kandidatong umaasa ng ikabubuhay sa pondo ng Barangay, ano sila, sinusuwerte.

Yung may sariling trabaho o negosyo at may experience sa pamumuno ang iboto natin at hindi ang mga tambay na aasa na pag naupo sa barangay, ang aatupagin ay maglustay ng pera ng taxpayers.

Sa mga naunang bumati sa aking kaarawan sa Oct. 29, salamat po at sino kaya sa mga kaibigan ko, kaanak, mga politikong natulungan ko ang makakaalala sa isang retiradong newshen at dating National Press Club of the Philippines director?

Sabi kasi nila, pag wala ka na sa 'circulation' -- ibig sabihin wala o kupas na, wala nang makaaalaala.

Public Trust and Community Engagement

"PCR lang yan. Dagdag na trabaho sa pulis. Ligaw na utos."

Ito ang nangingibabaw na kulturang kaisipan sa PNP kapag Police Community Relations ang pinag-uusapan. Sa quad functions ng PNP, lahat halos ng pulis nag-aagawan sa pwestong pang-intelligence, operations, investigation pero walang may gustong mag-Police Community Relations unless no-choice na dahil gusto makakuha ng quota sa promotion.

Ang problema, biglang nabago ang preferences sa kampanya kontra krimen, droga, insurgency at terorismo sa pagpasok ng administrasyon ni Pangulong Bong Bong Marcos Jr. Kabaligtaran ng administrasyong Duterte, hindi na body-count ang basehan ng accomplishments ng PNP sa ilalim ni PBBM.

Mismong ang Pangulo, muli niyang inulit sa mga nag-oath taking na mga police generals sa Malacañang noong Setyembre 20 ang kahalagahan ng pagtutulungan ng pulisya at pamayanan.

Ang sabi ng Pangulo, "the cornerstone of effective law enforcement are public trust and community engagement - bringing the PNP closer to the community and fostering strong partnership for peace and security."

Hindi ito ang unang pagkakataon na binigyan diin ng Pangulo sa mga guidance niya sa PNP ang kahalagahan ng harmonious relationship ng PNP sa komunidad.

Isang taon na ang nakakaraan, unang sinabi ni PBBM sa 121st Police Service Anniversary sa Camp Crame na dapat ang aplikasyon ng mandato ng PNP ay matibay na naka-pundasyon sa integridad, moralidad, pananagutan at katapatan sa tungkulin para makamit ang "continuity of public rapport" ng PNP sa taumbayan. Ito aniya ang batayan ng tinatawag niyang "Good Governance."

Nakakalungkot lang na kahit na ipagdukdukan ng Pangulo ang kahalagahan ng community engagement sa Good Governance ay "at-a-loss" pa din at hindi ma-appreciate ng mga PNP policy makers ang role ng stakeholders sa ikatatagumpay ng kampanya kontra krimen, iligal na droga, terorismo at insurgency.

Ang lahat ng tried-and-tested formula sa community relations ay hanggang papel lamang, tulad ng Recovery and Wellness Program na sagot sa problema ng demand reduction sa anti-illegal drugs campaign, o iyung counter-organizing and people's mobilization program laban sa white area operations ng CPP-NPA-NDF, at iyung Prevention and Countering Violent Extremism and Terrorism o PCVET para sa mga Muslim communities.

Isang glaring o lantarang pagtalikod ng PNP sa utos ni PBBM ay ang paglalagay ng non-Muslim chief sa Salaam Police Center na nasa ilalim pa mismo ng Directorate for Police Community Relations.

PDEA: Mahigit sa P5-bilyong ilegal na droga sinunog sa Cavite

Trece Martires City, Cavite -- Sinunog at winasak upang hindi na mapakinabangan ng Philippine Drug Enforcement Agency (PDEA) noong Biyernes, Oktubre 20 ang bulto-bultong kilo ng ilegal na droga sa Integrated Waste Management, Inc. (WMI), Barangay Aguado, siyudad na ito

Ayon sa PDEA, aabot sa halagang ₱5,968,744,462.01 ang sinunog na droga, kabilang ang 274 kilo ng methamphetamine hydrochloride, or shabu na nasamsam, Okt. 6 sa Manila International Container Port (MICP), 208 kilo ng Dimethyl Sulfone, na inihahalo sa paggawa ng shabu na nabawi ng e National Bureau of Investigation (NBI), Agosto 25, sa Mabalacat, Pampanga.

Kasama sa winasak ay 312,993.9424 gramo ng marijuana.

Sinunog ang mga ito matapos na iharap at tanggaping ebidensiya sa korte, kaugnay ng mga kasong iniharap sa mga suspek na nag-iimbak at nagtutulak ng ilegal na droga.

Sumaksi sa pagwasak sa droga ay mga kinatawan ng Department of Justice (DOJ), Department of Interior and Local Government (DILG), Philippine National Police (PNP), National Bureau of Investigation, mga samahang sibiko at mga opisyal ng Barangay Aguado.

Sumaksi rin sa okasyon sina Congressman Ace Barbers at Congressman Dan Alvaro na pinasalamat ang PDEA sa pamumuno ni Director General Arnold C. Carreon sa matagumpay na kampanya laban sa ilegal na droga.

Ayon kay Carreon, noong nakalipas na pitong buwan, sinunog din sa WMI ang ₱19.9 billion, katumbas ng 3.7 toneladang ilegal na droga.

Ito, ayon sa kanya, ay maitatala sa kasaysayan ng kampanya laban sa ilegal na droga na pinakamaraming bulto at pinakamabigat na timbang na nakumpiska ng gobyerno. **/Domz B. Caoile**

Public Trust... *Mula sa p. 3*

Benhur Abalos na itama ang pag-appoint ng isang Muslim na pulis bilang chief ng SPC.

In the heart of PCVET's promotion of moderation, religious tolerance, peaceful co-existence and best of communities is the Salaam Police Center.

Ang SPC ang program implementor ng PCVET. Mismong si Governor Sakur Tan ng Sulu province ang nagsabing intrumetal ang PCVET sa pagkakadeklara ng Sulu at Tawi Tawi na "Abu Sayyaf Free" provinces. PCVET programs din ang winning formula kung bakit sampung-taon ng walang insidente ng pambobomba o pag-atake ng mga terorista sa Zamboanga City - na ngayon ay para ng Angeles City sa dami ng tao at turista. Sa ngayon, PCVET din ang tinitingnang angkop na formula ni Basilan Gov. Jim Hataman para mabura sa kanilang lugar ang stigma ng Abu Sayyaf Group pati na ang kultura ng karahasan. PCVET ang susi upang maging bagong tourism frontier ng Pilipinas ang mga probinsyang ito.

Sa paglalagay ng DPCR ng non-Muslim na SPC chief, naging bulag ito sa mga primary ingredients na susi sa tagumpay ng PCVET sa mga conflict areas sa Muslim communities, partikular sa Mindanao.

Unang-una ay ang usapin ng Cultural Sensitivity. PCVET thrives on cultural sensitivity.

Naging susi sa tagumpay ng PCVET program sa mga conflict areas ng SPC ang hepe na nakakaintindi ng Islamic cultural and social practices lalo pa nga't ang narratives ng mga radical at militant Muslims na pasimuno ng kaguluhan ay umiikot sa maling interpretasyon ng Qur'an at Hadith at pagpapakalat ng mga maling interpretasyon na ito.

Sa totoo lang, nakakalungkot na maski si Senator Bato dela Rosa na nag-masteral sa Mindanao State University at siyang may akda ng Senate Bill 2449, nakalimutang isama sa mandato ng DPCR ang cultural and religious awareness and sensitivity, samantalang malinaw na nakalagay ang gender awareness and sensitivity sa function ng DPCR.

Pangalawa, Public Trust and Confidence. Hindi ba ito ang batayan ng "effective law enforcement" at Good Governance ni PBBM? Ito ang misyon ng SPC - to build trust and confidence within the Islamic community in order to manifest Good Governance.

May panganib sa appointment ng non-Muslim chief ng SPC lalo pa nga't wala sa puso at kamalayan nito ang core values ng pagiging Muslim.

Sa ngayon na laman ng balita ang gera sa pagitang ng Israel at Palestina sa Gaza, mayroon ng ilang mga Muslim na aktibong miyembro ng PNP ang nagpapahayag ng radikal na pananaw kontra Israel sa social media at pumupuri sa karahasang hatid ng Hamas.

Kung Muslim ang SPC chief, may kredebilidad at integridad itong igiya pabalik sa mahinahon na pamamaraan ang damdamin ng mga Muslim na pulis base sa itinuturo sa Qur'an at Hadith. Bagay na hindi kayang gawin ng hindi Muslim na SPC chief.

Wika ni PBBM, buo ang tiwala niya kay Sir Paul at sa mga kasaping organisasyon, ahensiya ng gobyerno na magagawa ng PTFoMS na mas mapasigla at mapalakas tungkulin at pananagutang mapanatili ang pagtataguyod ng malaya at responsableng pamamahayag sa bansa.

Inaasahan natin na magiging matagumpay ang gagawing ulat ni USec Gutierrez sa gaganaping Third PH-EU Sub-Committee Meeting on Good Governance, Rule of Law and Human Rights sa Belguim sa Oktubre 26.

Sa kanyang ulat, hayagang sasabihin ng PTFoMS na mali ang bintang na kusa, hayagan at may kamay ang estado sa 203 kaso ng media killings sa PH mula 1986 hanggang taong ito.

Ang 142 cases of media killings ay kaugnay sa trabaho sa media, sabi sa report ng Task Force, ang 26 insidente o 18 porsisyento nito ay maipalalagay na suspek ang ilang opisyal ng gobyerno.

Kung may sangkot na public servant, tiniyak ni USec Paul na mapananagot sila, tulad ng ginagawang pag-uusig sa pagpatay kay Ka Precy Lapid (Percival Mabasa) noong Okt. 3, 2022 sa Las Piñas City.

Patuloy na tinutugis ng PTFoMS na nasa ilalim ng Department of Justice ang mga suspek, isa rito si former Bureau of Corrections director, Gen. Gerald Bantag.

Sa ginanap na National Capital Region Media Summit sa Maynila noong Setyembre 19, 2023, kasama ang PAPI sa media group sa 170 participants.

Happy 7th anniversary ng PTFoMS!

Sanlibong saludo po sa inyo, USec. Paul Gutierrez!

Mabuhay kayo, Sir PTFoMS Usec Paul Gutierrez, PAPI EVP Te Becka Velasquez!

Dahil sa mahusay na pagganap sa tungkuling executive vice president (EVP) ng Pùblishers Association of the Philippines, Inc. (PAPI), pinili si Te Becka M. Velasquez na kasaping katuwang sa pagtupad sa mandato ng Presidential Task Force on Media Security (PTFoMS).

Kami sa PAPI at sa Cavite Province Publishers League, Inc. (CPPLI) ay ikinararangal namin si Te Becka na pagkatiwalaan ng PTFoMS sa pamumuno ni Undersecretary/ Executive Director Sir Paul Gutierrez, ito ay dahil kilala namin si Ms. Velasquez sa tapang at paninindigan sa paglaban sa karapatan ng mamamahayag.

Bilang CPPLI president, maraming

PTFoMS Usec. Paul Gutierrez

proyekto na isinulong ni Te Becka na ngayon ay pinakikinabangan ng maraming weekly paper publishers na accredited ng mga regional trial courst (RTCs) sa Cavite.

Kaya kasama ang PAPI, CPPLI, at ang pahayagang ito, BantayBalita ay bumabati sa ika-7 taong anibersaryo ng PTFoMS na mula nang hawakan ni Sir Paul ay matapang na kumilos upang matukoy ang mga suspek sa panggigipit at pagpatay sa aming kasama sa media.

Itong PTFoMS ay itinatag ni former President Rodrigo Roa Duterte (FPRRD) noong Oktubre 11, 2016 na ang unang namuno ay si Sir Joel Sy Egco, na tulad ni Sir Paul ay dating presidente ng National Press Club (NPC).

Sa kabila ng peligro, maayos na natupad ni Sir Joel ang trabaho niya, at ngayon, sa loob ng ilang buwan, naipakita ni Sir Paul ang tapang at matapat na dedikasyong mabigyang proteksiyon at mapabuti ang kapakanan ng kapwa natin lehitimong mamamahayag.

Sa ginanap na selebrasyon ng Task Force, pinasalamatan ni President Bongbong Marcos si Sir Paul na nag-ulat sa maraming programang naipatupad para sa kapakanan naming Pinoy journos.

Sa ulat sa Pangulo, naipakita na walang katotohanan ang claim o paratang ng mga kontra sa pamahalaan na ang media killings ay kagagawan ng estado.

Walang kamay ang gobyerno sa mga pagpatay na ito, at katunayan nga na laban

sa karahasan, itinayo ang PTFoMS at patuloy na sinusuportahan ni PBBM.

Kung may media killings, 'wag isisi sa gobyerno!

Sa trabaho ng media na maging tagapagsiwalat ng katiwalian, tiyak na may tao o samahang nasasaktan at sa pagnanais na gumanti, kungdi paghaharap ng mga gawa-gawang kaso, nag-uutos ng pagpatay.

Hindi maikakailan, may mga kaaway ang media na nagsusulong ng freedom of the press and expression.

Maaaring may mga tiwali sa media, at kahit sa anong ahensiya o samahan, pero tama bang pagpatay ang maging ganti?

Sa mensahe ng Pangulo, tinatanggap ni USec. Gutierrez ang challenge na gawin ang lahat ng makakaya upang maalis o mabawasan ang karahasan at mga panganib na laging nakaamba sa mga miyembro ng media at ng kanilang pamilya.
