'Most Corrupt Budget'

Sa kabila ng pagtiyak ng Malakanyang na maayos, sumusunod sa atas ng Konstitusyon ang pinirmahang 2025 national budget, nagbanta ang maraming grupo na maglulunsad ng malawakang protesta labansa administrasyon ni Pangulong Bongbong Marcos.

Maraming poliical analyst, kabilang si Prof. Cielo Magno, mga sikat na vlogger tulad nina Sass Rogando Sasot, Joie De Vivre, Atty. Trixie Cruz-Angeles, Krizette Laureta Chu, dating Exec. Secretary Vic Rodriguez, Atty. Glenn Chong at iba ay kinondena ang pinirmahang badyet na tinawag na "Most Corrupt" sa buong kasaysayan ng Pilipinas.

Umabot sa P6.352 Trillion ang pambansang badyet na pinirmahan noong Dis. 30, 2024 ni PBBM.

Marami ang kumokontra sa pagkaltas ng P10 billion sa badyet ng Department of Education (DepEd) na idinagdag sa pondo ng Department of Public Works and Highways (DPWH).

Nagalit ang maraming mamamayan nang bigyan ng zero budget at hindi binigyan ng subsidiya ang Philippine Health Insurance Corp. o PhilHealth.

Marami pang bahagi ng inokeyang 2025 national badyet ang tinututulan ng maraming samahan.

Samantala, tuloy ang itinakdang pambansang peace rally ng Iglesia Ni Cristo (INC) sa Enero 13 na ayon sa marami ay protesta sa inihaing impeachment complaint versus Vice President Inday Sara Duterte,

Nagpahayag rin ang mga kasapi ng Kingdom of Jesus Christ (KOJC) at iba sekta ng reliyon na sasali sa INC peace rally./ Liza Fe Bonete

Matapos pirmahan ang 2025 national budget, sinabi ni Pres. Bongbong Marcos na gagamitin ito sa pagpapalago ng ekonomya at pagpapabuti sa buhay ng susunod na henerasyon.

Aniya: "The Filipino people have spoken, and every centavo must go toward strengthening communities, uplifting lives, and securing the country's future development."

Ipinagmalaki pa ni Marcos na inalis niya sa badyet ang mahigit sa P194 bilyon na hindi makatutulong sa pagpapabuti ng kabuhayan ng bansa.

Despite the controversy: Erwin Tulfo returns to free TV

Deputy Speaker ACT-CIS partylist Rep. Erwin Tulfo is returning to primetime broadcast as a main anchor of a major newscast that will be airing on free television at PRTV Prime Media.

This despite the controversy surrounding his alleged US citizeship and allegation of acquiring a US passport using another person's identity.

Together with former ABS-CBN reporter Nina Corpuz, Tulfo will co-anchor "Arangkada Balita" -- a one-hour newscast that will air from Monday to Friday at 5:30 p.m. starting January 6 on 31.1, PRTV Prime Media's digital free television channel.

Tulfo concurrently hosts public service programs on PYV and the state-run Radyo Pilipinasradio station.

Tulfo is running for senator in the 2025 elections under the Marcos administration-backed Alyansa para sa Bagong Pilipinas.

Kahit ilang pang impeachment complaint ang isampa laban kay Vice President Sara 'Inday Sara' Duterte, sinabi ng kampo nito na handang-handa sila na humarap sa Kamara at sa Senado.

Ito ay kaugnay ng sinabi ni House Secretary General Reginald Velasco na ilan pang kongresista na kaalyado ni Speaker Martin Romualdez ang kasalukuyang naghahanda sa pagsasampa ng ika-4 na reklamo laban kay Inday Sara.

Una rito, sinabi ni Velasco na bago natapos ang sesyon ng nakaraang taon 2024, naipasa ang unang impeachment complaint at sa pagbubukas ng sesyon ngayong bagong taon 2025, ipadadala ito sa Office of the Speaker.

Idadaan sa 10 araw na sesyon ang complaints sa Order of Business of the House, saka ihahain sa plenaryo sa loog ng tatlong magkakasunod na araw bago ihatid sa complaints to the House Committee on Justice.

Kung makita na tama sa "form and substance" at makakuha ng botong one-third ng lahat ng kongresista, ipadadala sa Senado ang impeachment complaint laban kay Duterte.

Sa ganitong proseso rin dadaan ang ikalawa at ikatlong complaint laban sa bise-presidente.

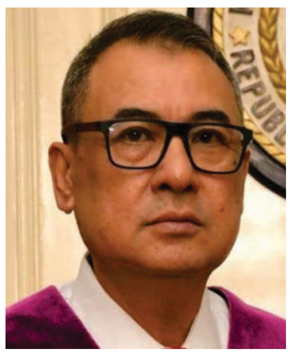
CJ Gesmundo describes 2024: Year of growth, transformation for judiciary

In his New Year's message on Tuesday, Dec. 31, Chief Justice Alexander Gesmundo said that "year 2024 has been a period of profound growth and transformation."



Gesmundo said that the reforms in the judiciary "have not only been about strengthening the very foundations of justice– ensuring that our judicial system serves the people with fairness, efficiency, and integrity; providing equal access to all, regardless of background or circumstances; and leveraging technology to equip the judiciary in meeting the demands of a rapidly-evolving world."

He admitted admitted that during the implementation of reforms "we faced difficulties."

The chief magistrate urged the judiciary to "continue to embrace the ongoing reforms with the same dedication and determination that have defined our journey thus far."

Cong. Erwin T. Tulfo, ikaw ba si Erich Sylvester Tulfo?

★ ELI TAPARAN ii

Kailan kaya magbibigay ng paliwanag si pareng Erwin Teshiba Tulfo tungkol sa alegasyon na siya rin ang Kanong si Erick Sylvester Tulfo)?

I find him mabait, matulungin, lalo na sa kapwa media person: dalawang uli kaming naging magkumpare ni Erwin, una, sa anak ni Manila Bulletin coress, pareng Del Villanueva at ikalawa, sa anak ni People Journal reporter 'Domingo' Valdecantos.

Kapwa yumao na ang dalawang kumpare natin, Cong. Erwin, now balik tayo sa tanong: is there any truth to these allegations pertaining to the alleged identity theft, based on the letter from the US Embassy in Manila.

Totoo ba, pareng Erwin na ikaw ay nabigyan ng US citizenship at US passport sa pag-angkin sa pangalan ng ng isang Erich Sylvester Tufo na ipinanganak daw sa Hawaii noong Dis. 30, 1963?

Assuming another person's identity, is a US Federal felony at criminal offense din sa Pilipinas.

So, far, wala pa akong nababasa, napapanood sa TV o sa social media na ikinakaila, pinabubulaanan at itinatanggi mo, pareng Erwin na ikaw at si Erich ay iisang tao.

Pero sa sulat ng US Embassy, sinasabi na inamin mo raw na si Erich at ikaw, ay iisang tao lamang -- at ito ang naging dahilan ng pagbawi at pagpapawalang bisa ng ibinigay sa iyo na US passoort.

Totoo ba na inamin mo, Cong. Erwin na ikaw nga si Erich Sylvester Tulfo?

If it is true and if it were, that Erwin Teshiba and Erich Sylvester Tulfo are one and the same person, naykupo, malaking problema ito.

Ang isyu ng iyong pagiging Kano, bukod sa mga Libel conviction mo, ang mga dahilan ng pagtanggi o non-confirmation mo para maging permanenteng DSWD secretary -- na naipakita mo ang iyong mahusay na pagtupad sa tungkulin.

Kalat na kalat ang paratang sa iyo, pareng Erwin na ikaw ay sinungaling at manloloko.

Sayang, pare ko, kasi, sa lahat ng survey, pumupuwesto ka sa Top No. 1 at hindi ka bumababa sa Top 5 at sabi ng mga political observers, siguradong mananalong kang senador sa May 12, 2025 midterm elections.

Hindi pwedeng manahimik ka na lamang at hindi sagutin ang liham sa iyo ng US Embassy na ang paratang pineke mo ang pagiging mamamayang Kano.

Kung peke naman ang sinasabing sulat daw mula sa US Embassy sa Maynila, aba, gamitin mo ang tribuna ng Kamara upang pasinungalingan ito.

If the said letter is not true, then whoever wrote and circulated online and in social media that alleged you and Erich are one and the same person, you Rep. Erwin should and must belie such allegations of fraud, criminality & deceit!

Bagong taon na naman, at sa lahat, kalungkutan, kasiyahan, pangungulila, mga pag-aalaala ng mga mahal sa buhay, I thank You Lord God, sa patuloy na kaloob Mo pong buhay at lakas sa akin.

Ngayon papasok ang Year 2025, sa aking pag-iisa, nakagiliwan kong basahin ang ilang mahahalagang verso sa Biblia, at nais kong ibahagi ito sa ating BantayBalita readers.

Sa Psalm 118:24, ipinapaalaala sa atin ang magbunyi sa lahat ng ginawa ng ating Diyos, ito ang sinasabi: "This is the day that the Lord has made; let us rejoice and be glad in it."

Kahit ano pa ang kapalaran natin sa nagdaang taon 2024, at sa 2025 na darating, unahin natin ang pagpapasalamat sa Lord Almighty Father at sa ating Lord Jesus.

Kaysarap basahin ito sa 1 Corinthians 1:4: "I give thanks to my God always for you because of the grace of God that was given you in Christ Jesus."

At sa 1 Corinthians 15:57:"But thanks be to God, who gives us the victory through our Lord Jesus Christ."

At muli sa 2 Corinthians 9:15: "Thanks be to God for his inexpressible gift!"

Nitong nakalipas na Pasko, naaalaala ko at pînasasalamatan ang aming publisher, Sir Kuya Domz Caoile, at ang aming Cavite media guru at kahit retirado nang newspaper editor ay nagtitiyaga pa rin kami na matulungan, salamat Sir Eli Taparan.

Hindi ko malilimot ang kagandagang loob nina Ms Franz Orlain ng Cavite Times Journal at ni Ms. Becka Velasquez ng Pulso ng Makabagong Cavitenyo at Exec. VP ng Publishers Association of the Philippines, at last but not the least, si Ms. Nena Mallari ng Herald News Publications.

At sa marami pang mabubuting tao na sa mga kagipitan ko, ay laging nagbibigay ng tulong sa inyong mahigit sa 80-anyos na kolumnista.

Para sa inyo ito: Ephesians 1:16: "I do not cease to give thanks for you, remembering you in my prayers."

At muli sa Ephesians 5:20: "Giving thanks always and for everything to God the Father in the name of our Lord Jesus Christ."

Sa aking pag-iisa, ito ang gumagabay sa akin, na binabasa ko bago ako matulog, Isaiah 41:10: "Fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand."

Happy New Year po sa ating lahat!

Sana, magkaroon kami ng time ng katropa sa BantayBalita na mapuntahan ang ipinagmamalaking Ayong Adventure (in honor po ng aming yumaong magaling na Boss Cavite Gov. Ayong S. Maliksi).

Researchers eye more partners to test hand-writing tool research

Local researchers have developed a handwriting assessment tool, are looking to get more partners to conduct more tests across the country.

The Intelligent Stroke Utilization, Learning, Assessment, and Testing (iSULAT) is an intelligent pen that provides a practical solution for assessing children's handwriting to provide objective evaluation based on the most common handwriting tools, such as tests of Visual-motor skills, Minnesota handwriting assessment, and an evaluation tool for children's handwriting.

The iSULAT has a microcontroller within the pen, which transmits data to a mobile application.

The raw signal undergoes filtering, feature scaling, engineering data, and analyses before it is forwarded to the occupational therapist for diagnosis.

Through the pen, the occupational therapist can efficiently assess one's handwriting based on the alignment of letters, spacing, and consistency.

A separate report mentioned that the number of handwriting problems in developing children reached an approximate 5 to 25 percent range.

Handwriting is still the most immediate form of graphic communication and failure to attain proficiency during the school-age year may result in far-reaching negative effects on both the academic success and self-esteem of a child.

This project was funded by the Department of Science and Technology-Philippine Council for Health Research and Development (DOST-PCHRD), with a budget of PHP3.2 million for its initial phase.

“Yung mga ganitong invention, kailangan niyan ng testing. Hindi lang isa. Dapat tine-test siya ng mas marami para mas ma-check kung accurate or kung maganda na yung pine-perform ng prototype,” said Engr. Jomel Herras, Project Manager of iSULAT.

Engr. Herras added that his team is looking for more enthusiasts and partners who will help them promote iSULAT to gain more users from various locations.

The iSULAT is one of the technologies featured in the recently concluded 2024 National Science and Technology Week, held in Cagayan de Oro City from 26 November to 01 December 2024.

“Basically ina-address na problem ni iSULAT is yung kakulangan natin ng occupational therapists at mahal na cost ng therapy," said Engr. Herras.

"Siguro yung pinaka rootproblem ay yung problema ng mga bata sa kanilang handwriting. They do it in their everyday lives. Nagsusulat sila even in Math, Arts, and English subjects. Yung ibang mga bata, hindi sila enthusiastic kaya akala natin tamad lang sila magsulat," Herras added.

With the help of iSULAT, children with handwriting problems can undergo simultaneous testing in batches or groups.

During phase I, the project team conducted pilot testing for children ages 6-10 in three sites across Luzon namely Villa Maria Elementary School in Porac, Pampanga; Juan Sumulong Elementary School in Metro Manila; and Bulacan Montesorri School Inc. in Bulacan.

Herras said that phase I of the project started in 2022 and ended last 31 October 2024.

“Hopefully by 2026 ay mayroon nang phase II na kung saan ay maiaapply na natin ito hindi lang para sa mga bata," Herras explained. He added that the project targets those with Attention Deficit Hyperactivity Disorder or ADHD and autism.

The project team has secured a partnership with the Department of Education (DepEd) Division of Metro Manila for future testing.I

HMO allowance to civilian gov't workers

Starting this year, civilian government workers will be receiving a medical allowance for a health maintenance organization or HMO's services of up to P7,000 per annum.

The Department of Budget and Management (DBM) said Thursday, January 2, that the allowance applies to all types of those employees working on a regular, casual, contractual, appointive or elective, full-time, or part-time basis.

"This is a promise fulfilled. This medical allowance is not just a benefit, it's a vital investment in safeguarding a healthy workforce and ensuring that they perform at their best," DBM Secretary Amenah Pangandaman said.

The beneficiaries can receive the medical allowance in the form of HMO coverage either through their government agencies or employee organizations.

Those who will avail of their own HMO providers or have already paid for medical services can receive the allowance in cash.

Tradisyon ni Don Ramon Revilla, tuloy-tuloy

Noong nabubuhay pa si dating Sen. Ramon Revilla Sr., lagi nitong tinitipon ang pamilya at nanalangin sa loob ng Imus Catheral ilang minuto bago ang pagsalubong sa Bagong Taon.

Mula nang yumao siya ay yumao, tuloy-tuloy itong pinapanata ng pamilya Revilla.

Ilang minuto bago matapos ang taon 2024, kasama ni 2nd Cavite Dist. Rep. Lani Mercado-Revilla ang kanyang pamilya, at sa Katedral ay nag-alay ng panalangin sa pagsalubong ng Bagong Taon.

Ayon kay Lani, pagpapakita ng paggalang sa kanyang biyenan ang patuloy na pagsunod sa tradisyon nito.

Pagpapasalamat din ito, sabi ng kongresista sa Panginoong Diyos sa mga biyayang kaloob sa kanilang pamiya.

"The tradition continues… It has been the tradition of my father-in-law Ramon Revilla Sr. to be at the Imus Cathedral a few minutes before New Year's Day," sabi ni Rep. Revilla.

Aniya, kahit wala na ang biyenan, ipinagpapatuloy nila ang tradisyon bilang tanda ng pagsamba at pagmamahal sa Diyos.

"xxx, we continue this tradition as a sign of our love for God and to thank Him for the blessings he has given us in 2024. We pray that 2025 will be a better year for all of us. May peace and love reign this 2025. We love you Lord!!!" sabi ni Cong. Mercado Revilla. /Eli Taparan II

PhilHealth boosts benefit packages for heart diseases

The Philippine Health Insurance Corp. (PhilHealth) maximize the coverage of its benefit packages for heart diseases by as much as 1,629%.

PhilHealth announced the enhanced benefit packages on Thursday, January 2, as detailed in Circular 2024-0032 issued on Dec. 21, 2024.

For inpatient admissions, Filipinos with ischemic heart disease — a condition caused by reduced blood flow to the heart — and acute myocardial infarction, or heart attacks, can now avail of increased coverage under two enhanced benefit packages.

The reimbursement rate for percutaneous coronary intervention, a non-surgical procedure to clear blocked arteries and remove plaque buildup, has been raised to P523,853 — about 17 times higher than the previous coverage of P30,300.

Patients may avail of this procedure at any of the 70 accredited cath labs in the country.

The second enhanced package covers fibrinolysis, a treatment for dissolving blood clots. It now has a case rate of P133,500, or a 341% increase from the previous amount of P30,290.

The state insurer also increased the benefit package for emergency medical services with coordinated referral and interfacility transfers to P21,900 and cardiac rehabilitation to P66,140.

The total value of the benefit packages covers both the payment to the healthcare institution and the fees for healthcare professionals.

The benefit packages also cover services such as emergency care, medications, laboratory tests, medical supplies, equipment, and other administrative fees.

They will apply to accredited public and private health facilities classified as Levels 1 to 3, equipped to provide the necessary medical treatments and procedures. The levels correspond to the range of services each hospital can offer.

PhilHealth President Emmanuel Ledesma Jr. said they worked with partner health facilities to adjust reimbursement rates for heart diseases.

Welcome New Year 2025, at sa kabila ng mga pangamba sa nasaksihan, nangyari at nangyayaring away-politika sa ating bansa; ang pagturing na ang inokeyang budyet ni Pangulong Bongbong Marcos ay maayos at magtutulak ng dinamikong pagbabago, mas malakas ang sigaw ng marami, lalo na sa sektor ng government at private workers, na bad, very "bad yet" ang P6.326-Trillion.

We hope, maiukol sa mabutbuting programa ang trilyong pisong pera ng bayan, nang makahinga-hinga naman nang maluwag ang milyon-milyong pamilyang Pilipino.

Bago at natapos ang pagsalubong sa Bagong Taon, kabi-kabila ang pahayag ng pagkakaisa -- mula sa lokal at pambansang lider natin, pero eto na tayo, sa unang mga araw, balik uli tayo sa away politika.

Ay, niluluto na raw sa Kamara ang ika-4 na impeachment complaint versus VP Inday Sara, ito ay sa kabila ng pahayag ni PBBM sa mga kaalyado na walang mabuting idudulot sa bansa ang pagpapatalsik sa dating kakamping bise-presidente.

Ang aming suggestion sa ating mga lider pambansa na mas unahin ang kapakanan ng mamamayan, napawi kasabay ng ingay ng firecrackerks, magarbo at maningning na fireworks.

Lalo at sa susunod na buwan, magsisimula na ang mainitang kampanya para sa midterm elections sa May 12, 2025.

Samantala tayong dugyot ang pamumuhay, tipid-tipid sa di-kailangang paggastos; mas unahin ang kalusugan pagkat aanhin ang kayamanan kung gupo sa sakit ang katawang-lupa.

At sa kabila ng lahat, magpasalamat tayo, nananatili pa rin ang ating buhay, ang lakas na patuloy na ipinahihiram ng ating Amang Diyos.

Maging aral sa atin ang di-magagandang karanasan at kabiguan, at manatiling nagtitiwala na ang pagsubok na darating ngayong 2025 ay matagumpay nating malalampasan at mapananatili natin ang pag-ibig sa kapwa, pagpapatawad at higit sa lahat ang pag-asa sa magagawa ng makapangyarihang Ama sa ating buhay.

At sa election, matuto na tayo na maghalal ng matitinong lider, opo, let us elect leaders to lead.

Opo, again, happy new year.

Happy 18th birthday sa panganay na anak nina Sister Ederlyn Taparan-Lumabi at Brother Reden Lumabi.

18 ka na, Nylred, at ito ay isang bagong baytang ng iyong masaya, maraming pagsubok sa buhay (at pag-ibig) sa darating na mga taon.

Sabi nga ng mommy mo, na ka-birthday mo (Dis. 28), exciting and scary, be wise, at ang daddy, mommy mo, lahat ng iyong kaanak, lalo na ang mga tito, tita at nina Grandpa Eli at Grandma Emma, laging nakasuporta sa iyo.

Happy 18th birthday Nylred and Sister Dean Ederlyn

@@@

Ako, naman nitong Dis. 29, hehehe, Happy Birthday to me!

Isang simpleng gift-giving ang idinaos natin sa editorial office ng BantayBalita sa Barcelona 1 (Camella Subdivision) sa Brgy. Buhay Na Tubig, Imus City, at dito, mahigit sa 50 na kapitbahay at mahigit na 30 bata ang binigyan natin ng regalo na may kalakip na P50 na bahala na sila kung ano pa kaya ang mabibili ng halagang iyon.

Mula nang simulan namin, (maraming salamat kay Bro. Eli Taparan, BB edtorial consultant niow based in Vancouver, BC, Canada, ating munting staff), muling naitawid natin ang ikalawa at ngayon ay ikatlong taon ng ating munting pahayagan.

Kaya po, every Dec. 29, bilang pasasalamat sa ating Amang Diyos na Makapangharihan sa lahat, ang ating kaarawan ay idinadaos natin sa munting gift-giving.

Pasasalamat din po ito sa patuloy na buhay at lakas na ipinahihiram Niya sa akin at sa lahat ng aking minamahal sa buhay, mga kapatid, kaanak at kasama sa media.

Mas gusto kong birthday gift ay ang magbigay ng kahit konting tulong sa mga mas nangangailangan at kapos-palad nating kababayan.

We hope, mas magiging mapalad tayo ngayong 2025 at mas magiging matapang tayo, matatag sa mga pagsubok sa buhay.

Sinusulat natin ito, naghahanda naman ako sa renewal ng mga permit ng inyo pong pahayagang BantayBalita at sa wedding day (January 4) ng aking bunsong anak, si Teacher Diana.

God bless us all.
